NOTE AND COMMENT

If the West End Harriers break the relay record from Hamilton to Toronto to-day they will accomplish a great feat and will be deserving of all the glory. The record is 3 hours 53 minutes 23.8 seconds, made by the Central Y.M.C.A. team last June, when the roads were good. The result of the race will be awaited in athletic circles with interest.

RUGBY.

Parkdale Canoe Club and Hamilton should furnish a lively junior O.R.F.U. final rugby game to-day at the ball grounds, when Tammany Tigers will tackle Varsity II. for the Canadian intermediate championship at Varsity field, where the public will have a chance to compare intercollegiate and O.R.F.U. football. Those not interested in any of the foregoing teams will be rewarded with good rugby at either of the games.

College football on the other side will see two important games decided when Harvard meets Yale and Pennsylvania tackles Cornell. Yale should beat Harvard on the showing of the teams last Saturday, while the other game is as uncertain as a horse race.

SOCCER.

Followers of Association football will be out in force to-day to see the senior Toronto football league final. Little York and Thistles, the contesting teams, had a battle royal in the spring series, while to-day the east end boys journey to the Pines with the same lead in the early springtime.

BASEBALL.

Word comes from Boston that Catcher Shaw will be transferred to Toronto as part of the Thoney deal. Evidently the way our old friend Bill Carrigan swatted the ball in the Boston post season games has taken good effect on Messrs. Taylor, McGuire & Co. Bill will be greatly missed by the fans, but Shaw should prove a good substitute.

Skys The Cleveland Leader: If Joe Cantillon would try to build a winner in Washington instead of meddling with American League politics he would become more popular. Joe, like the bulldog, will die some day of a broken heart, because there is nobody in sight to fight him.

TURF.

The Wasp, the Canadian hunter, owned by Crow & Murray of this city, that has scored repeatedly at the New York Horse Show, now in progress, is a 6-year-old bay gelding by the thoroughbred Jim Wason, formerly owned in Dayton, but who was sold to go to Chicago some time since. His dam was by a standard bred sire. The Wasp's record to date is 3 firsts and 1 second, \$700.

When Red Friar won the last race at Benning on Thursday Phil J. Dwyer landed his first winner this year. In baseball what would his average be?

Joe Gans and Battling Nelson.
MINNEAPOLIS, Nov. 22.—Joe Gans, champion lightweight of the world, and Battling Nelson of Hefewich, yesterday posted \$100 forfeit with a sporting man of this city, for another battle for the lightweight championship of the world.

They will meet to-day and sign articles. The fight will probably be held on New Year's Day. It was only after a long wrangle that most of their differences were settled. What there will be in the fight is known and will not be announced until the articles are signed.

It is probable that the fight will be held at Goldfield, Nevada, the scene of their former encounter.

R.C.B.C. Notes.
Mr. Sheffer, one of the old-time riders, has been in town for a few days, and as he is now captain of the best of the best showing teams on the coast he has been showing some of the boys how the game is bowled out that way by making some big scores on the club alleys.

Mr. Hunter of the Pykers Club is in hard training for the Marathon, and is breaking all kinds of records in the morning workout.

Day Plays Great Billiards.
ST. LOUIS, Mo., Nov. 22.—Breaking the world's record for averages and sweeping his opponent before him with brilliant and rapid play, Frank P. Day of St. Louis to-night defeated Alfred De Oro of New York in the twenty-fifth game of the national three-cushion billiard championship tournament.

Police Would Not Allow It.
COLUMBUS, O., Nov. 22.—Chief of Police O'Connor has notified the persons arranging for a boxing contest between Philadelphia Jack O'Brien and William Hewson of Rochester, in this city to-day, that the bout will not be permitted. O'Brien can have, pleading that he had determined to begin anew and regain his old prestige in the ring.

KELLY MAKES EXPLANATION.
Things that Kelly has to say are usually interesting. This time Mr. Kelly again wishes to remind his friends that this being Saturday they should send in their orders for ales and liquors early. Phone Park 2286 and get reliable goods, prompt attention and quick delivery. W. J. Kelly (formerly with McGraw-Hill), 749 West Queen-street. Delivery to all parts of the city.

TAMMANY TIGERS PLAY VARSITY II. FOR CANADIAN INTERMEDIATE CHAMPIONSHIP.

The final game in the O.R.F.U. will be played to-day, when Hamilton meet the Parkdale Canoe Club team for the championship. The game will be played at Diamond Park, and is set for 3 p.m.

This is the first junior final played in Toronto in some years and is attracting considerable attention among local rugbyists. The Canoe Club team is probably the strongest team turned out of Toronto in several seasons, and as Hamilton's reputation is of the best, the game should be well worth a trip to Diamond Park to see. Corryell, the clever quarterback of this year's Varsity team, has been coaching the Parkdale team the past couple of weeks and Hamilton's reputation is of the best. Hamilton were runners-up in last year's junior series and the team will be a good one to watch. The following are the teams with the weights of the players:

Harvard and Yale To-Day.
CAMBRIDGE, Mass., Nov. 22.—The football season in the east will practically culminate to-morrow in the biennial struggle in the stadium in the Harvard and Yale. Nearly a thousand people will witness the contest and it is probable that a very great majority will go out to the field to see the best games of the year. The Harvard team has been coached by the Yale team and is expected to be a good one to watch.

About Joe Kelley.
The Boston correspondent of Sporting Life has the following to say in this connection: "The Kelley matter still hangs fire. Mr. Kelley does not intend to take the initiative in this case. He is waiting for the Kelley matter to be handled by the Kelley family, and is prepared to handle him, but does not intend to be driven. Had Kelley insisted upon a contract for more than one season at the beginning of the last campaign I have not the least doubt he would have succeeded in securing the same, and had that been the case, Kelley would have been more embarrassed than he is at the present time, when he finds he desires to change his mind."

As most baseball fans know, Sam Crawford started in life as a barber out in the State of Nebraska, and Sam yet likes to wield the razor, just as he explained it while in Washington last, on account of the fact that he was a barber.

SENIOR HOCKEY CLUB NEW ST. GEORGES

Name of New Organization—Brockville May Join Federal.

Following the failure of the newly-organized hockey club, the Toronto, to continue in existence, a meeting was held last night with a view to placing a representative local senior team on the ice this winter. Officers were elected, a name, New St. Georges, adopted, and colors, grey and royal blue, selected. The meeting was of the enthusiastic variety and attended by practically all the senior O.H.A. players of the city, as well as by Spence Smith, late captain and forward of the Hags team and a reputed good one.

All three of last year's senior O.H.A. teams will be well represented on the line-up of the new organization, which is almost certain to be the only senior Toronto club in the O.H.A. and with the new material in sight, the best seven in some years.

The officers are as follows: President, Percy Quinn; first vice-president, I. J. Ardagh; second vice-president, Charlie Webster; secretary, C. S. Morow; treasurer, H. Rooster; manager, Bert Short; committee, J. S. Morow, R. Ardagh, Fred Thomas, Bert Short, Charlie Morow, and the captain.

The players available are Jock Hunter, Reddy McMillan, Ambrose Le-Donne, H. Rooster, C. S. Morow, Donald, L. DeGray, E. Kennedy, B. Whitham, D. Phin and several other good young players.

There should be no difficulty in selecting a strong team for the season. It is likely that Brockville will again play in the Federal League if that organization continues to exist. The president, G. A. Stiles, is anxious to hear from the other clubs as early in the season as possible.

Cornwall Hockey Club.
CORNWALL, Nov. 22.—So far the prospects of the Cornwall Hockey Club for 1908 have not been discussed to any extent, but it is likely that the line-up will be fully as strong as last season.

Among the players available are Jock Hunter, Reddy McMillan, Ambrose Le-Donne, H. Rooster, C. S. Morow, Donald, L. DeGray, E. Kennedy, B. Whitham, D. Phin and several other good young players.

There should be no difficulty in selecting a strong team for the season. It is likely that Brockville will again play in the Federal League if that organization continues to exist. The president, G. A. Stiles, is anxious to hear from the other clubs as early in the season as possible.

Brockville to Re-Enter Federal.
BROCKVILLE, Nov. 22.—(Special.) From an agitation now on foot, it is quite likely that Brockville will re-enter the Federal League this winter. The club has been in the O.H.A. since last year's season, but has been unable to form the basis of a team. The club produced three or four really good men, who could hold their own in senior company. For two of the vacant positions, McBride and Marks, formerly of the Canadian Soo, are mentioned as a cover-up. Both are splendid players and former members of the Brockville team. Both are now in the Federal League and have been brought into existence. It is present plans to have a new club in the O.H.A. in connection with the O.H.A. this season. The entire support will be given to the Federal League.

Northern City Hockey League.
The first meeting of the Northern City Hockey League will be held at the Aurora Ice Club room, Avenue-road, Friday night, Nov. 22. All clubs interested are requested to have a representative at this meeting.

It is the strongest in the city last year and there is every prospect of it being as strong this year. The league is now in the hands of the strongest in the city last year and there is every prospect of it being as strong this year.

Hockey Goals.
The first meeting of the new executive committee of the O.H.A. was held last night, when the group of the different clubs will be arranged. Clubs may wish to have a representative at this meeting. The secretary is W. H. Hewitt, Daily Star.

The Broadview Junior hockey team organized last night at the institute for the coming season. The team will be arranged by the Broadview Junior hockey team. The team will be arranged by the Broadview Junior hockey team.
