Selling Is Directed Principally Against Oil Shares

## RAILS ARE LOWER

Early Trading On Montreal Exchange Quiet and Prices Little Changed

NEW YORK, Jan. 14.—Profit-taking used still recesses in stock prices at the opening of today's market, with selling directed principally against the oil shares. Rail issues also worked over, Denver and Rio Grande profit-taking more than a point and New York Central and Chesapeake and Ohio yielding fractionally. Radio was notable exception, advancing a point.

Quebec in Montreal.  
MONTREAL, Jan. 14.—Early trading on the local stock market this morning was quiet with no price changes of interest, the only one of note being a drop of a point in Lawrence flour to 62. The most active issue was again Spanish River, which was off an eighth at 109 3/4, while the preferred strengthened 1/4 to 42 1/2. The balance of the list was quiet.

Cable Transfers.  
MONTREAL, Jan. 14.—Cable transfers, 4.70%.
