### Beyond their Expectation.

Mr. J. R. ALLEN, upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles, and Kidney Complaint. She had a pain in her back so bad that she could not straighten herself for some time after she arose in the morning. Her legs frequently cramped so much that she could scarcely turn over in bed at night. In fact, she was suffering untold agony in both body and mind. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and I am happy to state that before one bottle was used the benefit she derived from it was beyond our expectation. We can with confidence recommend it for such complaints as she had, and hereafter we shall always keep a bottle of it on hand as our family medicine."

Mr. W. THAYER, Wright, P.Q., had **Dyspepsia for Twenty Years.** Tried many remedies and doctors, but got no relief. His appetite was very poor, had a distressing pain in his side and stomach, and gradual wasting away of flesh, when he heard of, and immediately commenced taking, Northrop & Lyman's Vegetable Discovery. The pains have left, and he rejoices in the enjoyment of excellent health; in fact he is quite a new man
