GIRL ACCUSED OF FORGERY.

Alleged to Have Taken Cheque From Her Husband's Mail.

Bellingham, Wash., May 6.—Sobbing as if her heart would break, Mrs. Helen Briner, the pretty 18-year-old wife of Albert Briner, a mail carrier on Orcas Island, appeared in the police court this morning to answer a charge of forgery.

The woman's husband, who apparently is twice her age, stood by in silence. Bail was fixed at \$500 and the girl was held to the superior court. Her husband was secured and the defendant released.

According to the report, the cheque which Mrs. Briner is accused of having forged was taken from a mail sack that had been left in the Briner home overnight by the mail carrier. The cheque was made out to L. C. Rudow for the sum of \$11 and was from Thos. Ryan, of the shipbuilding firm of Moran Bros. of Seattle.

A field-officer in the army is an officer above the rank of captain, as a major or colonel, competent to command a whole battalion.

QUESTION OF REAL ESTATE COMMISSION

Claim Made on Basis of Being Sole Agents, Although Another Made Sale.

A knotty point in regard to real estate commissions is involved in Sam Chong and Kwong Chong vs. Lee & Fraser, heard by Judge Lampman in county court Friday.

The plaintiffs sued for \$46.65, balance of rents of property on Mason street, a frame house, \$22.95 by consent, while defendants had counter claim for \$57.50 commission on the sale of the same property.

Sydney Child was for the plaintiffs and Frank Higgins for defendant.

Arthur Lee stated that in September last the property had been put in the hands of his firm as sole agents for sale, the price asked by Lee & Fraser being \$1,400. Some offers were received, but all were lower. One of these was from one Rogers, for \$1,150, but Kwong Chong refused to accept this.

Later on the firm learned that a sale had been closed with Rogers at this price. Kwong Chong came to the office to see about the balance of rent due and was shown that there was \$26.05 coming to him. On being asked for being on the sale of the property he did not want to pay it but finally he asked the firm if they would take the \$26.05 and call it square. This they refused to do.

A. B. Fraser, Jr., corroborated this testimony.

Kwong Chong said the property had been listed with Lee & Fraser and was also in the hands of Frederick Hodgson, who ran a Chinese paper. It was Hodgson who made the sale and he kept the five per cent. commission on of the purchase money.

Kwong admitted to Mr. Higgins that Hodgson had advised him to take action against Lee & Fraser.

Mrs. Jeannette Rogers said she had seen Lee & Fraser about the house through the sign and learned the price was first \$1,200 and then \$1,400. Later on she was taken by Hodgson to several places, one of them being on Mason street property. On a subsequent occasion he told her the price was \$1,275 and at this figure the purchase was made through him.

Frederick Hodgson said the property had been listed with him by Sam Chong, who wanted \$1,275 for it. He effected the sale to Rogers. Kwong Chong paid him the commission, \$75 in cash.

The defendants, Frank Higgins argued that in view of the fact that Rogers' attention was first drawn to the property by inquiries through Lee & Fraser, and that Kwong Chong was willing to compromise, the fact that the sale was effected through Mrs. MacTavish, Mr. M. O. Hammond and Mrs. Hammond, Miss L. B. Durand, Mr. Cyril W. Knight, Dr. Stowe and Mrs. Stowe, Dr. J. B. Gullen and Mrs. Gullen and Dr. Helen MacMurchy.

NEW SCHEDULE FOR CITY OF NANAIMO

Coasting Steamer to Be Very Busy During Summer Months.

The steamer City of Nanaimo is to be a busy boat during the coming summer. There will be no lay-up in port for a day or two at the end of the week. She will be running day and night if the schedule just drawn up for her is carried out.

Under the new arrangements the City is to visit Union Bay twice a week and make one trip to Vancouver and one to Victoria. She leaves here an hour earlier than formerly on Tuesdays, getting away from this port at 8 a. m. and going through to Comox, with stops at Sidney Island, Crofton, Kuyper Island, Thetis, Bear Harbor and Nanaimo; the other ports of call, Burgoyne Bay, Vesuvius and Adamsmith being only flag ports to be visited when business offers.

It is expected under this arrangement that the steamer will reach Union Bay at 10.30 p. m. and she will leave again the following morning at 5.15, getting back to Nanaimo at 2.30. On Thursday she leaves Nanaimo at 7, visiting Comox and back to Union Bay. Then on Friday she makes the big run from Union Bay, leaving early for Nanaimo and on to Vancouver, returning the same way on Saturday morning.

Early on Sunday, a few minutes after midnight she then makes her home run to Victoria via Nanaimo, arriving somewhere about midnight.

GETTING READY FOR THE SEATTLE RACES

J. B. A. and Vancouver Expected to Take Part in Them.

Seattle, Wash., May 7.—According to a telegram which was received by Victor Zednick, graduate manager at the University of Washington, from Manager Merritt, of the University of California, the Berkeley institution positively refuses to consider the question of entering the proposed Pacific Coast Rowing association.

If the University of Washington insists on holding the regatta May 29th under the auspices of the proposed association, the California crew will not participate in the triangular race between California, Washington and Stanford.

Manager Zednick returned from a trip to British Columbia yesterday and feeling assured that both the James Bay Athletic Association of Victoria and the Vancouver Rowing Club would enter four-oared crews against thearsity of this year.

The Algonquin did it last year, and it is customary to take it in turns. She does not aim to get to the sealing grounds until about August 1st, as the Behring Sea awaits the patrol of the Algonquin.

Some of his explanations were most suspicious.

The candidates for entrance to the Royal Military College at Kingston will present themselves for examination at the garrison school, Work Point barracks, on Tuesday.

DINNER TENDERED TO AGNES DEANS CAMERON

Toronto Suffrage Association Honored Local Lady on Recent Visit There.

At the banquet given in Toronto recently to Agnes Deans Cameron by the Toronto Suffrage Association some very witty and entertaining speeches from prominent citizens lightened and made exceedingly pleasant the progress of an affair which in itself was sufficiently noteworthy for the character of the guest, and those who came together to do her honor.

Dr. Augustus Stowe-Gullen presided, and Rev. R. J. Hutcheon, asked grace. A toast to "The Alumnae" was proposed by Dr. Margaret McAlpine, and replied to by Dr. Lila Davis.

The toast to "The Alumnae" was introduced by Mrs. Flora MacDonald Denison, and Mr. J. A. Macdonald and Mr. Joseph T. Clark responded. Dr. Augustus Stowe-Gullen, in a toast to "Our Guest," introduced Miss Cameron in a neat little speech.

Miss Cameron made an eloquent appeal that all Canadians should drop sectional prejudices, founded for the most part on ignorance of other parts of the Dominion, and think of themselves as one people, with a common sympathy and a common patriotism with the inhabitants of every part.

She spoke of some of her travels in the far north of what possibilities yet undeveloped lay in those regions.

Her first solo voyage was in 1887, and she carried the audience with her and other qualities, and of the steps Canada needed to take if she wanted to get ahead of the United States in exploiting that region and making good Canada's claims of the Eskimo.

Miss Elsie Dickson Craig then gave some very amusing impersonations of people and their characteristics at different periods of their career, and further addresses were made by Dr. Margaret Gordon and Inspector J. L. Hughes.

At the head table to the left of Dr. Stowe-Gullen were the following: Mr. J. B. Tyrrell and Mrs. Tyrrell, Dr. Margaret Gordon, Inspector Jas. L. Hughes, Mrs. J. M. Coleman and Mrs. Flora MacDonald Denison. To the right were: The guest of the evening, Miss Cameron, Mr. J. A. Macdonald and Dr. McAlpine.

Among those present were: Prof. A. P. Coleman and Miss Coleman, Mr. McGilivray Knowles and Mrs. Knowles, Mr. J. Castell Hopkins, Mr. Robert Glasgow and Mrs. Glasgow, Mr. Edward Merrill and Miss Merrill, Prof. Watson Blair, Miss Watson, Dr. Fila Dor, Prof. Henry Montgomery, Mrs. J. A. Parker and Mrs. Parker, Mr. J. T. Clark and Mrs. Clark, Miss Nesbit (Hamilton), Mr. Campbell, Dr. Hume, Mrs. Wm. Houston and Mrs. Houston, Mrs. MacTavish and Mrs. MacTavish, Mr. M. O. Hammond and Mrs. Hammond, Miss L. B. Durand, Mr. Cyril W. Knight, Dr. Stowe and Mrs. Stowe, Dr. J. B. Gullen and Mrs. Gullen and Dr. Helen MacMurchy.

The June dates are practically filled, and will be announced next week. The Victoria Park ground is now completed and there will be a practice game Sunday, and the regular line-up will play four nights next week in practice games.

The Royal Park ground is now completed and the diamond will be finally rolled this afternoon. The only remaining improvement is the wiring of the stand, which will be finished early next week.

RECORD SHIPMENT FROM THIS PORT

Nearly Million Feet of Lumber Going on Indravelli.

(From Friday's Daily.) Steamer Indravelli is expected to return from Sidney to-morrow night after loading a large quantity of lumber at the Sidney mill. At this port she will take on almost a million feet of lumber which is being cut at Cameron's and Sayward's mills. This shipment will be probably the largest ever made from Victoria on any one steamer.

The Indravelli will also take a quantity of canned salmon at this port, and when she leaves will have a good cargo. She will probably get away on Tuesday bound for Suva and New Zealand.

SEAWATER FOR PATROL

Sloop-of-war Will Go North For the Opening of Sealing Season.

There is a rumor abroad among the officers of the sloop-of-war Algonquin that the vessel will be leaving port again before very long. She has only been away from port twice, extending over nearly six months, and is busily engaged in cleaning up and getting things in order.

The Shearwater is the vessel which is to patrol the Behring Sea this year. The Algonquin did it last year, and it is customary to take it in turns. She does not aim to get to the sealing grounds until about August 1st, as the Behring Sea awaits the patrol of the Algonquin.

Some of his explanations were most suspicious.

The candidates for entrance to the Royal Military College at Kingston will present themselves for examination at the garrison school, Work Point barracks, on Tuesday.

ENJOYABLE CONCERT GIVEN AT DUNCAN

Under Auspices of the Local Branch of S. P. C. A.—Prizes Presented.

Duncan, May 6.—The first annual concert held under the auspices of the Cowichan branch of the Society for the Prevention of Cruelty to Animals was held in the Duncan opera house last evening.

Miss Miles, of Victoria, who is a favorite with Duncan audiences, opened the program with a piano solo, "Widmung," by Schumann-Liszt, and as an encore "Gavotte," by Dreyfus-Schok.

Mrs. Graves of Nanaimo, sang "Angus MacDonald" and "Love's Old Sweet Song" very sweetly. Mrs. Wm. Martin gave as "cello solo" "Salut d'Amour," by Edward Elgar, and "Romance Sans Paroles," by Golttermann, both of which were enjoyed.

Lacon Alton, who has a fine tenor voice, sang "Because," and as an encore "Melisande," and in the second part of the programme "The Yeoman of England," and as an encore "My Gentle Child."

One of the finest parts of the programme was undoubtedly the violin playing of Miss Herrmann, who was insistently recalled after each selection and received a beautiful bouquet.

Her first solo was "Air" (on G string), by Bach, and as an encore "Traumerei," by Schumann. In the second part she gave "Souvenir de Sorrento," by Guido Pagnini, which was played with fine and vim that carried the audience with the player, and as an encore Miss Herrmann played the "Serenade," by Plerne.

Maris Hale made his first appearance before a Duncan audience, and his singing was one of the features of the programme. Mr. Hale has a magnificent baritone voice, and every song was encored. In the first part Mr. Hale sang "Rose Benedicta," by Holmes, and "Border Ballad," by Cowen, and in the second part "The Trumpet," by Dix, "Long Ago in Alcalá," by Messager. His finest song was perhaps his last, "The Village Blacksmith." Mr. Barrington-Foot kept the audience in fits of laughter and was most enthusiastically encored. His "Episode at a Village Entertainment" introduced variations of the "Charge of the Light Brigade." As an encore he recited what he called "A Poem." In the second part he sang "The Blue Sea," Mrs. Drysdale, an amateur, sang "Still as the Night," by Bohm, "The Promise of Life," and as an encore a song from "The Time, the Place, the Girl."

In the interval between the first and second parts of the programme Mr. Hayward, in a short speech, introduced Lindley Crease, of Victoria, who gave a short address on the objects of the society. He called attention to the fact that the society was for the prevention of cruelty rather than for its cure and how the word in time often stopped the cruel act.

Mrs. Scribner, with a few words, presented prizes to children, who had won the competition for the best essays on "Kindness to Animals." The following were the prize winners: Rupert Stephens, Glenora; Muriel Herd, Somers; Edwin Cortis, Corfield; Laura Bell, Wallace Whidden, Duncan; Hugh Hanham, Quamichan; Nessie Symes, Crofton; Elsa Auchincloss, Sahtiam; Arabella Welsh, Fern Harris, Duncan; Gertrude Kier, Somenos; and Rollo May, Chemulau.

At the close Archdeacon Scriven, on behalf of the audience, thanked those who had furnished such an enjoyable entertainment.

SHOT DOWN IN STREET IN SEATTLE

Saloonman Fatally Wounded by Baker, Who Is Arrested.

Seattle, Wash., May 7.—John Clorita, one of the wealthy members of the local Italian colony, and proprietor of a saloon on Washington street, was shot and fatally wounded by Joe Masoera, a baker, to-day. The shooting took place on Second avenue while the thoroughfare was crowded with pedestrians. Masoera had just emerged from a cafe when he saw Clorita walking along the street and drawing a revolver, shot him in the back. The shot attracted a great crowd and Masoera was placed under arrest by the police, who quickly arrived on the scene.

At the police station Masoera said that Clorita had tried to extort money from him and had interfered in a suit Masoera had filed against his wife for divorce.

Clorita was taken to the city hospital where it is thought he has no chance of recovery.

MONTREAL CIVIC INQUIRY

Montreal, May 7.—The civic inquiry became more interesting yesterday when Fred Leclaire, manager of the Theatre Francaise, was placed on the stand. Leclaire formerly was a tenant of Pierre Leclaire, the man who sold the building converted into number twelve police station to the city. The sale price was \$18,235. Leclaire's evidence was preceded by the evidence of a number of real estate experts that twelve thousand dollars was a very big price for the property.

On the stand Fred Leclaire swore that Pierre Leclaire told him on several occasions when consulting him in reference to the sale of the property that part of the consideration was that he should give Alderman Proulx, chairman of the police committee, a thousand dollars of the amount he received.

Fred Leclaire stuck to this story under severe cross-examination.

Pierre Leclaire denied it. Then he was asked to account for the manner in which he had disposed of the money, and which had a somewhat difficult time doing.

Some of his explanations were most suspicious.

LIGHTER'S CREW RESCUED

Chicago, May 7.—The mystery of the lighter Batavia, of the Leigh Transportation Company, abandoned in the terrific storm which swept the Great Lakes last week, was cleared up Wednesday when the steam barge Starplus put into Gary, Ind., with the Batavia's crew taken on board near Fox Island on Thursday, after the Batavia, in tow to Buffalo by the steamer Wilkesbarre had been cut loose in the gale. The abandoned vessel was taken by the Pere Marquette ferry No. 1 into Frankfort, Mich.
