empt to Unscat a Thunder Bay

WILL OLIVER HOLD HIS SEAT?

The question raised on the appeal in Reg. ex rel. McKenzie v. Duross, was whether the respondent had sufficient property qualification to hold his seat as councillor for the Township of Oliver, in the District of Thunder Bay. Mr. Duross has resided for 17 years on the north half of lot 13 in the second concession and been assessed as owner of it and paid the taxes due on it during all that period, but the registered title is in the name of Mrs. Gorman, his daughter, though 10 or 11 years ago Mrs. Gorman gave up all claim to it in favor of her father, and has ever since acknowledged his title to it. The proceeds of the mortgage upon the land were paid to Mr. Duross and went into improvements. Now, ed his title to it. The proceeds of the mortgage upon the land were paid to Mr. Duross and went into improvements. Now, just as municipal honors are showered upon him by an admiring constituency, a rate-payer takes such a trivial objection. Counsel for Mr. Duross urged the court to consider a municipality nearer home and greater fur than even the township of Oliver, in which the chief magistrate was financially not strong, but still was the people's Bob. Judgment was reserved on this appeal and also in expel. McKenslev. Martin. Both are appeals from Mr. Cartwright's orders, unseating the respondents. In the latter case the objections are that Mr. Martin did not receive a majority of votes of qualified voters, that many of the ballot papers were not properly marked by initials of deputy returning officers and that others had marks from which the voters could be identified.

Rev.Dr. Parsons, preaching in Chalmer's Church on Sunday morning, said the Sabbath was now endangered in Toronto because Christians themselves had desecrated it. For two years the Sunday afternoon meetings had been held in the Pavillon, exclusively in the interest of temperance, and speakers had been brought over from the States, who regarded neither God nor man. It was said that the work was in the interests of immanity, and therefore fit to be carried on the Sabbath. But God said: "No." You have six days in which to work for humanity and attend to all worldly interests, but the Sabbath is for Me and My work exclusively."

The Presbyterian Ministerial meeting was presided over by Rev. William Frizgell. Most of the morning was exhausted in a discussion on Sunday cars.

A resolution was passed yesterday at the Methodist Ministers' meeting, moved by Rev. R. N. Burns and seconded by Rev. J. O. Speer, that the meeting express its unalterable opposition to Sunday cars.

Rev. J. B. Kennedy presided at the Baptists' meeting. Rev. Dr. Thomas and Rev. C. A. Eaton were appointed to represent the association in the general committee of the Anti-Sunday Car League.

Spring Examinations.

At Toronto University the first examinations. Sunday Cars Their Sole Topic.

At Toronto University the first examination will likely be held on April 30, and the last one will likely be held the day after the 24th of May.

At McMaster College the students are getting examination work up. Examinations will not finish till May 10, when the alumni meet. The Senate and Board of Governors meet the next day, and the graduates will be entertained at dinner by the undergraduates. There are seven theological graduates and about 30 in arts.
