Police Constable Thought T. C. Roy Was Profiteering and Called Patrol Wagon.

WINDSOR, Sept. 27.—Running out of gasoline, three thieves, who stole a high-powered automobile, the property of Alexander, Coleridge & Simmers, realty brokers of Windsor, after looting the Grand Trunk station at Jeannette's Creek of \$50 cash and a quantity of railway tickets, were forced to abandon the car several miles outside of Chatham, where it was recovered today by Provincial Officers Smith and Hannah and Special Detective Taylor of the Grand Trunk.

In an effort to replenish their supply of gas, the fugitives tore the gasoline tanks from three launches lying in the Thames River near Chatham.

Bell, special inspector of the Ontario License Commission. arraigned before Magistrate Miers in Windsor police court today on a charge of assault, was allowed off on suspended He has also been dismissed from his

post under the provincial liquor license board.

The officer assaulted Dr. Cherniak, fired a revolver at him, and placed him in the Walkerville police court at mid-night, when the latter demanded to know Ball's identity, as he was search-ing a car in front of the Cherniak residence

residence.

Magistrate Miers ordered the confiscation of 25 cases of liquor seized by police in a local express office, addressed to Mrs. S. Chene, Windsor, who

dressed to Mrs. S. Chene, Windsor, who was summoned to appear in court and give reason why the whiskey should not be confiscated, sent a note, declaring she knew nothing of the shipment.

Customs Officers Attacked.

William Butler, Canadian customs officer stationed at the Quellette avenue ferry dock, was unable to speak today, as the result of a terrific beating administered to him by thugs from Detroit Sunday night, so John Lannigan and John Bonida, who appeared in Windsor police court today faced with the charge, were remanded for eight days.

Accompanied by three other men in an automobile, they became involved in an altercation with customs officers, following which they leaped from their car and attacked the officers. With the aid of Constable Lariviere the two men were locked up in the customs office at the ferry, but kicking out the boards at the side of the building, they made their escape, only to be arrested by a special officer of the Michigan Central Railway as they were attempting to board a train through the tunnel at Detroit.

James Holden, a resident of Windsor for 83 years, died at his home, 529 Pelissier street, today. Five children, twenty-five grandchildren survive.

Patrolman Strong, who happened to be in the vicinity, summoned the patrol to arrest Tom Ray, well-known Windsor businessman, for gross and windsor businessman, for gross pron-teering. Only pleas of friends of Mr. Ray secured his release. The officer couldn't see the joke. It was a means of raising funds for the league. Aaron Weber and John Carey, Deroiters, arrested here during the convention of the Dominion Trades and Labor Congress, and charged with bringing seditious literature into Can-ada, were released when they again appeared before Magistrate Miers in Windsor police court. BRANTFORD, Sept. 27.—Over 75 delegates to the Imperial Chambers of Commerce Congress were welcomed today by Brantford Chamber of Commerce, on their arrival by special train from Niagara Falls. Luncheon, under the auspices of the chamber of commerce of the city was served at Victoria Hall. W. S. Brewster and Col. Harry Cockshutt extended the welcome, replies being made by J. W. Downes, Hull, England, and George Leeming. Manchester. The fact that 90 per cent of Brantford's homes were owned by the workingmen themselves made a big impression on the visitors, who contrasted the housing situation in England, which at present is a big problem. In the afternoon various groups visited plants in which they were particularly interested, and a visit was paid to Mohawk Church, the Bell homestead, and the Brantford Golf Club. A civic banquet was tendered at the Kerby House this evening, Mayor MacBride presiding
