TORONTO, March 6.

It is intensely cold all over the Province.

Dunkin's temperance bill was carried in the township of Richmond yesterday.

Patterson, Mayor of Brantford, has been nominated for the Commons by the Reformers of South Brant, the constituency now represented by E. B. Wood, who will likely remain in the Local House and take a seat in the Cabinet when Mackenzie leaves.

A despatch from Manitoba says a gentleman who saw Riel and Lepine in the States recently, reports that Riel expressed the hope he would return to Manitoba and meet a legal investigation. He declared his innocence, said he did not know where Scott's body was, and would not tell if he did, and refused to say where he and Lepine were bound for.

LONDON, March 5.

The claimant in Tichborne case has summoned a meeting of his friends.

Earl of Howsdale died to day aged 85.

John Bright, in a letter to the anti-income tax association, declares only in reduction of Government expenditures is there a chance for the abolition of this odious tax, and advocates the withholding of confidence from a gov't taking seventy millions annually from the nation's industry.

In the Commons there was a long debate on remedying defects in the education law; an amendment by Forster that the law not had a fair trial was adopted, 223 to 98.

A bill is introduced for the purchase by gov't of the Railways in Ireland.

It is stated upon official authority that Austria has made no offer of asylum to the Pope, and reports that he intends to leave Rome are discredited.

Drafts have been signed for 330,000,000 francs, part payment anticipatory of war indemnity.

The movement for new conservative party for liberation of France from German occupation, and ministry pledged thereto all constitutional questions to be shelved until that end is accomplished.

THE Subscriber would again remind the general public that he will be found in his NEW STORE,

No. 15 King Street,

on THURSDAY morning next, the 22nd inst., and before closing the Store on Prince William street would take the opportunity to tender his grateful thanks to his numerous patrons for their generous support since commencing business the 1st of January, 1867, at which time he bought the RETAIL BUSINESS of Messrs. Valpey & Bro. The subscriber would also remind the citizens of St. John that, with increased accommodation in his new quarters, he will be enabled to keep a *far better* on hand a LARGE AND WELL ASSORTED STOCK OF BOOTS AND SHOES, both of ENGLISH and DOMESTIC MAKE, and at prices to suit the pecuniary circumstances of the community.

The CASH SYSTEM—the ONE PRICE SYSTEM the QUICK SALES and SMALL PROFIT SYSTEM—are mottoes which I adopted when commencing business five years ago. Experience has convinced me that the principles are sound, and as in the past, so in the future, I will strictly adhere to them.
