THE MANUFACTURERS OF "PASTEUR". Vaccine for the prevention of Blackleg in cattle make the following announcement anent the fall treatment of stock.

Now is the time to make arrangements for the fall vaccinating and those who have not yet had any losses from Blackleg should heed our advice at once. It does not pay to take any chances after it has been so clearly demonstrated that this disease can be successfully prevented with reliable vaccine. The Pasteur Vaccine Co., Ltd., of Paris, London, New York and Chicago is the largest exclusive biological house in the world and furnishes the Blackleg Vaccines produced by Professors Arloing, Cornevin and Thomas, who are the greatest authorities on this subject and the discoverers of Blackleg Vaccine Virus. Their cord form, known as Blacklegine, is the simplest and at the same time the most efficient method of protecting cattle against Blackleg. The dose is of a convenient size; is easily administered and requires the simplest instrument, which makes the smallest puncture in the skin. Blacklegine is the only method giving a gradual and increasing immunity against the disease.

GOSSIP.

In our issue of the 3rd inst. we noted the importation of horses that were on the way from Scotland to McMillan, Colquhoun and Beattie of Brandon. This consignment has since arrived and the proprietors are delighted with their general excellence. In this issue a quarter page "ad" announces that the lot is now for sale and naturally the first that comes to hand have the largest selection from which to select. Good well-bred horses are not a luxury to a community that is essential and they are money-makers.

HE FEELS AS YOUNG AS EVER

**Mr Chester Loomis Took Dodd's
Kidney Pills.**

**And From a Used up MAN he became
As smart as a Boy.**

ORLAND, Ont., Mar. 5 (Special).—Mr. Chester Loomis, an old and respected farmer living in this section, is spreading broadcast the good news that Dodd's Kidney Pills are a sure cure for the Lame Back and Kidney Disease so common among old people. Mr. Loomis says:

"I am 76 years of age and smart and active as a boy, and I give Dodd's Kidney Pills all the credit for it."

"Before I started to use Dodd's Kidney Pills I was so used up I could hardly ride in a buggy, and I could not do any work of any kind. Everybody thought I would not live long. Dodd's Kidney Pills are a wonderful remedy."

The Kidneys of the young may be wrong, but the kidneys of the old must be wrong. Dodd's Kidney Pills make all wrong Kidneys right. That is why they are the old folks' greatest friend.

Prairie Chicken Pie.—Line the sides and bottom of a deep granite pie dish with rich pastry. Clean and draw four of the chickens and cut into good sized pieces. Make a forcemeat of the hearts and livers finely chopped to which is added the crumbled yolks of three hard-boiled eggs, four tablespoons of chopped ham and one tablespoon of chopped celery. Lay the chickens in on the pastry and fill in all the spaces with small balls of the forcemeat. Pour in two cups of stock that has been seasoned, cover the dish with a lid and bake slowly for two hours. Remove the lid, fill up the dish again with stock or gravy cover with an upper crust of pastry, and return to the oven until the top crust is baked. Serve in the dish in which it was cooked.

Culture on the Farm

The day is past when culture and social enjoyment were confined to the larger cities and towns, when the farmer was cut off from the musical world. The day of the parlor organ has passed—or is rapidly passing away. Every farm-house in Western Canada regards a piano—and a good one at that—a necessity and not a luxury.

THE NEW SCALE WILLIAMS PIANO

is Canada's foremost instrument. Its improvements and latest features have gone far towards creating a better appreciation of good music all over Canada. It more nearly approaches the ideal piano than any other.

Its tone, quality, construction and architectural beauty are unexcelled. For good music, for accompanying the solo voice or chorus of song, great artists all over the world are loud in its praises. And yet it is a Canadian instrument—perhaps, the highest exponent of Canadian industry.

If you will fill in the corner coupon, cut it out, and send to the Williams Piano Co., we will send you, absolutely free, several beautiful booklets, "The making of a Great Piano," etc. We will also tell you of easy payment plans that will interest you.
