MADE IN CANADA

STRATHCONA'S VIEW.

(Canadian Associated Press Cable.) London, Jan. 5.—Lord Strathcona, interviewed by the Standard regarding the refusal of Admiral Boscawen to allow the Canada to accompany the North American Squadron, said he felt very sure that the Canadian would realize the admiral's reason perfectly and its value. It was well known in Canada that the admiral's refusal was a purely tactical one and that the Canadian would not be allowed to accompany the North American Squadron.

LEAVING BRITAIN.

(Canadian Associated Press Cable.) London, Jan. 5.—The world of travel has been very busy in the last few days. The Canadian has been very busy in the last few days. The Canadian has been very busy in the last few days.

MERITED SUCCESS

Baseless Attacks Upon the Reputation and Business of a Physician are Without Avail.

There lives in Buffalo, N.Y., a man who is widely known as the proprietor of the Pierce Family Medicine. Dr. Pierce has lately been the subject of a public attack because of the unwarranted attack made upon his medicines by a certain periodical, which charged that they were not what they were represented to be by the doctor. He presented a retraction, which was published in the journal in question for \$200.00 damages. Upon the filing of a retraction, was refused by the editors, who acknowledged that their statement was entirely without foundation, but nevertheless had the attacks have still been made upon Dr. Pierce and his business.

Dr. Pierce's business, which has its centre at Buffalo, where he has a large laboratory known as the "Pierce Dispensary," and a hospital known as the "Pierce Hospital," for the treatment of various ailments by a large staff of physicians, is the result of thirty-eight years of honorable and honest dealing with the public. Dr. Pierce has been the subject of many attacks, but he has always been successful in his business.
