

**An Improvement on Nature.**

Nature gives us fruit to keep us healthy. But fruit can't bring back health after we lose it. It takes something more effective than fresh fruit to cure Stomach, Liver and Kidney Diseases.

**Fruit-a-tives**  
or Fruit Liver Tablets

are fruit juices in tablet form. We improve on nature by our secret process. By it, we so change the medicinal action of the fruit, that "Fruit-a-tives" are rendered effective enough to cure Constipation, Biliousness, Torpid Liver, Indigestion and Sick Kidneys.

If you want to be rid of these troubles, ask your druggist for a box of "Fruit-a-tives." They never fail. 50c. a box.

**A LEGEND OF THE ROBIN.**

The old Britons had a beautiful legend of the robin which embodies so much of tenderness and religious sentiment that it ought to be preserved as an evidence of the softening influence of Christianity on this warlike people.

When our Saviour went forth, bearing His cross, and with the crown of plaited thorns piercing His brow, a little bird, touched with pity for His sufferings, plucked from the crown one thorn, which carried with it a drop of blood.

"This blood, 'tis said,  
Down dropping, dyed the tender bosom red."

Since this time, the legend runs, the bird has borne a charmed life, for the little creature had "done what she could" for her Master.

"Since then no wanton boy disturbs her nest,  
Weasel nor wildcat will her young molest,  
All sacred deem the bird of ruddy breast."

This tradition is, perhaps, the foundation for the high favour, amounting almost to reverence, in which the "red-breast," as they lovingly call it, is held by the English people to this day.

**THE ONE-TALENT GIRL.**

"I wish I had a million dollars," sighed Marion.

Her father glanced from his paper to the sweet, flushed face. He laid down his paper. "What would you do if you had a million dollars?"

"I've been reading about Miss Helen Gould and the good she has done. I would build an orphan's home and educate poor children," she answered.

"Marion, have you ever read the parable of the ten talents?"

"Why, yes, father."

"Who did the most good?"

"The one with the most talents, of course. He had something to do with," answered Marion.

"What did the man with one talent do?"

"That is true to-day. The men with money are doing much good. Most of them, like Miss Helen Gould, have nobly done their part, and the men with one talent look on, envy, and let their own talent rust," her

father earnestly said.  
Marion was sixteen, and an earnest, thoughtful girl. "You mean"—she began, and then hesitated.
