

# GIRL STEALS CASH FROM HER EX-EMPLOYER

### Della May Scott Arrested for Breaking into H. G. Marr's Residence and Stealing Money and Clothing.

Miss Della May Scott, a young domestic, who claims Frederickton as her home, was arrested shortly before six o'clock yesterday afternoon by Police Constable Armstrong, on Mill street, charged with breaking into H. G. Marr's residence on German street, stealing clothing and about \$75 in cash.

The Scott girl had once been in the employ of Mr. Marr, but had not been working there for some time. Yesterday, shortly before one o'clock, the occupants of the house went out and returning in about an hour, found that some person had entered the residence by prying off a window screen in the rear. A suit case containing a quantity of the Scott girl's clothing and about twenty dollars of stolen money was found on the floor of one of the rooms, while about seventy-five dollars in cash was missing.

It is thought that when the Marrs returned to the house, the girl made a quick get-away, leaving the goods behind her. In addition to stealing the money the girl had attire herself in some of Mrs. Marr's clothing, leaving her own clothes behind. Mr. Marr notified the police of the break, and also went out to assist in the search. A few minutes before the time for the express to pull out for Montreal, Miss Scott was seen making towards the depot, and was given in charge of the policeman. When taken to the police headquarters and searched \$77 was found in her pockets.

# THE WAR SITUATION AS TOLD BY ENEMY REPORTS

### How Berlin, Vienna and Constantinople Turn Defeat Into Victory to Mislead their People.

Berlin, Oct. 5, via London, 4.35 p. m.—The city of Kronstadt, in the southeastern part of Transylvania and its leading industrial and commercial centre, which was occupied by the Roumanians shortly after their entry into the war has been recaptured by the Austro-German forces, the war office announced today.

All along the eastern line in Transylvania, the official statement reports, the Roumanians are falling back. From the Geister forest the Teutonic forces have pressed into the Alt Valley and fought their way forward. The official statement reads:

"Transylvanian front: The Roumanians are yielding on the whole eastern front. The Allied (Teutonic) troops have forced an exit from the Geister forest into the Alt Valley and a fresh advance threw the enemy further back."

"Kronstadt (Brasso) has been taken."

"Army group of Field Marshal Von Mackensen (Dobrudsja) there have been no events on this front. Military works northeast of Bucharest were attacked by our flying squadrons and bombs were dropped."

### Russian Transports Attacked.

Berlin, Oct. 8, via Amsterdam to London.—A successful attack by German seaplanes upon Russian transports off the Dobruja coast in the Black Sea is reported in an official statement today. It reads:

"On October 5, German seaplanes attacked and hit large armed Russian transports in the Black Sea east of Tuzla. Other German seaplanes successfully dropped bombs upon hostile munition columns in Northern Dobruja."

London, Oct. 8.—The British official communication dealing with the fighting on the Macedonian front, given out this evening says:

"Dorian front: There has been the usual artillery bombardment. One enemy aeroplane was forced down behind his lines by our airmen."

"Struma front: Enemy working parties are active. Close to our lines over 1,500 dead have been counted."

### Minor Operations.

Berlin, Oct. 8, via London.—Only minor operations are reported by the army headquarters in today's official statement dealing with the events on the Russian and Macedonian fronts. The text follows:

"Eastern front: Nothing of special importance has occurred."

"Macedonian front: There have been lively artillery duels at many points between Presba Lake and the Vardar. On both sides of the Monastir-Florina railway some advances were repulsed."

The Story From Vienna.

Vienna, Oct. 7, via London, Oct. 5.—The official statement issued from the Austro-Hungarian general headquarters today reads:

"Near Orsova (on the Danube) our troops again gained ground. South of Nateg Roumanians lost their frontier mountain of Sigleu. Austro-Hungarian and German troops are marching through the Ghost Wood to pursue the enemy, who is offering weak resistance. Roumanian troops on the Transylvania front were repulsed at several points."

"In Eastern Galicia, between the Narayuvka and the Ziota Lipa rivers, and in the sector of Buzynia, there was again bitter fighting. Apart from the capture of an advance trench enemy efforts were again frustrated. Austro-Hungarian detachments recaptured, by a surprise attack, a hill which was lost September 3. Further north there was nothing of importance."

"Italian theatre: On the Carso plateau the Italian fire abated somewhat yesterday, but isolated minor sectors were shelled violently at times. There was no infantry fighting."

"On the front in the Piemme Valley and in the Fasana Alps our positions in the sector of Lucia and on the front north of Pellegrino Valley to Marmolada a mountain were under the fire of guns of all calibres, repeated attacks on Gardinal, Busa Alta and Cima Di Cece were repulsed. After an increase in the firing, a general attack began in the evening north of the Telogriro Valley against the positions from Costabella to the Marmoloda ravine, and continued until ten o'clock in the evening. It was everywhere repulsed."

"Southeastern theatre: 'There is nothing to report.'"

As the Turks Get It.

Constantinople, via London, Oct. 8.—The following official report was issued from army headquarters last night:

"Minor patrol actions and weak artillery and infantry exchanges occurred on the Caucasian front. There is nothing of importance to report on the other fronts."

# BATHURST WELCOMES RETURNED SOLDIER

### Lieut. Peter Veniot of 26th Warmly Greeted by Fellow Townsmen—Will Join the 165th in St. John.

Bathurst, Oct. 8.—Bathurst's first returned hero from the war, Lieut. Peter J. Veniot, better known as Chap Veniot, arrived home Saturday evening on the Ocean Limited and was given such a welcome as will never be forgotten. Word had been received Saturday morning that the returning veteran had landed at Halifax and the news spread quickly with the result that practically the whole populace was at the station when the train pulled in.

The C. M. B. A., and the Eudist College bands were both on hand to welcome Lieut. Veniot and added their strains to the cheers of the crowd. Hundreds pressed round the smiling soldier and shook his hand and then a procession was formed of thirty odd automobiles which, with flags flying, lights burning and horns blowing, escorted Lieut. Veniot in company with his parents, Mr. and Mrs. Peter J. Veniot, round the town, ending at their home where the bands played "Home, Sweet Home," and the rest of the townspeople welcomed their fellow citizen.

In the evening after the close of the regular programme in the Opera House a public reception was tendered Lieut. Veniot and O. Turseon, M. P., and Mayor McLeod expressed the warm feelings with which the whole county welcomed him and outlined his career from the moment he enlisted—as a private in the Fighting 26th, through his successive promotions to corporal and sergeant and finally to Lieutenant.

Lieut. Veniot responded calling on all the fit young men of Bathurst to don the khaki and go to the assistance of their hard pressed chums now holding the trenches. He was the recipient of a substantial present in gold from his fellow citizens. After a few days of leave Lieut. Veniot will take up his duties with the 165th French-Canadian battalion now stationed at St. John.

## A FINE SONG SERVICE.

Last night at St. David's Presbyterian church, Sydney street, a fine song service was given, soldiers in the city being specially invited. The programme consisted of general singing and two solos by Mr. Smith and Miss Thompson, respectively. There were about sixty soldiers present, mostly from the 165th Battalion. During the latter part of the evening coffee and cake were passed around and all cake left over was afterwards given to the soldiers to carry to their comrades who could not attend. Several letters have been received by the church from soldiers now at the front, who attended these meetings last year, expressing their appreciation of the good times accorded them there.

These meetings will be held every Sunday and Thursday night for the next eight months, the meetings on Thursday nights being of a more informal nature, with games, music and refreshments.

The various committees are in charge of the following convenors: A. R. Cruikshank, chairman; Mrs. Somerville, convener of refreshments and supplies; programme and reception committee, Mrs. E. A. Mason, convener; and Mrs. R. A. Jamieson, assistant convener; room and invitation committee, Mrs. D. R. Willet, convener, and Charles McMullin, assistant convener; finance committee, Miss Ethel Milligan, convener, and D. W. H. Mase, assistant convener.

# BIG EATERS GET KIDNEY TROUBLE

### Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headaches or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the salt of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
