# It Pays to Read, if You Read the BEST.

AMERICA has no agricultural paper equal to the FARMER'S ADVOCATE AND HOME MAGAZINE for the Canadian farmer and his family. Old subscribers are its most appreciative readers, because they have proved its usefulness. It has stood the test of 33 years as a pioneer of agricultural progress and in fighting the battle of the farmer and the stockman.

### Every Farmer Should Take It.

JOHN PRATT, Buckingham, Que.: "I think every farmer in the Dominion ought to take the FARMER'S ADVOCATE for his own interest."

### Best in the Dominion.

FRED GORDON, Hants Co., N. S.: "Please enclosed find \$4.00 for four yearly subscriptions to the FARMER'S ADVOCATE, which is the best farmers' paper in the Dominion."

### Good Investment.

J. G. WELLS, Cumberland Co., N. S.: "I like your journal very much. I have made a good investment."

### A Welcome Guest.

D. ROGERS, P. E. I.: "The FARMER'S ADVOCATE is always a welcome guest at our home."

### Leads them All.

PETER SMITH, Grey County, Ont.: "I see no agricultural paper that I like as well as the ADVOCATE. I think it leads them all."

### Looking for Each Issue.

J. W. STEPHENS, York Co., Ont., writes: "I find myself looking for each issue before it is due, as there are so many helpful articles on all branches of farming."

### Good Value.

Mr. H. R. ROSS, B. S. A., of Hastings Co., Ont., in writing one of the editors of FARMER'S ADVOCATE, says: "I must congratulate you upon the excellence of this year's ADVOCATE. For good value I think it would be hard to beat."

### Best of the Lot.

C. A. APPELBY, Libertyville, Ill.: "I think the FARMER'S ADVOCATE is the best paper of its kind that I have seen. I have taken nearly all of the leading papers on farm and stock-raising, and I think it is the best of the lot."

## No Dollar Invested in any other way will Pay as Big Returns.

In practical articles and letters, answers to questions on all branches of farm work, and in its wealth of beautiful illustrations, the ADVOCATE for 1900 will far surpass all its predecessors. It will help the reader to success on the farm, and we therefore confidently invite our present subscribers to secure for us as many new subscribers as possible, on which we will allow cash commissions or premiums, of which announcement will appear later. By subscribing now persons will secure the remainder of this year's issues and all of 1900 for \$1.00. We want first-class subscription agents to work either on salary or commission.
