Fire broke out in St. Henri among ome small houses and manufacturing es-

tablishments, and before the flames were got under control property to the value of \$50,000 was destroyed. Richot & Co., funeral directors, lost \$20,000. Twenty families were burned out. A little child of Mrs. Thibault had a narrow escape, but was finally rescued. The North British will have to pay claims amounting to \$3,500. Thibault had \$1,200 in cash in his house. All was lost. Early one morning fire broke out in the Mansion houce, Shelburne, run by John Witters. Mrs. Witters saw the smoke and promptly called her husband. The fire was put out. The hotel was filled with guests, some being delegates to the Dufferin Teachers' convention now in progress. The hotel is a large three story building. Prompt efforts extinguished the flames and doubtless avoided a terrible disaster. The fire is supposed to

have originated from a cigar stub being thrown into a wood box. At the session of the synod of Toronto and Kingston, a communication was read from the secretary of the Dominion Alliance requesting the synod to appoint four delegates to attend the annual conference of the Alliance in Montreal. A number of members objected to complying with the request of the Alliance, holding that the latter was an organization of political rather than religious significance, and therefore the synod ought not to identify itself with it. It was finpa

ally resolved to instruct the clerk to ac-knowledge the receipt of the communica-tion from the Dominion Alliance, and to inform it that the Presbyterian church was not accustomed to send delegates to any deliberative body outside of its

GENERAL DISPATCHES. News in Brief From Various Parts o the World.

Paris, May 14.-Simon Pourhemire. the anarchist who was arrested on susicion of having caused the Avenue Klober explosion, has proved an alibi. Nevertheless, as an ardent revolutionist, he will be prosecuted under the new law against chronic evildoers.

•Rome, May 14.—The government has decided to end this week the state of siege proclaimed at the beginning of the anarchist outbreak at Massa and Carrara. In Sicily the state of siege will be ended immediately after the close of Deputy de Felice's trial.

London, May 14.—Capetown will send Sir John de Villiers, chief justice, and Sir Charles Mills, agent general in London, as delegates to the conference which will be held in Ottawa to arrange for closer trade relations between the

British colonies. Sir John de Villiers will sail to-morrow. Berlin, May 14 .- The Sydney corres pondent of the Frankfurter Zeitung says that on March 3 and 4 a severe earthquake shook Mioka in the Bismarck ar levelled to the ground. The missionar-ies and traders suffered heavy losses and were exposed to great danger in the ru-

ins of the buildings. Paris, May 14.-In speaking of the Lyons exhibition to-day, M. Raynal, minister of the interior, said that although the tariff policy had been abandoned in France the future was likely to prove that its supporters were right and prop-erly understood the country's interests. Berlin, May 14.-The international congress was opened here this morning with an attendance of ninety delegates. The socialistic element largely predominated. The principal subject of discussion by the convention is that of the establishment of a legal working day of eight hours.

Buda Pesth, May 14.-Baron Vay, president of the house of magnates, died this morning. He was 93 years of age.

London, May 14 .- The executive com mittee of the National Liberal Federation has issued a call for a conference to be held at Leeds on June 20, for the purpose of formulating a plan of cam-paign against the house of lords. The circular calling for the conference deis a standing menace to the liberties of the people, and it is necessary to pracbe surmounted or removed.

on both sides, and before the police arrived one man was shot dead and several severely injured. The police separated them and arrested fourteen men who were in the thick of the fight, and were retiring with their prisoners when the mob turned on them and tried to rescue the men under arrest. The police charg-

ed and the mob fired their revolvers at them. More police arrived and they arrested more rioters and the mob was then dispersed.

Austin Crooks is an iron moulder by trade and a brute by nature. Saloon brawls were his delight and crooked riding was so common with him that he left an unsavory reputation everywhere he raced. At Cleveland he was ruled off

the track, while protests occurred almost the track, while process occurred almost constantly elsewhere. When I first knew him he was a member of a Buffalo cy-ding dub which had but seven members, and one of its rules was that each member must be drunk every Saturday night.

At Chicago, when I saw him last, he was offering to sell me a diamond which he expected to win that afternoon. He did win it, and an eastern friend of mine is now wearing it, I believe, though at that time Crooks was an amateur, and amateurs are not allowed to sell their prizes.

Zimmerman and Wheeler are of a different class than the other Americans racing in France.

Harry Wheeler is just a lucky young man hardly out of his teens. Harry rode in the N. Y. A. C. team with Zimmerman in 1892, and in the winter of that year found himself south with "Zimmy" and "broke." Zimmerman let Harry beat him in a local race so that Wheeler could get a job booming some leading make of bicycles. It worked, and Harry

has been succeeding ever since. PEDESTRIANISM.

SHERKEY'S LONG WALK. Trenton, N. J., May 16.-Samuel W. Sherkey, who left Pittsburgh on April

1st on a trip around the world, for a wager of \$10,000, arrived in Trenton yesterday and will rest two or three days preparatory to walking to New York. Sherkey left Canton, Ohio, to join Coxey and accompanied the commonwealers to Washington afterwards returning to

Pittsburgh, where the wager was made. The articles of the agreement stipulate that he must walk the entire distance, except where water or a desert bar the way, and he must be gone not more than

five years and have \$5000 in his possession on his return. In going around the world he must touch the Congo, South Africa, and Pekin, China. After the conclusion of his engagement with a New York museum he will sail for Liverpool clares that the upper house of parliament on June 30th. Sherkey claims to have spent some time in the service of the regular army. He expects to reach San tically determine how that obstacle can Francisco in 1899, returning to Pittsburg over the same route which he took Dublin, May 14.-A Catholic mob at- in his pedestrian tour from San Francisco tacked an Orangemen's funeral proces- to New York. Sherkey said yesterday sion yesterday afternoon in Portadown- that he was kidnapped by gipsies when on-the-Bann. The Orangemen fought nine years old, and he has been in every back. Revolvers and clubs were used state of the union on a tramping tour.

> YACHTING. THE VIGILIANT'S TRIP.

New York, May 16 .- George Gould and family sailed on the Paris to-day for Southampton. He says the Vigilant will leave for the other side as near the first of June as possible, and she would be raced for all she was worth.

THE QUEEN'S CUP.

London, May 15 .- In a letter to the Hamburg, May 14 .- Prince Bismarck's Field, Tankerville Chamberlaine proposes sciatica has grown worse and his walks in the park have been stopped by the doctor. He has been obliged to decline built in Southampton, so far as Englaud to receive the Hungarian and Westphali-an delegations at Freiderichsruhe, and lates that the crews of the American his journey to Varzin has been postpon- yachts competing must be entirely Ameri-

ATHLETICS

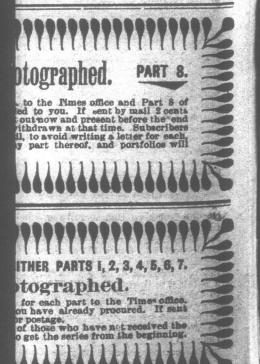

Accross the Continent. San Francisco, May 15 .- Edward Preissig, who is to ride by wheel from New York to San Francisco, writes that he expects to begin his ride about May 20th, though the exact date has not yet een determined. He has prepared a ime schedule of sixty-five days in which to reach his destination. He expects to arrive at Syracuse, 316 miles by the road ook, in four days. Here he will rest a day. His next resting place will be at Neveland, 353 miles further on, in four days. Then he is scheduled for Chicago five days later. He expects to make North Platte, Neb., 1,866 miles, in 29 days from the start; Carbon, Wyo., 2, 348 miles, in 37 days; Ogden, Utab. 2,634 miles, in 44 days; Reno, Nev., 2,-10 miles, in 51 days; San Francisco, 3,518 miles, in 65 days.

This will keep him jogging along at a very good pace. Mr. Preissig has chosen a Stearnes wheel as his mount and the New York Tire company's self-healing tire to ride on his long trip.

Replied to the Archbishop.

San Francisco, May 15 .- Mrs. Jane Bruner addressed about 100 people in Metropolitan hall last evening. The burden of her discourse was a reply to Arch bishop Riordan's article, which presented arguments against the use of Meyers History in the public schools. Bruner criticised the archbishop's stateents severely, taking particular exception to the claim that the reformation began by Martin Luther put back civilization a couple of centuries.

Washington, D. C., May 14 .- The U.S. preme court to-day refused Coney Island McKane's application for a writ against Warden Durston of Sing Sing for McKane's release.

On the vote the gov-59 points against 53. The contest was ernment got only nine majority, and very exciting, and was only decided by the opposition set up a hideous din of the next to the last event, when the un jubilation. The situation is extremely expected happened, Sheldon of Yale decomplicated, if not critical. The popular featinf Bloss of Harvard. In the 220 hostility to the military expenditure is run the final heat was won by Bremer, '95, Harvard; time, 24 3-5 seconds. This breaks the world's record by one-fifth of spect to consequences. The semi-official a second. The sixteen pound hammer papers hint that a dissolution is likely. throwing was won by Hickok, '95, Yale: After the vote the chamber was found distance, 113 feet 11 inches. This breaks The the intercolegiate and world's records vote therefore was nullified and the from a stand. whole question will be debated again to-The foregoing dispatch appears as it

was received, but it is undoubtedly inaccurate, or the time and distance have been wrongly transmitted. The world's ecord for 220 yards is Jewett's, 21 3-5. Barry, the Irish amateur, and Queckberner, of the M. A. C., have sent the sixteen pound hammer nearly twenty feet farther than Hickok's throw, Gray of the M. A. C. still holds the record at over 140 feet .- Sporting Ed.

THE TWO STRONG MEN.

San Francisco, May 15 .- Irving Montgomery Sandowe has filed a belligerent inswer to the injunction suit against him by Sandow, "the perfect man." Sandow charged that the man with an e tacked to his name imitated in a base fashion all the Sandow feats of strength, imitated in a still baser fashion the Sandow appleaded not guilty, and was held in pearance and makeup and in general gave performances that misled the pub-

Montgomery Sandowe denies all this The following matches will be played and says further that he would not conon the mainland in the junior championdescend to look like his rival or to give as ordinary an exhibition of strength. In June 9-Westminster juniors v. Vanhis turn he charges that Sandow has injured his business, reputation and pros-pects. He finishes by demanding \$50,000 Vancouver damages and an order of the court "e-June 30-Moonlighters v. Westminster straining Sandow from giving exhibitions or feats of strength under the title of "Sandow." In other words, Montgom-July 14-Westminster juniors v. Vanery makes about the same charges July 21-Moonlighters v. Vancouver juagainst Sandow that Sandow makes against him, only in addition he asks for \$50,000 damages. Sandow, in his com-plaint, said he did not ask for damages against Montgomery because the latter was too poor to pay them.

The case is set for trial next Thursday.

THE RING.

FEATHERWEIGHT FIGHTERS. Kansas City, Mo., May 14 .- Johnny Van Heest is to come against Jack O'Keefe, of this city, to-night for a purse of \$500 and a stake of \$500 a side. The meting will be held in private, with about fifty spectators. O'Keefe is considered decidedly clever, but the opinion is that Van Heest will win. If he does he will issue a general challenge for the featherweight championship.

If ever a man feels like "a poor worm of the dust," it is when he suffers from that this discouraging physical condition and imordinary, his stamping ground being the drive at the lower end of the island. From Detroit he went to New York and the whole body.

Aug. 11-Moonlighters v. Westminster juniors, at Westminster. The champion junior teams of the island and mainland will play at Victoria Aug. 25. THE WHEEL. Choynski any cause for the assault.
