

# *The* LONDON ADVERTISER

## **Our Evening Edition...**

Is the paper that is largely read in London, and, therefore, is valuable for advertising purposes. Business men know this. Circulates by carrier boys and agents direct to the homes.

## **Our 2 p.m. Edition...**

Has the largest circulation of any noon paper in Canada. It circulates in every town in the west, and is delivered to farmers in the surrounding counties by stages.

## **Our Weekly Edition...**

Cannot be equalled by any weekly in Western Canada. It has been known for years as the premier weekly of the West. Local merchants can reach an excellent class of readers.
