Col. the Hon. M. A. MacPherson, K. C.,  
Westman Chambers,  
Regina, Sask.

Dear Colonel MacPherson:

When I feel very keenly, and perhaps bitterly,  
along certain lines, I very often get a letter from you in-  
dicating precisely the same state of mind for exactly the  
same reasons.

Last Friday night I met the Judge to whom  
you refer, and learned from him that he was now Rent Con-  
troller. The same reflections have passed through my mind  
ever since as are now expressed in your letter.

Yours very truly,

AM/E.
