Cobb's Knee Badly Hurt.  
Detroit, June 25—Published reports that Ty Cobb may be permanently out of baseball as a result of a recent injury to his knee were refuted here by Dr. A. Keane, club physician of the Detroit Americans. An X-ray taken immediately after the injury, according to Dr. Keane, revealed that the knee had been severely wrenched.

No ligaments were torn. His reports, the physician adds, showed that Cobb was progressing satisfactorily at his home in Georgia, but would not return to the game until he had completely recovered.

A Challenge.  
The Rochester Baseball Club wish to challenge the Renforth Outing Club to a game of baseball to be played at Rochester on Wednesday evening.

Moncton Here Saturday.  
The Moncton G. W. V. A. team, leaders in the city league in Moncton, will be here Saturday to play two games with St. Peter's. The first game will be started at 2:45 o'clock and the second in the evening at 6:45 o'clock. The visiting nine have been playing great ball and are anxious to secure a victory over the St. John boys.

St. Peter's vs. G. W. V. A.  
In the City League fixture this evening the G. W. V. A. nine will meet St. Peter's on their home diamond. The game will start at 7:15 sharp and should be keenly contested.

St. Peter's Juniors Win.  
The St. Peter's junior team defeated a team from the Syrian Association, on St. Peter's diamond, last evening, 7 to 3. The batteries were—for the winners, McCarthy and Moore; losers, Bashara and Ritchie.

Accept Challenge.  
The St. Peter's Juniors accept the challenge of the Adelaide street team, and will play them a return game on St. Peter's diamond on next Thursday evening.

Ruth is Big Attraction.  
New York, June 22—The Klites, according to advices from the west, have played to more than 200,000 fans in the thirteen games on the road this trip. In Chicago in spite of the cold spell that made the fans shiver in the grand stands, 30,000 saw four games. In Cleveland 35,000 paid to see four games, and on Sunday in St. Louis 40,000 was estimated that close to 50,000 fans fought their way into the park.

Sisler Hitting Well.  
Boston Globe—Get that, that boy Sisler is traveling! His batting mark is now an even 44, and when he makes our home hits he will have a total of 100 for the year. Sisler, in his fifty-four games, has failed to hit in only nine, but has one home run in each of the last ten games two hits, in nine games three hits, and seven times this year he has made four hits in a game.

His going recently, however, has been like wild-fire. In George's last twenty games he has set the remarkable mark of .594, having made fifty-four hits in his last ninety-one trips to the plate. The latter interpretation of the rule in question is covered by paragraph 48 of the rule book and at present provides that a ball shall be judged fair or foul according to where it passes over the boundary line of the actual playing field.

The new ruling will be the same as in 1919, which says that when a "batted ball passes outside ground or into the stands the umpire shall judge it fair or foul, according to where it disappears from the umpire's view."

Under the new ruling, if an umpire sees a ball land foul it must be called foul regardless of whether it passed over the boundary fence fair.

The change applies to both major leagues.

THE RING.  
Out-of-Doors Bout.  
Woonsocket, R. I., June 25—Young Moore of Providence, outpointed Roy Moore of St. Paul in twelve rounds of the first out-door boxing show held in this state here yesterday. The affair was held in connection with the St. John's Day celebration, and 4,000 people saw the bout.

Notes of Interest.  
Johnny Wilson and Soldier Barfield will meet at Newark on July 1. McTigue gained many admirers on his eastern Nova Scotia tour. The Glace Bay Gazette says: The champion is a fine clean-cut boy bubbling over with Irish wit and is a pleasing contrast to some of the boxers that have visited this burg in the past.

Leonard and White.  
Benton Harbor, Mich., June 25—Benny Leonard, champion lightweight boxer, arrived yesterday to start training for his fight with Charley White here on July 5, and was greeted by a throng. He then headed an auto parade, after which he went to his quarters at Eastman Springs. White, who has been working out here for several days, weighed publicly yesterday, tipping the scales at 128.

O'Hara Defeats Choyanski.  
Eddie O'Hara of Philadelphia defeated Steve Choyanski of New York, a ten-round bout staged in Montreal last night.

O'Dowd in Draw.  
Portland, Ore., June 25—Mike O'Dowd of St. Paul, former middleweight pugilistic champion, and Battling Ortega of Oakland fought a ten-round draw here last night.

TENNIS.  
Eastern Canada Championships.  
Toronto, June 25—Good progress was made yesterday with the eastern Canadian lawn tennis championships. The most interesting feature of the day was a game between Miss Sigmund of Boston and Miss Best of Toronto, which resulted in a win for Miss Best, 6-3, 6-0, and Biade of Toronto by 6-3, 6-4. The match between Miss Bancroft of Boston and Miss McDonald of Toronto resulted in a victory for Miss Bancroft, 6-4, 6-3.

In the men's open singles, R. L. James of Saratoga Springs and C. D. Henderson of Toronto reached the semi-final. James defeated Bowen of Buffalo, 6-3, 6-0, and Biade of Toronto by 6-3, 6-4. Henderson eliminated Taylor of New York in a three set contest, reversing the result of a match played between them two years ago.

Davis Cup Team.  
Wimbledon, June 25—The British Davis Cup team was selected yesterday. It comprises James Cecil Parke, Herbert R. Barrett, A. R. F. Kingscott and Theodore M. Marguerite.

YACHTING.  
Vanite Wins.  
Newport, R. I., June 24—The sloop Vanite defeated the Resolute today in their eleventh race in the elimination series for the honor of defending the American cup against the Shamrock IV, leading all the Irish by forty-two seconds corrected time and by one minute, fifty seconds elapsed time.

The batteries were—for the winners, McCarthy and Moore; losers, Bashara and Ritchie.

Through the Falls.  
Hilton Belyea, the well-known carman, performed a feat last evening possibly never before attempted in this city. In his racing shell he rowed up through the falls and into Marble Cove and back again to the harbor.

Jenny Lind of Northville, Mich. entrant, burst a blood vessel while warming for the 230 trot, and died on the track.

## PREPARING FOR BATTLE ROYAL

Scribes Had Their First  
Work-Out Yesterday in  
Preparation for Monday's  
Game with the Film Artists.

The hats are in the ring and preparations for the big battle which will be staged on St. Peter's grounds on Monday evening are in full swing. The formidable aggregation of baseball players who represent the various film exchanges in the city are looked to meet

the alleged baseball players from the staffs of the Telegraph and Times and it is said that with the delivery of the first ball friendship ceases.

The writers had their first workout yesterday and (censored) as it might give information to the enemy. Well, anyway, the newsmen tossed the ball around and went home perfectly satisfied that victory was within sight, unless somebody slipped up at the crucial moment.

The official coach used up a great deal of lung power.

Of course there are some of the scrib's team who are not sure of the rules of the game, but after the official coach of the team had used up a great deal of lung power, they knew a little more about it. Several of the "red" team were also present and got a few valuable tips. The Times special correspondent has promised to be in attendance on Monday evening.

It is said that "movies" will be taken of the game.

No Decision by  
Lloyd George Yet  
on the Jap Treaty

London, June 25—When Premier Lloyd George was asked in the House of Commons yesterday whether the government would consider the feeling that the Anglo-Japanese treaty should not be renewed until the British government had time to study the desires of "the new government which will come into power in the United States next March," he said that the British government was aware of that feeling, but could make no statement as to renewing or allowing the treaty automatically to remain in force for a year as the document provides.

QUEBEC MURDER  
TRIAL IS BEGUN

Quebec, June 25—(Canadian Press)—The case of the King vs. Jos. Remillard of Levis, charged with the murder of Lieut. L. Morrisette on the night of Jan. 27, commenced here yesterday. Five witnesses were heard and of these three gave the same testimony as at the trial of Remillard's son, Romeo, who was tried and found guilty of manslaughter in May.

ALL you have ever loved, or "cussed," in a boy! And a lot about men and women! As only Mark Twain himself could see it and set it down. The tale of a lad who "red from civilization," boarded a raft on the Mississippi, floated down, down, adventuring with a "King" and a "Duke" and old black Jim. The tale that will live as long as the world can smile, and men remember youth. Made into a picture in the truest sense great.

IN PARLIAMENT

(Canadian Press.)  
Ottawa, June 25—Yesterday in the House of Commons a resolution granting the government authority to extend the period of the Canadian wheat board was carried and a bill based on it given first reading. Third reading of amendments to the Indian act was postponed. An act to assist shipbuilding was given a second reading and put through committee stage, with amendments, and stands for third reading at the next session of the house. A resolution to amend the B. N. A. act respecting extra territorial jurisdiction of the Canadian parliament was adopted.

In the senate third reading was given the following bills: Canadian National Railways act; act to amend bankruptcy act; act to amend criminal code; act to revive and amend the naturalization act; act to regulate the inspection and sale of feeding stuffs and an act to amend the railway act.

PLEBISCITE SUGGESTED ON  
SUSSEX TRAIN QUESTION

Following a reply to the mayor's telegram by F. P. Brady, general manager of the C. N. R., in which it was stated that if the traveling public requested the Sussex train would be changed to the old schedule, a request was sent to the general manager asking that the train be changed and also that suitable train service be arranged for the suburbanites. It was suggested by F. A. Campbell, president of the Trades and Labor Council, that a plebiscite on change of time be held on July 10, when the prohibition bill will take place. The suburbanites do not favor a change.

"Rather absent-minded, isn't he?"  
"Extremely so! Why, the other night when he got home he knew there was something he wanted to do, but he couldn't remember what it was until he had sat up over an hour trying to think."

"And did he finally remember it?"  
"Yes—he discovered that he wanted to go to bed early."
