An Offer of \$10,000  
London, Nov. 30.—Sheffield United  
football club actually made the Bar-  
nley club an offer of \$10,000 for Utley,  
Barnley's left half-back. He has already  
had his benefit at Barnley, and is now  
in receipt of wages of \$22.50 a week,  
whereas if he joins United he will not  
be able to draw more than \$20 a week  
during the first two years, and by the  
third year he will be paid \$25 a week.  
The club also is precluded from reciv-  
ing any share of his transfer fee. After  
prolonged negotiations between the  
United directors and the player concern-  
ing nothing satisfactory was arrived at,  
though it is probable the negotiations  
have only been temporarily suspended.

**GOAL SHOTS**  
The Ottawa will have a raft of ma-  
terial to choose a team from this winter.  
They will need the men, however,  
Manager Percy Leavitt has to build a  
new team.

The Britannias of Ottawa say they  
have landed Angus Dufford for their se-  
retive this winter. Guy Boyce will have  
a roster of about twenty-five when the  
practice season opens.

Ottawa College are to have three rink  
on their grounds at usual this year, but  
a big improvement has been made in  
the senior rink. The boards will stand  
four feet high, being built like a por-  
table fence. This will make the college  
rink one of the best outdoor rinks in the  
city, as good as an indoor rink, with  
the exception of the roof.

Philadelphia, Nov. 30.—"Jack" Combs,  
the Philadelphia American League Club  
pitcher, who has been confined to a hos-

about three weeks, before undertaking  
the journey to his home in Maine.

**ATHLETIC**  
Rhodes Scholar's Suggestion  
London, Nov. 29.—W. E. C. Murray,  
a Rhodes scholar of Vancouver, McGill  
and New College, Oxford, writes to the  
Times urging England to inaugurate an  
annual series of inter-scholastic athletic  
meets on the lines of the United States.  
He says the great schools of England  
have every bit as good athletic material  
if organized and trained, as himself, and  
has no objection whatever to the new  
regulations, the reasons for which under  
existing conditions are cogent.

The Daily Mail, following the lead of  
The Times, urges that the age limit be  
the only new restriction, and says that  
to true sportsmanlike spirit, and that  
dangerous rival acts as a spur, and not  
as a deterrent.

**Cross-Country Run**  
New York, Nov. 29.—From a field of  
thirty starters, Sidney L. Leslie, of the  
Long Island A. C., metropolitan junior  
champion, won the national amateur  
country championship of the amateur  
union over the six mile course at Van  
Cortland Park today, his time being  
24:42. Gaston Strobilo, of South Paterson,  
N. J., was second and Arthur Roth,  
Mehow, C. third.

**FOOTBALL**  
Army Defeats Navy.  
New York, Nov. 29.—The Army foot-  
ball team furnished a spectacular and  
confusing finale to the eastern football  
season of 1913 by defeating the Navy  
eleven today 22 to 0. Completely out-  
played during the opening period of the  
game, the cadets swept the sailors off  
their feet in the second period, and  
content by a combination of brilliant in-  
dividual and open team play that quick-  
ly rolled up an overwhelming lead.

**Hamilton Team Champions**  
Ottawa, Nov. 30.—Defeating the Ot-  
tawa seconds by fifteen to four, after  
one sided game, the Hamilton Y. M. C.  
A. club won the bid of many of last  
year's senior Alerts, won the champion-  
ship of the intermediate series of the  
C. R. U. on Saturday.

**Investigating Donnelly Matter**  
Montreal, Nov. 30.—In view of the  
wide publicity in regard to Joe Donnelly's  
murder standing, a thorough investi-  
gation is being made into the matter  
by the McGill authorities.

**RING**  
Yellow Peril Invades East  
Port Smith, Ark., Nov. 30.—Young  
Togo, a Jap fighter, the only Oriental  
in the ring has gone to Philadelphia for  
his benefit. He believes that with the  
proper management he will be able  
to regain his former self, when he was a  
fighter to all he met. He has never shown  
his real form since his bout with Bat-  
ling Nelson three years ago, when he  
stayed six rounds under the most diffi-  
cult circumstances.

**SILK HAT ORDER TO GUARDS**  
Controversy Raised Over New Regula-  
tion For London Officers

London, Dec. 1.—A recent announce-  
ment that officers of the Guards Regi-  
ment would be required, when not in  
uniform, to wear black frock coats and  
silk hats when in the neighborhood of  
Buckingham Palace is causing some de-  
bate in social and military circles as to  
the aim of the new order.

The British officer, as soon as he goes  
off duty, dons civilian clothes including  
ordinary derby hats and even caps. The  
new order for the silk hats was issued by  
Major-General Sir Francis Lloyd, the  
new general officer commanding the Lon-  
don district, and the question has been  
raised whether the intention is to live  
up to the traditions of the guards reg-  
iments that they should be leaders of  
fashion in line of dress.

On the other hand it is advanced by  
those who have been aroused by the or-  
der that no laws are unchangeable; that  
the motor car and the growing popu-  
larity of golf have changed all the laws of  
fashion, and that to insist upon a silk  
hat in London is barely less of a viola-  
tion in social and military circles as to  
the aim of the new order.

A subsequent meeting of the council  
decided that St. John's interests would  
best be served by having our case pre-  
sented to the railway commission by a  
competent expert; negotiations were there-  
fore entered into with different inde-  
pendent bodies in the U. S., pending  
the receipt of agreement and advice as  
to its hearing before the commission.

Mr. Gutelius visited the council on  
October 22, and presented his view of  
the agreement to the members, stating  
that it was a good business proposition  
for the railway.

Copy of the headings of the agree-  
ment was later received and discussed  
by the full board and the Hon. Dr.  
Pugley appointed to present St. John's  
case to the commission, while a request  
was sent the city council asking that  
they engage Recorder Baxter for the  
purpose and give our representatives  
authority to engage expert advice  
in preparing the case.

The agreement was placed before the rail-  
way commission, and in the meantime  
has gone into effect for six months, as
