KENDALL'S SPAVIN CURE

Works thousands of cures annually. Endorsed by the best breeders and horsemen everywhere. Price, \$1; six for \$5. As a liniment for family use it has no equal.

West Lome, Ontario, Can., Dec. 14, 1898.

DR. B. J. KENDALL CO.

Dear Sirs:—A year ago I had a valuable horse which got lame. I took him to the Veterinary Surgeon who pronounced it **Spavin** and gave me little hope, although he applied a sharp blister. This made matters only worse and the horse became so lame that it could not stand up. After trying everything in my power I went to a neighbor and told him about the case. He gave me one of your books and I studied it carefully and being resolved to do the utmost in favor of my beast, went to the nearest drug store and got a bottle of your Spavin Cure and applied it strictly according to directions. Before the first bottle was used I noticed an improvement, and when the seventh bottle was about half used, my horse was completely cured and without leaving a blemish on him. After ceasing treatment I gave the horse good care and did some light work with him, wishing to see if it had effected a cure. I then started to work the horse hard and to my entire satisfaction he never showed any more lameness through the whole summer. I can recommend Kendall's Spavin Cure not only as an excellent, but as a sure remedy, to any one that it may concern. Yours truly, SAMUEL TRITEN.

Ask your druggist for Kendall's Spavin Cure, also "A Treatise on the Horse," the book free, or address DR. B. J. KENDALL COMPANY, ENOSBURG FALLS, VT.

FARM FOR SALE.

100 ACRES, one mile east of the Corporation of Springfield. Well supplied with flowing wells and good buildings. Amongst the many advantages are grain, cheese, and hog markets. The owner is induced to sell through the advance of years. On easy terms. **JOSEPH NESBIT, Sr.** Springfield, Sept. 6, 1900.

Shorthorn

Cows and heifers (also a November bull calf), including the imported cow, Northern Empress, and her 3 mths daughter (imported in dam). **A. P. ALTON & SON, Appleby, Ont.**

IT PAYS TO ADVERTISE IN THE FARMER'S ADVOCATE

GOSSIP.

At the coming Pan-American Exposition to be held in Buffalo in 1901 the poultry section will be held some time in October. This will suit Canadian exhibitors.

Mr. L. G. Jarvis, the well-known poultry judge, and his family have moved back to Canada again, and are now residents of Montreal, where Mr. M. P. Jarvis has found occupation in a more lucrative position than he held at the Uplands Poultry Farm, Maryland.

By order of the Board of Agriculture, eighty eight animals were slaughtered on Thursday at Trellewell farm, in the parish of Rhuddlan, North Wales, in consequence of an outbreak of foot-and-mouth disease. The police are guarding the farm, and the preventive measures adopted are very rigid, and several officials of the Board of Agriculture are investigating the cause of the outbreak.

E. Jeffs & Son, Bond Head, Ont., write:—"Our Russell bull, Prince Arthur—23377—is leaving us a grand lot of calves. We sold six of our heifer calves the other day; only three left. Have seven yearling heifers, just daisies, and at grass. Our Leicester lambs are doing nicely, and are by the 2nd-prize ram shown by Mr. Kelly last fall. Our Southdown rams are also doing well. They are by a ram imported by Dr. Morton, of Barrie." See Messrs. Jeffs' change of advertisement.

The death took place of Mr. W. H. Maxwell, of Munches, Kirkcubrightshire, one of the oldest and best-known stock-breeders and agriculturists in the south of Scotland. Mr. Maxwell, who was in his 83rd year, was a prominent man in the live-stock industry. Deceased was always a staunch supporter of the Galloway breed. He presided on many occasions at the annual meetings of the Society, and for many years was a constant figure at the Galloway ring in the showyard of the Highland and Agricultural Society, of which body he was also for several years a director.

A meeting of the Managing Board of the Ontario Poultry Association was held in Toronto, Sept. 6th, with Wm. McNeil, London, in the chair. The business undertaken and accomplished was the perfecting of arrangements for the annual show in Guelph, December 11th to 14th, 1900. Mr. A. G. Gilbert, Ottawa, addressed the meeting, referring to the marked advance that has taken place in the poultry industry during the last five years. An important feature referred to was the appointment of Mr. F. C. Hare, of Whitby, to the charge of the fattening stations in various parts of the Province.

OFFICIAL RECORDS OF U. S. HOLSTEIN-FRIESIAN COWS.

During August, 1900, fourteen official tests have been reported to me. Every practical dairyman will recognize that this is a surprisingly large number under the unfavorable conditions of intense summer heat. One indicates nearly nineteen pounds of butter at 80 per cent. of fat to the pound, and a 2-year-old heifer produces over 16 pounds. Summarized, the records are as follows: Two full-age cows, average 5 years 8 months 22 days old; 28 days after calving: Milk, 405.9 pounds; butter-fat, 13.900 pounds; equivalent to 17 lbs. 6 ozs. butter 80 per cent. fat, or 16 lbs. 3.5 ozs. 85.7 per cent. fat. Six cows (3-year-olds), average 3 years 8 months 22 days old; 44 days after calving: Milk, 367 pounds; butter-fat, 11.348 pounds; equivalent to 14 lbs. 3 ozs. butter 80 per cent. fat, or 13 lbs. 3.9 ozs. 85.7 per cent. fat. Six cows (two-year-olds), average 2 years 3 months old; 20 days after calving: Milk, 349.3 pounds; butter-fat, 10.480 pounds; equivalent to 13 lbs. 1.6 ozs. butter 80 per cent. fat, or 12 lbs. 3.6 ozs. 85.7 per cent. fat. Superintendent Advanced Registry, Yorkville, N. Y.

CALL FOR WEST HIGHLAND SHEEP BY A FARMER'S ADVOCATE ADMIRER.

Mr. Robert Elliot, of Chateaugay Co., P. Q., under date of Sept. 4th, writes us as follows: "I have read the article entitled, 'Some Old Country Breeds to be Introduced into Canada,' by J. G. Davidson, in the September number, and write to you with regard to the Blackfaced sheep of the West Highlands. I purchased six of that breed last winter. The flock contains one old ram, one yearling ram, one aged ewe, two two-year-old ewes, and one yearling ewe. The two two-year-old ewes had a lamb each this spring, and ram and ewe, and one of the ewes sickened and died during the summer; the lambs have done well. I wish to part with the two rams and buy a new one. Can you tell me if any of your correspondents or subscribers have the breed, and how I could sell my own? I would like to find a purchaser for mine before I buy myself. They were imported by Henry Morgan, of Montreal. I have been a subscriber to your paper for nearly a year, and find it all a farmer could require. Hoping I have not taken up too much of your reply, I remain, "ROBERT ELLIOT."

[EDITORIAL NOTE.—Any person having West Highland sheep would find it of decided advantage to make the fact known through our columns. We would be glad to hear from anyone who can be of help to Mr. Elliot in this matter.]

SHORTHORN CATTLE AND LINCOLN SHEEP.

Imp. The Baron at head of herd. Seven young bulls for sale—good ones. Also a few females. Stud rams all imported from H. Dudding, Esq.; the same blood as the 1000-guinea ram. **J. T. GIBSON, DENFIELD, ONT.**

SCOTCH SHORTHORN BULLS AND HEIFERS

HERD ESTABLISHED IN 1872. Such sires as imported Royal George and imported Warfare have put us where we are. Imported Blue Ribbon now heads herd. **A. & D. BROWN, ELGIN COUNTY, IONA, ONTARIO.**

H. CARGILL & SON,

CARGILL, ONTARIO, CANADA.

WE have the largest herd of Cruickshank and Scotch-bred imported cattle in Canada. Herd headed by the Duthie-bred Golden Drop bull, imp. "Golden Drop Victor," assisted by the Marr-bred Princess Royal bull, imp. "Prince Bosquet." The herd will be augmented about 4th August by a fresh importation of fifty-two head, personally selected by Sylvester Campbell, of Kinellar, an expert judge both as to individuality and pedigree. The cattle in this lot will compare very favorably with any lot yet imported. All females of suitable age are bred to the very best bulls obtainable. Correspondence or personal inspection invited. Catalogue and service list upon application.

Cargill Station is on the Farm, Half a Mile from Barns, and 70 Miles North-west of Guelph. See Catalogue for Map.

THE BREED THAT FIRST MADE HILLHURST FAMOUS

THE HIGHEST-PRICED

SHORTHORN FEMALES

Ever sold in Great Britain and the sire and dam of the 4,500-guinea Duke of Connaught were bred at Hillhurst. To-day "Joy of Morning," the highest-priced Scotch-bred bull ever imported to Canada, and "Scotch Hero," brother in blood to the Royal champion bull, are in service in a herd of 65 Scotch and Scotch-topped Shorthorns in a hilly limestone district, where cool summers, green pastures and winter food more closely approach Aberdeenshire conditions than any other part of the continent. **HAMPSHIRE DOWN AND SHROPSHIRE SHEEP.**
