The item of \$5000 for cribbing in front of the Exhibition grounds was held over and it will be inserted in the first money

Ald. Sheard presented, at the Committee on Works yesterday afternoon, a petition from W. D. McIntosh, asking for the removal of the news stand at the southwest corner of Yonge and Albert-streets. The Engineer was instructed to report first before action is taken.

The report of a sub-committee containing the recommendation that the City Solinger of the South Streets of the Solinger of the Soling The report of a sub-committee containing the recommendation that the City Solicitor be instructed not to oppose the application to the judge to close Lippincottstreet, south of Nassau, was adopted.

The suggestion to construct an overhead bridge at the foot of Yongestreet are a street of the suggestion to construct an overhead bridge at the foot of Yongestreet are a street of the suggestion to construct an overhead bridge at the foot of Yongestreet are a street or a street of the suggestion to construct an overhead bridge at the foot of Yongestreet are a street or plication to the indge to close Lippincottstreet, south of Nassau, was adopted.

The suggestion to construct an overhead
bridge at the foot of Yonge-street, at a
cost of \$125,000, was referred to the City
Engineer and City Solicitor to report.

Quite a spirited discussion took place
on D. Macdonald's request for the privilege of having city water at his house on
Avenue-road, outside the city limits. Ald,
Crane declared the application should not
be entertained, because the practice of
giving city water to outsiders encouraged
men to build in the township, thus escaping city taxes, while enjoying all the
privileges.

Mr. Hodgson moved that the application be granted, but the motion was lost.

Application Was Refused. A long wrangle ensued over the Canada Foundry Company's application for city water. A sub-committee recommended that they be given water at manufactur-

where complaints have been made regarding concrete pavements.

The recommendation that the separate The recommendation that the separate system of sewers be adopted for the Indian-road district was passed.

In connection with the Bloor-street railway extension, the City Engineer and Solicitor were instructed to apply to the Railway Committee of the Privy Council for permission to cross the railway tracks.

Ald. Sheard, Crane and Foster were appointed a committee to consider the propointed a committee to consider the pro-posal to extend the street railway tracks Murder, Gave His Version

Takes the Public Into His Confidence, and Offers Some Timely Advice on Prevailing Ailments.

Dr. Arnold says: "Winter has filled your system with bile. The foul secretions, entering the circulation, poison the entire system. Germs are congregating in every corner and crevice of the human flesh-travelling day time and night time, carrying and secreting these poisons. The stomach, kidneys, liver and, in fact, all the organs feel the effect of this poisonous germ life. Their progress is rapid and destructive. These tiny foes of humanity find their entrance into the body through the food we eat, the air we breathe, the water we drink. The headaches, the dizzy spells, the gloom, the despair, the constant feeling of lassitude, people experience are due entirely to the depression of the nerve centres, produced by the poisons in the blood and the gnawing, crawling and twisting army of germs, who are in sole possession.

CET RID OF THE CERMS!

"Now, you must get rid of the GERMS. The blood must be purified. The vital force and tenacity must be strengthened. You cannot accomplish this by THE OLD-FASHIONED PILLS OR LIQUIDS. They were compounded on formulae long since obsolete. You must have an up-to-date treatmentscientifically perfect. Dr. Arnold's Toxin Pills are the most recent discovery of advanced medical science. They are positively germ destroyers. They strengthen the vitality, contain exactly those chemi-

cal elements needed to build up strength and cleanse the system, purifying the blood, making it rich and healthy, stimulating and putting new life into the sluggish, worn-out organs and relieving the system of all poisonous accumulations. Toxin Pills will do what the old fogey medicines have failed to do-MAKE YOU WELL!"

Dr. Arnold's Toxin Pills, at all druggists'. Small size 25c, large size 75c, or sent dinot by mail by addressing Arnold Chemical Co., Limited, Canada Life Bidg., Toronto.
