Woodstock, April 10th, 1861.**BLACKWOOD'S MAGAZINE.****AND THE**
BRITISH REVIEWS.L. SCOTT & CO, NEW YORK, continue to pub-
lish the following leading British Periodicals;
viz:—

1. The London Quarterly (Conservative).
2. The Edinburgh Review (Whig).
3. The North British Review (Free Church).
4. The Westminster Review (Liberal).
5. Blackwood's Edinburgh Magazine (Tory).

The present critical state of European affairs
will render these publications unusually interest-
ing the forthcoming year. They will occupy a
middle ground between the hastily written news
items, crude speculations, and flying rumors of
the daily Journal, and the ponderous Tome of the
future historian, written after the living interest
and the excitement of the great political events
of the time shall have passed away. It is to these
Periodicals that readers must look to the only
really intelligible and reliable history of current
events, and as such, in addition to their well es-
tablished literary, scientific, and theological char-
acter, we urge them upon the consideration of the
reading public.**Early Copies.**The receipt of Advance Sheets from the Bri-
tish publishers gives additional value to these Re-
prints, inasmuch as they can now be placed in the
hands of subscribers about as soon as the origi-
nal editions.**Terms.**

ceive their numbers free of U. S. Postage.
N. B.—The price in Great Britain of the five
Periodicals named is \$31 per annum.**Cheap Drug Store.**THE Subscriber having bought out the Drug establish-
ment and business of Mr. F. W. Brown of which he
has been the manager for eighteen months, intends to car-
ry it on, on his own account. From nearly four years ex-
perience of the business he feels confident that he can af-
ford to the public satisfaction, both as to the quality of
the goods which he will keep for sale, and in his own per-
sonal attention to the unking up of prescriptions, and to
the general wants of customers.On commencing business for himself he feels that his
success must depend upon strict attention to the demands
of the business, and to the quality of the goods he keeps;
and he trusts that in both these respects the management
of his shop will be such to insure a fair share of the pub-
lic confidence and patronage.

He will keep constantly on hand a full stock of

DRUGS & MEDICINES,

PATENT MEDICINES,

STATIONARY, PERFUMERY,

and an assortment of Toilet Articles, and a

GENERAL STOCK

of the goods usually kept in such establishments.

He would call particular attention to his stock of

PAINTS, OILS and DYE STUFFS,

of which he has a complete stock, which will be sold as

LOW AS ANY IN THE MARKET.

During the summer months a

SODA FOUNT

will be in operation. WM. DIBBLEE.

rence Station on the New Brunswick and Canada
