Dal had another power play opportunity when REISE again went off for elbowing, which was virtually all he was capable of doing, but again the power play was ineffective. Dal had a manpower edge for the fourth time near the close of the period, but again to no avail. Dal sent 36 drives at the Acadia goal, of which 10 counted as shots on goal; 16 were blocked and another 10 went wide. Acadia fired 12 shots at Bell, who missed only 1.

In the first part of the second period Dal took a turn at being ssessed penalties. At 2:30 Peter Quackenbush was sent off for cross checking followed at 2:41 by BILL STANISH. Dal weathered the storm as John Bell blocked drive after drive and his teammates drove the puck down the ice forcing Acadia to regroup on numerous occasions. JAIMIE LEVITZ of Dal and Acadia's JOHN REID went off together for roughing at 8:20 and during this situation BILL STANISH flicked notched his eighth goal of the X game will mark the last game Columbia's education minister, past RING'S elbow on the latter's Stanish. The Dalhousie team is made up of Canadian players and is headed by former Acadia star, Art Burke. Also on the team is John Tilly, a football team standby, Mike Murphy -- who hails from Winnipeg, John Finley, Tom Lycett, Gored Mahoney, Kneel Franklyne, and Gordy Watson.

The Students' Council should immediately present a brief to the lead throughout the third quarter Administration on Athletic Recruiting before the school year is over and in dying minutes of the game so that the results do not become irrelevant.

The Referendum Results showed two things. One, that the Dalhousie Student Body wants Varsity Athletic Teams regardless of whether they have a competitive chance in their respective leagues or not; whether they are "losers" or "winners"

At the same time, the Student Body made it known that they stiffest competition of the sea- would like to see their teams have a competitive chance in their son. The N.S. Teachers College, respective leagues and feel that the giving of Athletic Scholarships would do this.

The Administration should take a stand supporting the giving of Athletic Scholarships and then go to the MIAA Meetings this spring, and have a new rule inserted, allowing the giving of such. If the MIAA does not go along, then we should follow the MIAA Rules but keep working towards the end, of giving Athletic Scholarships. However, We must know what we want allowed in Athletic Recruiting and we should want Athletic Scholarships allowed as an aid in Athletic Recruiting.

Well, the Halifax Mail Star and Chronicle Herald have taken their toll.

On Thursday and Friday of last week, they built up our hockey team, in editorials, as the most vastly improved team in the MIAA

On Saturday, we went to Acadia and lost 9-3. Not only did we lose but we lost in the most unbelievable and yet typically Dal way. The score was tied after regulation time, 3-3.

In the ten minute overtime, Acadia fired 21 shots at John ell and scored 6 goals.

I don't mean to take anything away from John Bell because he stopped 59 shots and without him we probably would have had to con-Bowling will be held on Sun- cede after the first period. Next Saturday and Wednesday we meet UNB and "X" at the Dal

While only a layman, I still feel the following changes might accessible. There will be coffee help break the slump and should be considered, and cocoa or donuts afterwards. On defence, we should change the defence from a 1-3-1 zone to

a BOX ZONE with the CHASER. Without White we lack the experience limited number of toboggans, but and know-how needed for a 1-3-1 zone. The latter must be played if you can dig up one of your precisely or it fails as it did against UNB and St. Mary's. In the UNB own, bring it along. The girls game we were outrebounded. With the BOX, Beattie and Bourassa in residence don't have any! would be at the basket and could pick off the rebounds. Without White, Beattie must be moved into the basket. The BOX also means you can Vice-President of DGAC - Nancy collapse 2 on 1 without having to worry about a free man, IF it is Hobson. Nancy did publicity for played smartly. Also on defence, we should try to unnerve the other team more by doing more yelling and by raising the hands, which are most capable member of the both standard symbols of tough defence.

On offence, Beattie should be moved inside to the low post to help Bourassa control the boards. For three quarters against UNB, Varsity Invitational Basketball Beattie was shooting well from the outside and so we did not need rebounding. But then he went cold and in the fourth quarter we lost the rebounds and the game. Therefore leave the outside shooting to Durnford, Hughes and Shaw. Let Beattie and Bourassa get any rebounds and tip them in. Let Beattie and Bourassa do the shooting from in the lane. And with a couple of clever plays, Durnford, Hughes College, King's, and Dalhousie. and Shaw could get their "pet" shots from the sides, without moving Mount St. Vincent carried off the Bourassa or Beattie too far from the boards. Also, we must keep the winner's prize, the Christine Ir- ball and the outside men moving in our ball control game, another

Of one thing, I remain convinced, Dalhousie has the personnel Dalhousie played only a mediocre to beat UNB and Acadia and ANY GOODWIN-COACHED St. Mary's game, with no outstanding team, if only they are used properly and they remain out of foul

> A FEW SUGGESTIONS: Training Camps should be held for Track and Field and Golf,

and both events should be held earlier when the weather is warmer. The ice in the rink should be put in on October 1 not November 1 Our team could be in much better shape if the ice was put in sooner There are no events held in the rink in October that could not be held in the Gym, i. e., dances, etc. As for cost, the ice could be easily rented as early as October 1. Figure Skating Clubs, private groups, all of them would take ice a month earlier if they could get it. "No ice!" should never be an excuse for a poorly trained hockey team at Dalhousie -- a school with its own rink.
