## CHICAGO WINS SIXTH GAME OF SERIES IN A SCRAP REPLETE WITH THRILLS AND LONG DRIVES

Continued from Page 1.

The person who was directed yesterday to slip up the pole at Redland park and measure it for the World's Champion batting, slid down the shaft a bit today and the measuring was postponed. The reason was that as the Chicago White Sox did not have today's game, for with it would have gone the championship, they became a lead of four runs, and by delivering one more rally in the tenth round won the game. Five runs to four for Cincinnati.

It was a contest replete with thrills and heartbreaks, varied by some wild holding, snappy running, mighty clouds, mad catches, and, in short, practically everything relating to baseball.

Cincinnati looked like a certain winner in the third and fourth rounds, in the course of which four Red Legs crossed the plate. In the fifth, however, the Sox turned two passes and a single into a rally, and in the sixth two doubles and two singles were the major factors in the three runs which tied the score. To Buck Weaver, sterling third baseman, who wielded a mighty stick in the game, fell the distinction of recording the winning run in the tenth. He was the first man up and doubled to centre, his second two-acker was hushed, and then began to chant encouragement to Ring, who had displaced Reuther or pitcher for the Reds. Jackson tried a bunt and missed, but on a second attempt the ball dribbled a few feet down the third base line, and while the ball was perfectly fished Jackson crossed the initial sack with time to spare. Weaver landing on third.

Felch, who had delivered a double in the sixth, struck out, but Gandil, who had previously delivered nothing, singled, and Weaver scored.

In their half of the tenth the Reds went out in order, and the day closed with the series standing four victories for Cincinnati and two for Chicago.

The Cincinnati team entered the field confident they had so drabbed the visitors that the last ounce of fight had departed from them. The latter, however, had been misled over the coin's unimpeachable fashion by Manager Gleason during the forenoon and they came on the field looking desperate rather than hopeful.

Daubert singled to right. It was a clean drive right over E. Collins' head. Groh up. Strike 1, foul strike 2. Groh struck out, the third was called on him. Roush up. Ball 1, strike 1, ball 2, ball 3. Groh walked. Roush up. Roush forced Groh at second. Roush to E. Collins, who completed a double play by throwing to Gandil on getting Roush. No runs, one hit, no errors.

Cover the base. Felch went down. No runs, one hit, no errors.

Second half—Neale up. Neale tripped to right centre. There was an argument that Neale did not touch one of the bases but the umpires did not allow the claim. Hardin up. Hardin sent an easy grounder that E. Collins grabbed and tossed him out at first. Neale holding third. Reuther up. Ball 1, strike 1. Reuther doubled, Neale scoring. Rath drove an easy one to Roush but the latter hit Reuther going to third. In his attempt to put him out and Reuther scored. Rath taking second. Rath stole third. Daubert up. Ball 1, ball 2. Daubert hoisted to Jackson and Rath was caught at the plate for a double play. It was a great throw of Jackson. Two hits, two runs one error.

**Fifth Inning.**  
First half—Roush up. Ball 1, ball 2, ball 3, strike 1. Roush walked. Schalk up. Ball 1, foul strike 1, ball 2, ball 3. Schalk also walked. Kopt up. Reuther appeared to be becoming unsteady. Strike 1. Kerr singled advancing both runners a base. J. Collins up. J. Collins flew to Roush and the latter's throw was so fast that Roush, who had started for home turned back and held third. E. Collins up. Ball 1, ball 2, foul strike 1. Roush crossed the plate. Felch up. Ring began to warm up for Cincinnati at the side lines. Strike 2. E. Collins fled to Roush and Roush scored. Schalk failed to go to third on the play and Kerr ran down to second. Groh seething the predicament ran over and touched Kerr off. Roush getting an assist on the play. One run, one hit, no errors.

Jackson singled into centre and Weaver crossed the plate. Felch up. Strike 1, ball 1, strike 2. Felch led to the outfield crowd. This was enough for Reuther and Ring relieved him on the pitching mound. Jackson scored on the hit. Gandil up. Strike 1, strike 2. Ring was very slow and deliberate. Ball 1, ball 2. Gandil hoisted to Daubert who got the ball in back of first base. Felch holding second. Roush up. Ball 1. Kopt took Roush's grounder and threw to Daubert putting him out. Felch taking third. ## Dope For Today In World's Series

Cincinnati, Oct. 7.—Pitching selections for the seventh game of the world's series scheduled for Redland Field tomorrow were shrouded in uncertainty tonight but it was generally believed that Manager Gleason of the Sox would send Eddie Cicotte, although beaten twice against the Reds in a determined effort to again turn the tide of defeat.

Sallee, who defeated the Sox four to two in the second game of the series, probably will be Manager Moran's pitching choice although he may decide to give Luque, the Cuban twirler, a chance to face the Cincinnati Sox. Sallee was batted hard in the second game, the Sox getting ten hits but only scored in one inning. "Today's game was a heartbreaker for the Reds to lose," said Manager Moran tonight. "We should have won it half a dozen times. But the strain of the world's series is beginning to tell on my players and they were a bit unnerved, but they will regain themselves tomorrow and wind up."

Kerr pitched more balls than either Reuther or Ring. He demonstrated his gameness when he pitched himself out of a couple of tight places and got some erratic support. It is possible that I shall start Sallee tomorrow."

"The Sox have hit their winning stride and although tremendous odds are against us we are far from out of the race," said Manager Gleason. "The players have begun to hit and it will be a different story from now on. They slugged everything Reuther or Ring had today and will do the same thing to Sallee if he pitches tomorrow."

Halifax, Oct. 7.—A big crowd witnessed the boxing bout tonight between Johnny McIntyre, the Glace Bay champion and Harry Jones, of Halifax. After a battle that went the limit, Jones got the decision in the 15th round.

## Favorite Lost In Grand Circuit

Lexington, Ky., Oct. 7.—The feature of today's racing at the meeting of the Kentucky Trotting Horse Breeders' Association was the race for the Phoenix Hotel prize of a value of \$8,000, in which Direct C. Burnett was the favorite, but failed his backers. In the first heat the favorite led until within a short distance of the wire, where Cox, behind Frank Dewey, came with a rush and won with something to spare.

Such a large student body promises well for the football season and the presence of a few former football players adds more to the hopes already fast forming in the minds of the athleticly inclined.

Among these former football players possibly the most noteworthy is "Cruger" MacAfee, the captain of the Mt. Allison football team of 1915. "Cruger" seems to be quite hopeful of speed. Taking it all in all Mount Allison is counting on giving a good account of herself in the coming intercollegiate sports.

FOR SOCCER PLAYERS.  
The executive of the East End Improvement League met last evening with D. A. Ramsey as chairman. Representatives of football organizations were in attendance, and it was decided to call a practice of all those who wish to play the game for Saturday afternoon on the grounds. It is hoped to have representatives from all the city organizations and that a league may be launched. Mr. Ramsey was appointed a committee to look after the interests of the East End Improvement League and anyone interested in the game should communicate with him.

Others matters of a routine nature were discussed at the meeting.

COACH FOR U. N. B.  
Jack McNair has been selected as coach for the U. N. B. football team. He took charge of the squad yesterday.

## Challenger For America Cup Race

London, Oct. 7.—The first race in the 1920 series for the America Cup will take place June 24, 1920, if the challenge submitted by Sir Thomas Lipton is accepted. The challenger specifies that the first race should take place upon that date, and others at intervals of two days.

Charles D. Nicholson, of Southampton, designer of Shamrock IV, who is considered England's foremost producer of racing yachts, is now in America to see about refitting Shamrock IV, now in drydock in Brooklyn. Mr. Nicholson has cabled to Sir Thomas Lipton that the Shamrock, which has been carefully stored in drydock in Erie Basin since he was last arrival in America during the war, is in perfect condition.

## Mount Allison Football Team

A Greater Number Than Usual Out for Football Practice at Sackville.

(Sackville Tribune.)  
Never in the history of Mount Allison has the number of residence students been so great. More than 150 are now in residence. Of this large student body two very encouraging elements are the great number of returned men present and the large freshman class, which numbers about fifty-five in all.

JOHN J. MCGRAW

If the Reds win the world's series they'll deserve great credit, but they must stop Eddie Collins to do so, while the White Sox's most important feat will be to keep Ruth off the bases. The foregoing is the opinion of John J. McGraw.

**SPORT OF KINGS ENJOYED BY IMMENSE CROWD**

The soccer season that has just opened in England has caused a great deal of enthusiasm throughout the country. The sport was resumed on the lines of the pre-war, including the English cup ties, internationals and the three principal competitions, Divisions 1 and 2 of the English league and the Southern league, each consisting of twenty-two clubs. The photographs show a section of the crowd at a recent game at Highbury.

**Every Woman Needs IRON at Times**

If women would only take more iron when they feel weak, run-down, tired, nervous, or when they are pale, thin, and lagged—there are thousands of women who are suffering from iron deficiency. Iron is the life-giving element in the blood, and when it is lacking, the body is weakened and vitality departs. A few months' use of Nuxated Iron will restore the blood and give you the strength and energy you need. It is the most reliable and most palatable of all iron preparations.
