Sydney Lost To North Sydney

Sydney, N. S., Jan. 28.—Sydney Curling Club was bereft of the Halifax Hotel curling cup tonight by a score of fifty-five to fifty-two in their game with North Sydney. The game was usual in this competition was the result of an overnight challenge. The city curlers had an abnormally strong team out to defend their title but the men from the North had a big walk over on one rink which set them safely in the game by two points. Sydney won by large majorities in two rinks, but lost in the third tussle by 37 points to 11.

MONCTON HIGH SCHOOL STAFF ASK FOR MORE MONEY

Curator St. John's Natural History Museum Addresses Moncton Teachers' Association.

Special to The Standard.

Moncton, Jan. 28.—William McIntosh, curator of the Natural History Museum of St. John, lectured before the Moncton Teachers' Association tonight on the geographical position of Moncton, and gave the association much information of great interest. At the close of his address he was warmly thanked by the association for his instructive address.

At the meeting of the School Board tonight the principals and members of the High School staff submitted an application for a twenty-five per cent. increase in salary. A similar application from the entire teaching staff of the public schools has been before the board for the past month. The board promises of dealing with the increases when the estimates are prepared shortly for the coming year. A communication was read from Dr. Carter, superintendent of Education, ordering the Board to appoint a temporary chairman of the board on account of the illness of Chairman John T. Hawke. Trustee H. S. Bell was appointed acting chairman.

Maritime and Maine Short Ship Circuit

Directors Will Meet in Fredericton This Afternoon—Will Decide on Harness Racing Programme for Coming Season.

Special to The Standard.

Fredericton, Jan. 28.—The calling of the meeting of the Maritime and Maine short ship circuit directors for Fredericton tomorrow afternoon means that this week will see the harness racing programme for this section of the country pretty well completed before the close of the present week.

Representatives of all the racing associations interested in the 1920 circuit arranged at the meeting which was held in December are expected to be here in answer to the call that has been sent, and dates for the season will be allotted as far as possible for the season.

Woodstock, St. Stephen, Fredericton, Chatham, Moncton, Sackville, Sussex, Springfield, N. S., and perhaps St. John, as well as several Aroostook County tracks, are expected to be represented at the meeting and it is believed that before the managers have separated tentative plans for the season will have been discussed, the opening racing dates arranged, and a time named when the entire season's schedule of meetings can be completed.

Prospects for a big racing season in the East could not be better than they are right now. The public were generally well pleased with the sport furnished last season, and the most generous patronage ever given the tracks is assured for this year. The whole difficulty seems to rest in getting the necessary number of horses to fill the stakes and classes at the meetings.

AFTERNOON TEA DEMANDED IN LUMBER CAMP

One Big Union Finlanders Terrorizing Various Lumber Camps Near Fort William, Ont.

Port William, Ont., Jan. 28.—One

Big Union Finlanders are terrorizing various lumber camps near here by strikes and an open display of firearms. At a camp near the big walkover, drawn up by "The camp committee," demanded, among other things, the serving of afternoon tea and a morning luncheon. Armed with revolvers, the Finns compelled all workers to leave camp and come to Port Arthur and demanded their pay, which was refused. The matter will be threshed out in the courts. Other camps affected are at Herring Point, White River and two near Shabagan.

INTENSE INTEREST ATTACHED TO THE PAISLEY CONTEST

In His Opening Campaign Speech Mr. Asquith Criticized Coalition Gov't as One of Experiments and Adventures.

London, Jan. 28.—(Canadian Press cable).—The intensity of the interest in the Paisley election may be gathered from the perfect army of newspaper correspondents who have gone north to follow former Premier Asquith's campaign.

Evidently Mr. Asquith intends dealing with general political principles and present-day aspects of national affairs step by step. Last night, for instance, he devoted himself to calling for a reduction of national expenditure, criticizing the Coalition Government as one of experiments and adventures. A noisy element attended the meeting, Mr. Asquith having to endure a severe quarter of an hour's questioning, which he managed skillfully and good humoredly.

"If returned, would you accept office under Mr. Lloyd George?" demanded one questioner. "I should wait until an offer was made," replied the candidate amid loud laughter.

ZIONISTS HOIST FLAG OVER FIRST MERCHANT SHIP

The Vessel Was Formerly a German Craft and Was Purchased to Ply Along Palestine Coast.

New York, Jan. 28.—The first vessel of Palestine's contemplated merchant marine hoisted the blue and white flag of Zion and was renamed "Hebrew" (the pioneers), at Jaffa recently, the Zionist organization of America announced here today. The vessel is owned and manned by Jews, and is the first of a fleet for which Zionists plan an ultimate appropriation of \$10,000,000. The vessel was formerly a German craft, and was purchased to ply along the Palestine coast, making the ports of Beirut, Jaffa, Gaza and several others in Egypt. The Zionist engineers plan to convert Haifa into one of the leading important commercial centres of the Near East.

Bathurst Lost To Fredericton

One Thousand People at the Capital Last Night Witnessed Fast Game of Hockey—Final Score Five to Four.

Special to The Standard.

Fredericton, N. B., Jan. 28.—By a score of 5 to 4 Fredericton won from Bathurst in the N. B. H. L. game at the Capital last night before almost 1,000 people. The game was full of action, good playing by both teams and much sensational individual work in which Cripps and Schryer for Bathurst and Burgess, Colwell and Jewett for Fredericton starred.

The Bathurst team started the scoring and notched the first two counters of the game, Fredericton evening up before the first period was over. "Tart" Titus, the Fredericton captain and goal tender was not in the nets the first period but he got into uniform in time to appear when play resumed. Burgess put Fredericton ahead after a fine individual rush but Bathurst soon evened up, when Lounsbury rushed through the Bathurst defence and scored. The game was a close one, with both teams playing well. The Bathurst team put up an objection to Blaine Pugh continuing as referee and the outcome was that he was replaced by Sandy Staples, after a considerable wait. Keoughan evened up the game again by scoring again for Bathurst before the end of the second period.

Eddie Colwell scored the winning goal for Fredericton, the only one in the third period when he slammed the disc into the Bathurst net after Burgess' shot had struck the crossbar of the goal and bounded out in front. The Bathurst team were entertained at the Imperial Restaurant after the game and played the Marysville team here tomorrow night.

Canadiens Won From Quebec

Carelessness and Overconfidence Lost Hockey Game for Quebec at Montreal Last Night.

Montreal, Que., Jan. 28.—Carelessness and over-confidence on the part of the players of the Canadian Hockey Club accounted for an overtime period in the scheduled meeting between Quebec and Canadiens at Mount Royal Arena tonight. Canadiens finally winning out by a score of 4 to 3. While the Quebec players showed better form than in their previous fixtures here, Canadiens played far below their standard and showed a lack of the snap and dash that they have exhibited in all their previous games. Canadiens started out with the assurance of scoring an easy victory and after assuming the lead played back on the defensive as though saving themselves for a harder game to be played against Ottawa at Ottawa on Saturday night.

By making this mistake the local players all but tossed victory away, as their defensive tactics enabled Quebec to carry the play closer in on Verina and from one of the scrimmages in front of his nets, Malone shot, and as Lalonde tried to stop it, the puck rolled into the nets unseen by Verina. That goal left the issue to be decided in an overtime period, and in less than four minutes Lalonde made up for his mistake by scoring the winning goal after a spectacular end to end rush.

National Skating Championships

Western Skaters Won Both Events at Saranac Lake, N. Y. Yesterday—Half Mile in 1 Min. 22 Secs.

Saranac Lake, N. Y., Jan. 28.—Western skaters won both events held here today in the National Skating Championship. Roy McWherter, of Chicago led the field in the 880 yard race, winning in one minute, twenty-two and five-tenths seconds. Everett McGowan, of St. Paul, won the two mile event from a fast field. The 200 yard hurdle race, scheduled for today, was postponed until tomorrow.

Ottawa Won From Toronto

Toronto Team Last Night Failed to Hold the Senators and Were Defeated by a Score of 7 to 0.

Special to The Standard.

Ottawa, Jan. 28.—Toronto failed utterly to hold Ottawa in any period of tonight's game and were defeated by the Senators 7 to 0. They proved themselves a weak road team and but for the excellent work of Mitchell would have lost by a much larger margin. Ottawa played without Sprague Cleghorn, but Boucher, who replaced him, was a credit to the Senators. He played a stellar game. Toronto's weak on the line and continually tried Benedet with long shots. The latter played a steady game and aided by the splendid defense of Gerard and Boucher stood off the Toronto attack and turned in an errorless game. Ottawa led from start to finish. Toronto's without Hufferman failed to show their usual class. Matte found the going very heavy and turned in a mediocre performance.

Match Race At Houlton

Somersworth Boy Yesterday Defeated Arlene in a Four-Quarter Mile Heat Race for a Purse of \$400.

Special to The Standard.

Houlton, Maine, Jan. 28.—A perfect day and track, with 800 enthusiasts, made a fitting setting for the big match for a purse of \$400 between Arlene, 2:08 1/4, owned and driven by Walter Mott, of Woodstock, N. B., and Somersworth Boy, 2:18 1/2 (formerly owned by L. W. Ervin, of Houlton), which was purchased just before the race by T. V. Houlton, of Houlton, and driven by the clever Houlton reinsman, Harry Nevers. It took four hotly contested quarter-mile heats to decide the winner, and there was never more than half a length between them, with the third heat a dead one.

Somersworth Boy proved the winner. Time, 29 1/2, 30 3/4, 31 1/4, 32 1/2. A return match, to be held at Woodstock, was arranged, to take place in the near future.
