Week.

The London G. T. R. Wasps won from the St. Thomas City eleven in a W. F. A. game last night at Carling Heights, by the score of 4 to 2.

In the first half St. Thomas City, who won the toss, played with the wind in their favor and immediately drove the sphere down into the Wasps territory, the visitors' inside right making a splendid shot which struck the crossbar and went out of play. Shortly afterwards the Wasps conceived the idea to even up matters by taking the ball to the other end of the field and after a nice piece of combination play the Wasps' crack centre forward. Spillsbury, drove in a splendid shot which went into the net, thereby drawing first blood. The Wasps kept pressing on their opponent's defence immediately after the kickoff, and from a nice pass from Lownie, Stockley scored number two for the railroaders.

Fast and exciting play ensued, but no more scoring took place in this period, and when the whistle blew for the interval the score stood: London (G. T. R.) 2, St. Thomas City 0.

The second period started off with a rush, the Wasps playing the sphere down into the visitors' goal area, which in turn was carried down to the other end of the field by good combination which ended in the visitors' centre forward. Davey, locating the net for his side. After the kickoff mid-field play took place, which later on went into the visitors' ground. Spillsbury again scoring, which was disputed by the visitors' goalie, Pullan, who threw the ball, in retaliation at the referee, and was ordered off the field. The Wasps kept bombarding their opponents' goal, and after a clever piece of passing, Parker scored for London, No more scoring took place in the remainder of the game.
