

divide the shares? When does a girl become of age?
Sask. H. A. B.
Ans.—1. The eldest son should apply for Administration.
2. A girl becomes of age at 21

DAMAGE BY WIRE.

A. bought land and while in the process of fencing it, it grew dark before the wire was nailed to the posts it having been stretched. During the night B's horse runs into the wire and is badly hurt. Can B. collect any damages or make A. pay for said horse? If so how much?
Alta. S. S. S.

Ans.—No.

OX YOKE.

1. Will you please give diagram of yoke for oxen also describe method of hitching them to wagon of implements?
2. What wood which can be obtained locally is suitable for smoking bacon?
Alta. A. C. O.

Ans.—The cut herewith illustrates the shape of an ox yoke. It should be a little wider from front to back than from top to bottom, from seven to nine inches would be average dimensions depending upon the strength of the timber.
2. Any of the common woods would do they are not resinous and would not taint the meat.

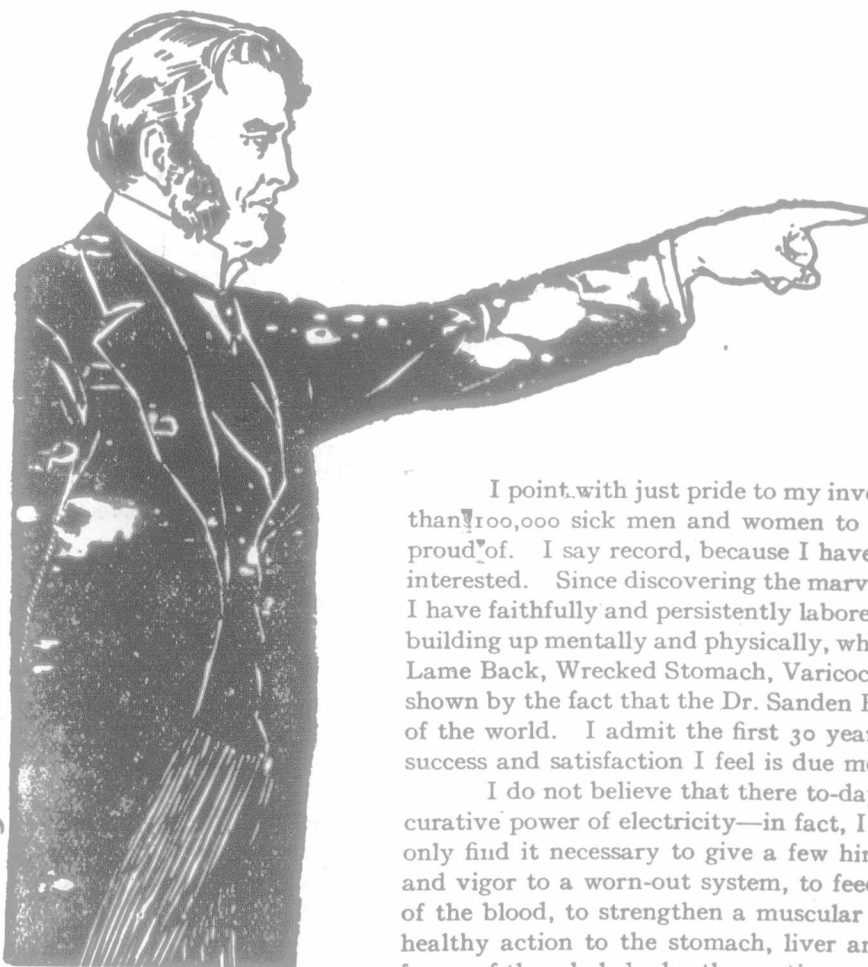

THE NATIONAL DAIRY SHOW AT CHICAGO.

At the National Dairy Show, held in the Coliseum, at the Union Stock-yards, Chicago, last month, Canadian herds scored high. In Ayrshires, a Canadian-bred cow won first, and Annie Laurie, the first-prize Ayrshire in dairy test at Guelph in Dec. last, exhibited by H. McKee, Norwich, Ont., was second. Mr. McKee also won first on two-year-old heifer, yearling heifer, yearling bull and herd.

In Holsteins, Geo. Rice, Tilsonburg, Ont., won first and second for cows, and the championship with Daisy Texal 2nd, not unknown to fame in Canada. The second-prize cow is Faultless Queen De Kol. There was no milking trial at this show, the awards being made by inspection only.

Mr. Andrew Graham, Pomeroy, Man., breeder of Clydesdales, Shorthorns, Yorkshires and Barred Plymouth Rocks informs us that he has disposed of all his saleable Yorkshires and that the demand for them this winter has been fairly brisk. He is now offering fine young bulls for sale which are in the best of thrift and all bred on approved shorthorn lines. One is by Golden Standard out of Duchess of Gloucester, another by Manitoba Chief, out of Forest Lil, another by Manitoba Chief out of imported Cowslip, another by Golden Standard out of Rose of Autumn 17th, and one by Golden Standard out of Crimson Rose by Manitoba Chief. This is good breeding and the bulls are individually high classed, ranging in age from nine to eighteen months. Get the bull early and have him settled before grazing season.

Pay me when Cured

My World-famed Remedy Given on Free Trial Until Cured.

I point with just pride to my invention, which during 40 years has enabled more than 100,000 sick men and women to regain their health and vigor—a record to be proud of. I say record, because I have the proof always open to inspection for those interested. Since discovering the marvellous curing powers of electricity 40 years ago, I have faithfully and persistently labored to bring it to the notice of sufferers who need building up mentally and physically, who are troubled with Nervousness, Rheumatism, Lamé Back, Wrecked Stomach, Varicocele, etc., and how well I have succeeded is best shown by the fact that the Dr. Sanden Electric Herculex is now standard in every part of the world. I admit the first 30 years was hard work, but I am now enjoying the success and satisfaction I feel is due me.

I do not believe that there to-day is a grown person who doubts the wonderful curative power of electricity—in fact, I take it for granted there is not. I, therefore, only find it necessary to give a few hints as to its application. To restore strength and vigor to a worn-out system, to feed the brain and nerves, to drive uric acid out of the blood, to strengthen a muscular center, as in lame back, to give renewed and healthy action to the stomach, liver and kidneys—in short, to really renew the life forces of the whole body, the continuous galvanic current must be used and applied in a mild, prolonged manner, to allow the system to absorb it. The strong, harsh current applied from the ordinary battery is mostly wasted, as the system only accepts a small portion of it, just as the sudden heavy shower mostly runs off, while a gentle, prolonged rain is thoroughly absorbed. My invention does exactly as explained above. You put it on when going to bed and take it off on arising in the morning. It gives a soothing, exhilarating current you instantly feel, but not sufficient to in the least disturb you. It fills you with new life, and electrifies every nerve and drop of blood in your body. As weakness and disease is a LACK of electricity, how can you wear my Electric Herculex without receiving benefit? I know you cannot, therefore I invite you to send for it on absolute free trial.

Not a Cent to be Paid Until Cured

The price is as low as \$5.00 in many cases, and you get a discount for cash if you prefer to deal that way.

As the founder of the Electric Body-Battery system of treatment, my success is the envy of many, and my Herculex is, of course, imitated (what good thing is not?), but my great knowledge to advise and direct my patients is mine alone and cannot be imitated. I give it free to all who use my invention until the cure is complete—My Herculex is guaranteed to give a current for at least one year.

Call or send for my Electric Herculex to-day, or if you want to look into the matter further, I have two of the best little books ever written on electricity and its medical uses, which I send free, sealed, upon request.

DR. C. F. SANDEN, 140 Yonge St., Toronto, Ont.

Points of Excellence that Make

Wells, Richardson & Co.'s Improved Butter Color

The Most Perfect Color.

Wells, Richardson & Co.'s Improved Butter Color never turns a reddish or brick tinge; butter colored by it always retains the lovely golden June tint.

It is the only color that is chemically pure and harmless. Leading experts vouch for its wholesomeness and freedom from taste or smell.

Its keeping qualities are perfect; it never becomes rancid or sour. It is the strongest color made, therefore the most economical.

Wells, Richardson & Co.'s Improved Butter Color is reliable at all seasons, because it never varies in purity or quality.

We Grow All Kinds of **HARDY TREES & PLANTS** And Sell Direct to Planters Catalog Free. **STRAND'S NURSERY** R. F. D. Taylors Falls, Minn.
