

Seventy-Five Years Ago

On the first of February, 1843, The Mutual Life of New York issued the first mathematical reserve policy ever written by an American company.

Having completed its 75th fiscal year on the 31st December, 1917, the Company enters upon the new year with a justifiable pride in its impregnable strength, its unsurpassed policy contracts, its generous dividends, and its great body of well-satisfied policyholders.
