### THREE-GOAL LEAD FOR THE PADDLERS

#### Defeat R.M.C. in O.H.A. Junior Semi-Final, on Kingston Ice.

#### BURCH BRIGHT STAR

Kingston, Feb. 24.—(Special)—Toronto Canoe Club hockey team experienced no difficulty in defeating the juniors of the Royal Military College in the first game of the semi-finals of the O.H.A. last night, winning by a score of 5 to 2. The first period ended with the score 2 to 2, and second 4 to 2 for T.C.C.

The Toronto team was master of the situation from the start to the finish. It was not for the wonderful work of Mundell, the net guardian of the Cadets, the score would have been much larger. For the most part, Mundell went out of the net and stopped the Toronto men from scoring.

The Toronto team scored four of the five goals made by his team, was about the best man on the ice. White also showed up prominently.

The first period showed both teams playing rather rugged hockey. T.C.C. appeared to be very confident of victory, as none of the men over-exerted themselves. The tallying opened with White scoring after four minutes of play from a lone rush. Burch made the score T.C.C. 2, R.M.C. 0 after a pass from McCurry.

The Cadets started to tighten up and McDougall found the net on a shot from the corner. The same player tied the score after eighteen minutes of play. Mundell saved many sure goals by going out and meeting the Toronto players.

The second period showed T.C.C. to have the best of the play. Time after time the forwards worked the puck up to the net and McDougall found the netting block. Burch broke thru twice and registered, putting his team in the lead. White was the most dangerous man, but had hard luck with his shooting. McDougall for R.M.C. could get thru, but not with the Toronto defence.

The final period was featured with the paddlers on the offensive. Burch made the score 5 to 2 in favor of Toronto. The Cadets were checked to standstill. Both teams continued to rush up and down the rink, but the game ended with no further scoring.

The teams were: T.C.C. (2) Goal, Mundell; defence, Wright and McDougall; centre, Lutterford; wings, Mackenzie and Walker; forwards, Earnest and McCurry.

R.M.C. (5) Goal, McDougall; defence, Conacher and Applewhite; centre, Burch; wings, White and McCurry; forwards, Heuston and McEwen.

The stage is all set for the "Clarry" Hagan benefit fixture tonight at Ravina Rink, between St. Anthony's, winners of the Western C.O.F. hockey championship, and St. Helens, runners-up. The game will start at 8.30, and will immediately follow the most dangerous man, but had hard luck with his shooting. McDougall for R.M.C. could get thru, but not with the Toronto defence.

### TWO GAMES STAGED IN BANK LEAGUE

#### Hamilton Beat Nova Scotia and Montreal Down the Standard.

The Bank League held away at the Arena last night when two games were staged. In the first tussle Hamilton and Nova Scotia provided an interesting contest, with Hamilton scoring the winning goal in the last minute of play. The score was 5 to 4 and about indicates the play. Montreal scored many sure goals by going out and meeting the Toronto players.

The second period showed T.C.C. to have the best of the play. Time after time the forwards worked the puck up to the net and McDougall found the netting block. Burch broke thru twice and registered, putting his team in the lead. White was the most dangerous man, but had hard luck with his shooting. ### ST. ANTHONY'S A GOOD TEAM

Early in the season it was predicted that St. Anthony's C.O.F. hockey team would be the Western C.O.F. champion. The prediction proved to be correct, as they have won the premier honors in the league. This was due to the proper coaching of Wilson Bowman, who has managed to enter the team in the final stages of the season.

The regular day for seat sales of Saturday night games at the Arena is Thursday, but the game for the Toots Thinkers will have a change this week. This morning at ten o'clock the sale will open for Saturday night games. The program between St. Patrick's and Ottawa.

### THE FINISH CAME TOO LATE

Vancouver, B.C., Feb. 24.—"There's always a chance," yelled Lester Patrick as he finished his interview with 12 minutes left to play in the third period, and Vancouver had Victoria stopped by a count of 2 to 1. The victors were further handicapped by the worst of the breaks. No team ever played in harder luck than the visitors from start to finish. While Vancouver was very much in form, the game was more evenly fought than the expected count would indicate.

### WHOEVER SIGNS, DEMPSEY WILL GET THE FIGHT

Paris, Feb. 24.—That a fight between Georges Carpentier and Jack Dempsey for the heavyweight championship of the world will go to whatever promoter succeeds in signing Dempsey to a contract is the gist of an interview with 12 minutes left to play in the third period, and Vancouver had Victoria stopped by a count of 2 to 1. The victors were further handicapped by the worst of the breaks. No team ever played in harder luck than the visitors from start to finish. While Vancouver was very much in form, the game was more evenly fought than the expected count would indicate.

"I have given my signature to C. B. Cochran of London, Theodore Vienne of Paris, William Fox of New York and Rickard, as I shall give it to anyone who shall bring me sufficient guarantees, always, however, with the provision that Dempsey's signature be obtained," said M. Descamps. "Carpentier and I will leave for the United States March 12."

### PLAY OFFSIDE IN COLLEGE RUGBY

#### Rules Amended According to the Shag Idea and to Be Generally Adopted.

The following despatch from Toronto appeared in The Montreal Gazette on Monday, after the trip of Billy Morrison and the McGill hockey players and their manager to this city, and looks to conform with the Shag idea of the new rules that are slated to go officially on the Intercollegiate records:

Several changes in the playing rules that will add to the interest in Intercollegiate rugby football next season were decided on at a recent meeting of the rules commission of the Intercollegiate Rugby Football Association.

The commission decided on a distance of four yards. This will permit the use of the Shag idea of the new rules that are slated to go officially on the Intercollegiate records:

### THREE PLAYERS ARE MIXED IN SCANDAL

#### Chicago, Feb. 24.—The first statement was made yesterday that three major league players of some prominence would not be seen in any championship game this year, as the result of a secret investigation which has been carried on for some time, and which has left behind it no names were mentioned for obvious reasons, but it is understood that the contracts were sent to these three players calling for so much less than they received a year ago that there is little or no chance of their signing.

Rumors of this came out at the recent meeting in Chicago two or three weeks ago, but it was not until now that the matter has now come to a head.

#### Recalling the Fact That Busher Manager Once Won World's Championship.

It always has been the regret of Frank Bancroft, the veteran business manager of the Cincinnati Reds, that he did not keep a scrap-book and thus preserve the roasts that were handed him, for he got many in the early days, when he was manager of the National League teams.

Banny tossed Cleveland once, and he had the Indians of those days cheer the White Sox by President Chester A. Arthur. A Cincinnati scribe, O. F. Caylor, noted the occurrence in this way:

"Frank Bancroft had his alleged ball club invited to the White House. The next day President Arthur died to find after having given orders to have the White House 'thoroughly fumigated.'"
