

SUMMER COMPLAINT

Is one of the most troublesome troubles of the Hot Summer Days. The Old and the Young, the Strong and the Weak are all affected alike.

DR. FOWLER'S Extract of Wild Strawberry

Is the most effective remedy known for the cure of

DIARRHŒA, DYSENTERY, COLIC, CRAMPS, CHOLERA MORBUS, CHOLERA INFANTUM, AND ALL SUMMER COMPLAINTS.

This sterling remedy has been on the market for over 65 years and has yet failed to do what we claim for it.

Be sure and ask for Dr. Fowler's and insist on being given what you ask for.

Mrs. C. E. Mills, Teulon, Man., writes: "Just a line to let you know that I have a little girl five years old, and during the hot weather of last summer she was very bad with the Summer Complaint, in fact I thought we were going to lose her. We tried everything we could think of but without success. One day one of our neighbors asked what was the trouble with the little girl, and we told him. He advised us to try Dr. Fowler's Extract of Wild Strawberry, which we did. I honestly believe it was the only thing that saved my little girl's life. I don't think there is anything better for Summer Complaint than Dr. Fowler's Extract of Wild Strawberry." Price 35c. Manufactured only by The T. Milburn Co. Limited, Toronto, Ont.

The Slim Summer Girl is Winning.

The day of the slim woman's triumph has arrived. "The thinner one is the more stylish," say the dress-makers, "and the more comfortable," say those whose fat makes summer intolerable.

This would have been sad news for the fat woman a year ago. She would have had to try dieting or exercise. Nowadays, however, the woman who is too fat for the styles goes to the druggist and gets a tablet of Marmola Prescription Tablets, one of which she takes after each meal and at bedtime, and so reduces her superfluous flesh quickly.

These tablets being made in accordance with the famous prescription, are perfectly harmless, even on the hottest days, and they are, also, the most economical preparation a person can buy, for they cost only 75 cents a large case, one of which is frequently enough to start a person losing fat at the rate of 12 or 14 ounces a day. Pretty nearly every druggist keeps this tablet in stock, but should yours be sold out, you can easily obtain a case by sending to the makers, The Marmola Company, 1412 Farmer Building, Detroit, Mich.

they should all be condemned. This is the first time I have been in a sober mood for such a long time, I must return to my usual self or I will forget how. I must say Inconner of the July number is made of the right kind of stuff. I quite agree with her on the subject of chewing, smoking, dancing, and playing cards, etc. Hurrah! for more like her. I would like to secure a few correspondents to pass away the lonely moments, and will endeavor to answer all letters promptly. Boys, don't be backward in coming forward, and would like to correspond with Bashful Bill, if he is not too bashful and if he will write first.

Hoping I have not taken up too much of the editor's precious space, I will close, wishing the editor and club every success and signing myself, "Oh! you Kid."

lots of money in the bank. I enjoy life fairly well, but also think it might be happier with a life partner, so if any of the fair sex care to write to me I will gladly answer them. I am five feet eight inches fair complexion, dark hair, weight 150 lbs. Very fond of music; can play anything from a tin can to a sweet potato. So wishing all sure success, I will ring off. Girls and Homesteads.

Sask., July, 1911.

Sir,—Having been both a subscriber and a reader of your paper for three years, I think I will write you a letter now. I enjoy the correspondence column very much, and I read it carefully every month, in fact I like all of the W. H. M., and I do not know which I like best.

"Only a Mere Boy's" letter in the May number is one I enjoyed very much. He must be a sensible man. I, for myself, do not think it gentlemanly for a man to drink, chew, or gamble. I do not mind smoking very much.

For myself, I am very fond of dancing and playing cards, and also horse-back riding; I am really happy when riding a good horse. I am a westerner, and have always lived either in Manitoba or Saskatchewan. I like Sask.

WE INVITE Every Thin Man and Women Here Every reader of this magazine who lacks weight, strength and vigor to get Fat at our Expense.

This is an invitation that no thin man or woman can afford to ignore. We'll tell you why. We are going to give you a wonderful discovery that helps digest the foods you eat—that puts good, solid flesh on people who are thin and underweight, no matter what the cause may be—that makes brain in five hours and blood in four—that puts the red corpuscles in the blood which every thin man or woman so sadly needs. How can we do this? We will tell you. Science has discovered a remarkable concentrated treatment which increases cell growth, the very substance that makes in bodies are made—a treatment that makes in digestion and other stomach troubles disappear as if by magic and makes an old dyspeptic or a sufferer from weak nerves or lack of vitality feel like a 2-year-old. This new treatment, which has proved a boon to every thin person, is called Sargol. Don't forget the name "S-a-r-g-o-l." Nothing like it has ever been produced before. It is a revelation to women who have never been able to appear stylish in anything they wore because of their thinness. It is a godsend to every man who is under weight or is lacking in nerve force or energy. If you want a beautiful and well-rounded figure of symmetrical proportions, of which you can feel justly proud—if you want a body full of throbbing life and energy, write The Sargol Company, 5-J, Herald Bldg., Binghamton, N. Y. today and we will send you, absolutely free, a 50c box of Sargol that will prove all we claim. Take one with every meal, and in five minutes after you take the first concentrated tablet of this precious product it will commence to unfold its virtues, and it has by actual demonstration often increased the weight at the rate of one pound a day. But you say you want proof! Well, here you are. Here is the statement of those who have tried who have been convinced—and who will swear to the virtues of this marvelous preparation.

REV. GEORGE W. DAVIS says:

"I have made a faithful trial of the Sargol treatment and must say it has brought to me new life and vigor. I have gained twenty pounds and now weigh 170 pounds, and, what is better, I have gained the days of my boyhood. It has been the turning point of my life. My health is now fine. I don't have to take any medicine at all and never want to again."

MRS. A. I. RODENHEISER writes:

"I have gained immensely since I took Sargol, for I only weighed about 106 pounds when I began using it, and now I weigh 130 pounds, so really this makes twenty-four pounds. I feel stronger and am looking bet-

ter than ever before, and now I carry rosy cheeks, which is something I could never say before."

"My old friends who have been used to seeing me with a thin, long face, say that I am looking better than they have ever seen me before and father and mother are so pleased to think I have got to look so well and weigh so heavy for me."

CLAY JOHNSON says:

"Please send me another ten-day treatment. I am well pleased with Sargol. It has been the light of my life. I am getting back to my proper weight again. When I began to take Sargol I only weighed 138 pounds, and now, four weeks later, I am weighing 153 pounds and feeling fine. I don't have that stupid feeling every morning that I used to have. I feel good all the time. I want to put on about five pounds of flesh and that will be all I want."

F. GAGNON writes:

"Here is my report since taking the Sargol treatment. I am a man 67 years of age and was all run down to the very bottom. I had to quit work, as I was so weak. Now, thanks to Sargol, I look like a new man. I gained 22 pounds with 23 days' treatment. I cannot tell you how happy I feel. All my clothes are getting too tight. My face has a good color and I never was so happy in my life."

MRS. VERNIE ROUSE says:

"Sargol is certainly the grandest treatment I ever used. It has helped me greatly. I could hardly eat anything and was not able to sit up three days out of a week, with stomach trouble. I took only two boxes of Sargol and I can eat anything and it don't hurt me and I have no more headache. My weight was 120 pounds and now I weigh 140 and feel better than I have for five years. I am now as fleshy as I want to be, and shall certainly recommend Sargol, for it does just exactly what you say it will do."

You may know some of these people or know somebody who knows them. We will send you their full address if you wish, so that you can find out all about Sargol and the wonders it has wrought.
