

PREST-O-LITE THE PORTABLE

IT matters not where the welding and cutting job is, Prest-O-Lite is available. The ship repair work shown here is but one example of Prest-O-Lite portability.

Prest-O-Lite

DISSOLVED ACETYLENE

"The Universal Gas with the Universal Service"

is the choice of thousands upon thousands of welders who from long experience have learned that this gas produces perfect welds and cuts.

Our conveniently located plants and branches have ample capacity to fill every demand. Write for details of our Nation-wide Service Plan.
