

SCOTS HONOR PATRON SAINT

Governor Fraser.

The address of the Nicht was then delivered by His Honor Governor Fraser. His subject was "The Day And A' Wha Honor It," and his address contained much humor and sound common sense.

In the course of his address he said the day stood for all that was characteristic of Scotland and its people. Never had he seen so perfect a speech as in Scotland with the exception of Frontenac, perhaps, of parts of the Maritime Provinces. He trusted he would not be considered vain when he said that any comparison would not find the Scots below any other people.

He believed the people of a country assimilated the nature of the land in which they lived and the people of Scotland had assimilated the characteristics of the land of the heather. All conquering people came from the north with its hills and vales. In the south effeminacy was found.

From father to son the idea had been handed down among the Scotch that God had placed them, where they would live and there they would die. But they felt it was not enough to work hard and be patriotic, it was necessary that their intellect should be developed.

In Canada today the people were running the nonsensical course of securing homely things and paid to much attention to the looks of their clothes and other matters of a trivial nature.

The Scots never wearied. As illustrating this part of their nature the speaker told how on one occasion when he as a lad had attempted to shirk a tiring task he had been called back to work and informed that "there's rest enough in the grave."

Labor and Work.

Labor and work and wise doing were what Canada needed today. And in conclusion he urged them to transplant to Canada the virtues of their fathers. They should feel they owed the same debt to Canada as their forefathers felt they owed Scotland.

The Lieutenant Governor was loudly applauded at the conclusion of his address.

Mr. Pidgeon sang "Scots Wha Hae" and as an encore sang "Mary Aragile." The president then read the following telegram:

Vancouver, B. C., Nov. 30.—President St. Andrew's Society, St. John, N. B.:—

Though east be east, and west be west,

And never the twain shall meet,

With a heart beating warm within

the breast of a Scot,

Our leal Scottish brothers we greet.

ALEX. MORRISON,

President.

The pessin' of the mill then took place and as usual afforded considerable amusement.

Major J. J. Gordon danced the Highland Fling in excellent manner, after which Miss Nase sang "The Bluebell of Scotland."

The singing of "And sae will we get," by Mr. C. K. Cameron, with the officers of the society and many of those present joining in the chorus brought the first part of the program to a close.

Supper Served.

About midnight supper was served. The supper room was appropriately decorated for the occasion. The most important event of the evening was the young man's presentation was the dancing that commenced at the conclusion of the first part of the entertainment. A programme of twelve dances and three supper extras was carried out.

The singing of God Save The King brought the celebration to an end.

There were some, however, that did not get home until a later hour.

At Fredericton.

Special to The Standard. Fredericton, N. B., Nov. 30.—Fredericton's Scotchmen held their St. Andrew's Day in royal style this evening with a largely attended smoking concert at the Knights of Pythias Hall.

President Eben Miller acted as chairman and an elaborate musical programme was carried out, one of the features being the appearance of Lawrence McLaren, son of Mr. J. S. McLaren, attorney, and Rev. Dr. John as player with Pipers W. H. Ross, and the veteran Honorary Piper of the society, Daniel Hossook of Stanley.

Piper McLaren² was also seen in Scotch dances which earned for him the tumultuous applause of the gathering.

Dr. D. R. Moore of Stanley made the speech of the evening in reply to the toast "The Day And Wha Hae." It was a scholarly and eloquent oration. During the evening greetings received from sister Scotland Societies of Canada were read.

Dinner in Campbellton.

Campbellton, Nov. 30.—The Caledonian Society of Restigouche observed St. Andrews Day by holding their annual dinner at this hotel at the Minot Hotel. A goodly number were present including a number of guests to enjoy the good things served by mine host Corman. The large dining room was tastefully decorated with tartans for the occasion and presented a very attractive appearance. Among the guests present were F. P. Brady of the L. C. R. board of management and J. L. Ralston of Amherst, and Messrs. Robb and Hopper of St. John.

Previous to the dinner the newly elected officers of the society were installed into office as follows:—George G. McKenzie, Treasurer; Henry Miller, Secretary; Wm. McMillan, marshal. Altogether a very enjoyable time was had by all present and the affair no doubt will assist in keeping alive the old traditions of which Scotchmen everywhere are so proud.

Quiet in Chatham.

Chatham, N. B., Nov. 30.—St. Andrew's Day was quietly celebrated here. The ladies of St. Andrew's church held a big tea and sale in the basement of St. Andrew's this evening, and hundreds were in attendance. Scotch emblems and plaids formed appropriate decorations. After the supper an entertainment was given in the hall, which was witnessed by a good sized audience.

Rev. Dr. MacRae Dead at Calgary

Governor Fraser.

Profound regret will be the feeling occasioned by the news of the death of Rev. Donald MacRae, D. D., which reached the city yesterday. For the past few years Rev. Dr. MacRae has been residing with his son, Archibald MacRae at Calgary, and death took place there on Monday evening.

Rev. Dr. MacRae is affectionately remembered here by the congregation of St. Stephen's church where he served twenty-three years as pastor, and he was also widely known for his scholarly and literary attainments. While still a comparatively young man he was elected to the high office of moderator of the general assembly of the Presbyterian church in Canada and discharged the duties of that position with much distinction.

Coming soon after the late Rev. Alexander MacRae, D. D., he was a delegate to the Pan Presbyterian Council at Philadelphia. He also attended the Symposium ac Christian Union held in connection with the Anglican Synod in St. John. He was a frequent contributor to religious periodicals.

Rev. Dr. MacRae resigned the pastorate of St. Stephen's church on June 1, 1880, to accept the principalship of Morris College, Quebec, and his departure from this city was much regretted. He remained at Morris College for two years, until the college closed. Since then he had done some supply work retiring a few years ago to live with his son, Archibald, at Calgary.

Rev. Dr. MacRae is survived by five sons and two daughters. The sons are Prof. A. O. MacRae, of Calais, John J. of Quebec; Rev. Donald M. of Glace Bay, N. S.; Kenneth J. of this city; and Colin C. of Vernon, C. B. Mrs. Silia Campbell, wife of Mr. Owen R. Campbell, manager of the Royal Bank of Canada at Glace Bay, N. S., and Miss Violet D. MacRae, of Calgary, are the daughters.
