Ottawa, March 3, 1920

Sir,-

The Department is informed that you are neglecting to send your three children, Sedie, Martin and Alex. Sharron, regularly to school.

I have, therefore, to inform you that if you do not see that your children attend school regularly the Department will be compelled to take action under the Regulations Relating to the Education of Indian Children to have them committed to a residential school. You yourself are liable to fine or imprisonment if you neglect, after receiving this notice, to see that they attend each day it is open and that they remain there during the regular school hours.

It is hoped that you will heed this notice and that there will be no need to take action as mentioned above and that you will see that your children attend school each day in future.

Your obedient servant

Assistant Deputy and Secretary

Mr. Peter Sharron,  
St. Regis,  
QUE.
