**AWAIT REPORT FROM
AMBASSADOR PAGE**

Washington, Dec. 30.—British inter-
 ference with first class mail passing
 from Holland to the United States
 was discussed today by Secretary of
 State Lansing and the Netherlands
 Minister, Chevalier Von Rappard.

The minister was informed that
 pending the receipt of a report from
 Ambassador Page in London or of
 more specific information than now
 is in possession of the State Depart-
 ment from other official sources, no
 definite action would be taken by this
 government. Requests for information
 have been sent to a number of the
 department's agents abroad.

Parcel post shipments from the
 United States to Norway, recently de-
 tained by the British, have been for-
 warding, unopened, to their destina-
 tion, according to advice received
 today by the State Department, from
 Minister Schedam at Christiania.
