

FOR THE EMPIRE!

BRITAIN NEEDS MEN

LORD KITCHENER SAYS:—

"TO THE PEOPLE OF THE EMPIRE:—EVERY FIGHTING UNIT WE CAN SEND TO THE FRONT MEANS ONE STEP NEARER PEACE"

WHO WILL VOLUNTEER TODAY FOR OVERSEAS SERVICE

HERE ARE THE CONDITIONS

Recruiting for the New Brunswick Regiment Must be Completed Within Ten Days

THE VOLUNTEERS

THE PERIOD OF ENLISTMENT is for the duration of the war and for six months after termination if required.

THE RATE OF PAY is \$1.10 per day and found for seven days a week, equal to \$33.00 per month.

IF DISABLED, the soldier will receive a pension at such rates as may be fixed by the Government.

IF WOUNDED OR ILL, the soldier will be well cared for and sent back to his home at the proper time.

THEIR FAMILIES

SOLDIERS MAY ASSIGN any portion of their regular pay to wives or others, and such sums will be paid regularly to the persons so designated.

WIVES OF VOLUNTEERS will receive twenty dollars per month separation allowance from the Canadian Government over and above the soldiers pay.

THE PATRIOTIC FUND will supplement this with an additional allowance as described hereafter.

SHOULD ANY OF THE SOLDIERS BE KILLED, their wives and children will become wards of the Canadian Government, and generous provision will be made for them.

The National Patriotic Fund Committee has decided on a basis of distribution of funds among the wives and children, and other dependents of volunteers. It is estimated that a wife on her own account requires Thirty Dollars Per Month for her maintenance. The Canadian Government provides Twenty Dollars per month of this amount and the Patriotic Fund the remaining Ten Dollars, if required. Children between ten and fifteen years of age are allowed twenty-five cents per day; from five to ten years of age, fifteen cents per day; and under five years of age, ten cents per day. Thus a wife and three children of the ages of three, seven and twelve, may receive a total monthly allowance of Forty-five Dollars, of which Twenty Dollars is payable by the Canadian Government and Twenty-five Dollars by the Patriotic Fund. This is of course in addition to the Thirty-three Dollars per month paid to the soldier, and which may be assigned by him to his family.

Besides the above, provision is made for a compassionate allowance for temporary extraordinary need such as accident, sickness, etc. In short, the whole purpose of the Patriotic Fund is so to supplement the Government allowance as to provide all reasonable comfort for the families of men in service. Such provision, in each individual case, is subject to the report of local committees, who shall consider all the circumstances of families affected, with respect to the earnings of members of such families, amounts received from former employer of the soldiers, and other sources of income.

Every reasonable provision is thus made for dependent relatives, and volunteers need have no anxiety regarding the welfare of those left behind.

The 26th New Brunswick Regiment, 2nd Canadian Overseas Expeditionary Force requires Six Hundred more men at once. The full strength must be completed in ten days.

WHO WILL ENLIST?

GEM'S ROMANCE OF WAR

Fascinating, thrilling, positively charming production in
three parts, each replete with romance and adventure

"The Red Cross Nurse"

The story of "The Red Cross Nurse" is not one of the old hack-
neyed type. It is something entirely new, and original, and deals with
characters and scenes in the present war. The nurse herself is of royal
blood, and her kindly father forbids her marriage to one who is thought
beneath her rank. The climax to the romance is wrought through a
courageous act of the nurse on the field of battle, and wedding bells for
a brief period give way to the noise of battle.
