#### \*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\* LOCAL MARKET.

London, Tuesday, Sept. 18. There was quite a large attendance at he market today. The majority of the stuff on sale was vegetables.

The demand for farm produce was brisk, and also for hay and oats, but for vegetables and apples there was a slow sale. The only advance in prices for oats, which were 3c to 5c per

cwt higher.

Grain—While there was a large supply

Grain—While there was a large supply Grain—While there was a large supply of oats, there was a good demand; prices were higher; old oats sold at \$1.20 to \$1.25 Montreal Street Railway, 282 Toronto Street Railway, 282 Toronto Street Railway, 1173 Wheat sold at 70c per bu.

Hay and Straw—There was a brisk demand for the 24 loads of hay that were offered; sales were made at \$10.50 per ton for most of the loads. No straw offered; Colored Cotton 60 there has been only two or three loads

there has been only two or three loads on sale in a week; there should be demand for the next few days.

Butter and Eggs—There was not a great deal of butter offered; prices ruled at 22c deal of butter offered; prices ruled at 25c for pound rolls. Not many eggs offered; sales ere made mostly at 17c per dozen. Vegetables and Roots—Potatoes were in light supply; consequently there was a good demand at 75c and 80c per bag; tomatoes were a little cheaper, and 7 baskets could be had for \$1; onions sold at 80c per bu; carrots and beets, 40c

bu; some had to be taken home again; Mexican Electric. 55½ crab appies were dull, at 40c and 50c per bu; grapes were plentiful, at 25c and 30c doing Traction. 31 bu; grapes were plentiful, at 25c and 30c doing Traction. 31 bu; grapes were plentiful, at 25c and 30c doing Traction. 31 bu; grapes were plentiful, at 25c and 30c doing Traction. 31 bornial Cotton, xd. 133 per basket; peaches were scarce, as were also plums; sales were made at 60c to 85c for the former, and 75c to 99c for the latter; musk melons were very plentiful; Molsons Bank, xd. 228 sales slow, at 25c to \$1 per dozen; home- Bank of Toronto. slow, at 25c to \$1 per dozen; home-watermelons sold at \$1 50 per dozen Poultry-There were not many offered; prices re unchanged.
Dressed Hogs None offered; the dea!

\$8 75 and \$8 85 per cwt for delivery on Rank of Comments was no change in the prices of

Mr. Hyman referred to the indemnity and pension legislation which had been Explorations have been conducted the object of attack. It frequently hapwith a view of tracing the extent and pened that a cabinet minister had no depth of the famous grotto from which means outside his official salary. After the Sybil delivered her oracles, and a giving the best years of his life to his veritable underground city, believed to country, he would find himself without have been inhabited before the Grecian means of support, at an age when it invasion of Italy by the Cimmerians, was difficult to begin life over again. The pension legislation was intended to Near the lake of Avernus has been provide for such cases; but it had been found an opening which must have unpopular, or in advance of public formerly been a secret exit from the opinion, and to Covernment had regrotto, and valuable articles have been voked it. The increase in the sessional found in the ruins. Among them is a indemnity was justified by circumone of the most pleasing of western exquisitely carved; a fibula or buckle of creased length of the session, could no melodramas, with plenty of life and solid gold; a magnificent pre-Hellenic longer make a living at their trades, ginger in it, will be presented at the necklace, also of gold, and a pix of or professions, and should be compen-

# The Minister of Justice.

Hon. Mr. Aylesworth spoke next. He reiterated all that Mr. Hyman had said relative to the harbor improvements, and spoke of the questionable methods employed by the Conservative organ the Mail. Vague charges were hinted at. morning and convened in the council Commanded British Squadron Pays the Widows of Accident Providing Other Great Powers against the Laurier Government, nor but up to date nothing had been proven had aught but one charge been openly made, and this was proven untrue. The charge was in regard to the fitting out of the steamer Arctic, which was en route to Hudson Bay and northern

waters to make valid Canada's claim plies charged up to its expense account. This was proven to be false. Some of

ernment. The election of Sir Wilfrid Laurier lead in that direction, the secretary he said, had settled once and forever thousand miles to South Africa won him plaintiff, Mrs. Frances Clarke, of South said, but to insure success other great the greatest problem which confronted the people of Canada. It had been the In the meantime Great Britain could means of bringing us in closer touch not afford to place herself in a weak with the mother country. The people condition, but must maintain her pres- of Western Canada were sorry to ent means of defense in a high state learn that Mr. Hepburn had lost the of efficiency as a guarantee for peace. last election by a majority of twenty. He called upon them as men of intelligence, with the interests of the Liberal party at heart, not to make a mistake like that this time.

# Praised Sir W. Mulock.

Under Sir Wm. Mulock's careful and economical administration the postal Canada has ever seen. Take the Laurier Administration as a whole. Was there ever a better one? Was Canada ever more prosperous than she for the conditions was due to Sir Wilservative administration had Canada thrived as she did today. Why, then, good Liberal man from East Elgin? Send Hepburn, and recall him at the end of two years if he did not do his duty. Of the latter, however, he had no fear. In the public offices he had held, he had always looked after the best interests of the people.

Mr. D. Dowler, of Tillsonburg, made a short address, and indorsed all that the former speakers had said in re-

At the finish of the meeting the chairman asked for three cheers for the candidate and the Laurier adminstration, and they were given with a will. In accordance with the desires of the Standing room was at a premium in the building, but the interesting speeches made up for all inconveniences.
