

DEGREE OF BACHELOR OF MEDICINE AND SURGERY.

1. Candidates for this examination shall be required to produce certificates to the following effect :—

(1.) Of having passed the Matriculation examination, or other examination recognized as sufficient, at least two academic years previously, and of having completed their sixteenth year at the date of passing said examination.

(2.) Of having, after passing the Matriculation or other equivalent examination, attended in some College or University approved by the Faculty, two courses of at least six months each, in each of the following subjects, viz. : Anatomy, Chemistry, and two courses of instruction of the same duration in Practical Anatomy, in the course of which they shall have dissected the whole body (*i. e.*, the head and neck, the upper and lower extremities, the thorax and abdomen) at least twice.

(3.) Of having, after passing the Matriculation examination, attended either in the Halifax Medical College, or in some other College or University approved by the Faculty, one course of instruction of six months each in each of the following subjects, viz. : Physiology, Histology, Botany and Practical Chemistry.

2. Candidates will be required to pass written and oral examinations in Chemistry, Botany, Anatomy, Physiology, including Embryology, Histology, and shall also be required to pass a written and practical examination in Practical Chemistry.

3. The Primary M. B., B. Ch. examination will be held in the second and third weeks in April. Candidates are required to transmit the certificates specified above to the Secretary of the Faculty, at least fourteen days before the date of the examination, to enter their names in the Register of Undergraduates of the College before the date of the examination, and to pay before the date of the examination one-half of the amount of the graduation fee.

4. Candidates will appear for examination in Botany, Histology, Junior Chemistry and Junior Anatomy one academic year after passing the Matriculation examination, on presentation of the certificate specified above, so far as they apply to these subjects.

5. If so disposed, candidates may, at the end of their second year, elect to appear in any two (but not less than two) or more of the remaining subjects of the Primary Examination, provided always that Chemistry shall be one of such elected subjects.
