Dear Sir:

Re: to the remaining
payments on the S.E. 1/4 - 28-20-22 W.4-N
I should manage to clear of all pay-
ments. The remaining payment
being \$195.79. If I could just have
the Interest cut-off for the last year
it would surely help me a lot as I
did not have much crop last year 1943
& we have never had anything cut
off as many have had. I am a widow
& have many other payments to make
& the grain don't go around & that
is the only Income I have. Please see
what you can do with this
