STOCKS DISAPPEARED

Twelve French Farms Stacked With
War Material.

Nantes, France, July 22.—Twelve
farms, quickly stocked with cattle and
machinery intended for the devastated
regions, have led to the arrest of their
owner, Pierre Jarry, secretary general of
a corporation handling the claims of
owners of devastated properties for gov-
ernment reparations, and have resulted in
the discovery of alleged irregularities es-
timated by the authorities at 20,000,000
francs.

It is charged that large quantities of
stocks and materials for the devastated
areas have disappeared and that the
amounts of some claims were multiplied
many fold, the alleged being that Jarry
pocketed the difference.

BONDS WENT FAST.

Toronto, July 22.—The excellent de-
mand that exists at present for short
term offerings was given another demon-
stration yesterday, when Hon. Peter
Smith, provincial treasurer, after his sale
of five million dollars, six months treas-
ury bills on Monday, authorized a further
sale of ten million dollars to the same
syndicate.

The entire fifteen million dollars in
treasury notes goes to a syndicate com-
posed of Dominion Securities Corpora-
tion, A. E. Ames & Co., Wood, Gundy
& Co., and A. Jarvis & Co., and the
price for the entire amount of \$2,027,
equal to 6 1/2 per cent.

The syndicate sold the whole of the
original \$5,000,000 within half an hour.
The extra \$10,000,000 is in two blocks,
half six month bills and the balance in
twelve month bills.
