Burlington to Open New Fair Grounds

Many Features at the Fair
This Year

The directors of the Nelson and Burlington Agricultural Society have arranged an attractive program for the opening of the new fair grounds on Tuesday and Wednesday, Sept. 27th and 28th.

On opening day the exhibits will be placed in the tent. The prize list has been increased considerably this year, and the exhibit should be one of the largest in the history of the fair. Write the Secretary, Stanley Dynes, Burlington, for a prize list.

There are many features for the fair this year. There will be a five mile automobile race for \$25, three prizes being offered by Mr. J. M. Mc Kee, agent for the Chevrolet cars. Then there will be trials of speed, for which purses amounting to \$600 are offered. There will be three classes, 2.35, 2.25 and 2.15, besides a buggy race for trotters only. There will also be a five mile bicycle race for prizes valued at \$25.

Special mention may be made of the new race course, which has been so arranged to meet all requirements. The half mile track is perhaps one of the finest courses in Canada, having been laid out by first-class civil engineers.

Then there will be the baby show, choruses by school children and a competition for drill teams. There will be the midway and the other attractions. The Burlington Fireman's Band has also been engaged.

The new large crusher is now in operation at the mountain on the Provincial Highway and about a dozen large trucks are required to handle the output of the crusher which is 1000 yards a day. The stone is delivered to the crusher by a miniature steam railway. Many visitors are daily viewing the work.

An interesting time took place at the Nelson School Fair last week. About 2000 people were present, and the exhibits were above par. In the marching No. 13 school took 1st prize, 14 schools being in the contest.

Robert Harvey

The funeral of the late Robert Harvey took place on Saturday afternoon last from his late home on Mill street to Waterdown cemetery and was largely attended. Services at the home and grave were conducted by the Rev. Mr. Wedderburn. The pallbearers were Chas. Emery, John Duncan, Albert Hemingway, Thos. Little, Wm. Flatt and John Foster.

The late Mr. Harvey, who was in his 63rd year at the time of his death, was the eldest son of Robert Harvey and was born in Ancaster Township. He was a man widely known in these parts, having resided in this district practically all his life. A man of upright character and possessing many other noble traits, and was always held in the highest esteem by all classes of citizens who will deeply regret his death.

Deceased was married 20 years ago to Miss Isabella Hall, two sons Clarence and William, and one daughter Edith, blessing the union. Besides his wife and children, he leaves to mourn his loss, three brothers, William of Carlisle and Isaac and John of Waterdown, and four sisters Mrs. Burnett of North Dakota, Mrs. Frank Baker, Mrs. J. J. Green and Miss Margaret Harvey of this village.

Woolley-Buchan Wedding

A very pretty wedding was solemnized by Rev. H. J. Leake in Grace church on the 14th when Elsie, eldest daughter of Mr. and Mrs. Eli Buchan was married to Mr. John Woolley, late of Staffordshire, England. Mr. Woolley is a valued employe of the Massey-Harris Co., Hamilton. The young couple will reside on Fullerton Ave., Hamilton.

A red hot game of ball will be played here between Campbellville and the Harvesters Saturday afternoon at 3 o'clock. The result of the series ending has never been satisfactory to Campbellville, and this game is to convince the public that they are the better team.

The Harvest Home Anniversary Services of the Methodist church will be held on Sunday, Sept. 25th. Rev. H. B. Christie will preach. On Monday evening a splendid Harvest Home Supper and Entertainment will be provided by the Ladies' Aid. Everybody welcome.

The residents on Main street were highly honored one evening last week being serenaded by the celebrated Waterdown Silver Cornet Band, a new musical organization. A choice program was rendered consisting of waltzes, two-steps and live songs, after which they were hospitably entertained at luncheon.

Kings Daughters Concert

The annual concert of the Kings Daughters will be held in the Rink on Tuesday evening, October 4th. The Maple Leaf Quartette of Galt has been engaged and will furnish entire program. All arrangements for the entertainment have been completed, and everything points to an evening of high class talent.

The popular song these days in this village seems to be "The Girl I Left Behind Me." Nearly every man and boy one meets on the street is either singing or whistling this popular air. Can it be a case of sour grapes?

There are now 78 pupils attending the High School here. This is a recorded attendance, and almost daily one or more new scholars are added to this number. The Public school is also well attended. The staffs in both the High and Public schools are efficient ones and are certainly making good. Waterdown now has two schools second to none in the province, and are bound to succeed under such able management.
