ers yesterday for Bridgeport, Conn.,
with 1,300,000 cedar shingles, 750,000

plank, shipped by Stetson Cutler &
Co.

The northwest gale hurled a four-
masted schooner, the Mary Adelaide,
Randell, of Port Jefferson, coal laden
for New York, on to the ledges of
the west side of Block Island yester-
day. The schooner filled so rapidly
that the crew were driven to the
cross-trees from which position two
life saving crews had been unable to
reach them at 9 a. m. after four
hours of hard work. The wind was
blowing sixty miles an hour when
the schooner struck early today, and
it was four hours and a half later
before her crew of ten men was rescued
by the Block Island life saving crew.
The rescue was spectacular and was
accomplished only after the life sav-
ing crew had tried repeatedly to reach
the stricken craft. The Randall was
bound from Norfolk, Va., for New Lon-
don, Conn.

Steamer Guillemont from London,
for Genoa, founded in the Bay of
Biscay Dec. 21; captain and 15 of

rescuing the survivors of the Guil-
lemont the Lascaris saw another Span-
ish steamer founder with all hands.
