HAY LOADERS AND HAY TEDDERS

—MANUFACTURED BY THE—

WILSON M'FG CO.

HAY LOADER

With a hay loader a man with a steady team can load alone. A man with a boy to drive can load as fast as three men can pitch on. If a third person is at hand two men on a wagon can load a ton in five minutes.

HAY : TEDDERS.

In catchey weather a Tedder will pay for itself in one season. Prof. Shaw, of the Ontario Agricultural College, says that with a horse and a small boy he could do the work of 10 men in turning hay. For further information address
