GRAFT OF \$2,600,000

Paid to Two Members of Insurance President's Family.

Brought Out in Testimony Before Legislative Investigation Committee Touching the Affairs of the Mutual Life Insurance Co.—More Cash For Republicans—Will Investigate Fraternal Insurance Before Quitting.

New York, Oct. 6.—It was brought out by testimony before the Legislative investigation committee, yesterday, that Robert H. McCurdy, son of Richard A. McCurdy, president of the Mutual Life Insurance Co., has received as commission on foreign business, \$1,163,829; and on domestic business \$541,352, and that Louis A. Thebaud son-in-law of Richard A. McCurdy, has received an aggregate of \$20,113 in commissions from the company. Robert H. McCurdy said he expected his income this year would be about \$110,000.

Previous to this testimony W. F. Thummel, an attorney of the Mutual Life Insurance Co., testified that he had paid to the chairman of the Republican congressional campaign committee \$2,500 in cash as a campaign contribution, which had been given him for the purpose by Vice-President Robert A. Grannis.

Mr. Jerome, in announcing in court that the scandals will be submitted to an extraordinary grand jury, said the inquiry by the legislative committee had shown "greater moral obliquity and moral obtuseness on the part of the persons important in the business world than did the shocking revelations in regard to the Equitable Life."

Hyde Gets No Favors.

Another incident of the day's developments was the publication of a letter from Charles E. Hughes, counsel to the Legislative committee, to Samuel Undermyer, counsel for James J. Hyde, the former controlling stockholder of the Equitable Life Assurance Society, in which Mr. Hughes said the committee would make no discrimination in favor of Mr. Hyde in his examination before the committee.

The Chamber of Commerce yesterday adopted a resolution declaring that additional legislation is needed for the proper regulation of life insurance companies.

Fraternal Insurance, Too.

In response to a letter of inquiry from a member of the Royal Arcanum, Senator Armstrong, chairman of the Legislative Insurance investigating committee, wrote yesterday that "We intend to devote some time to fraternal insurance before we finish our labors."

McCall Must Repay.

Jefferson City, Mo., Oct. 6.—State Insurance Superintendent W. D. Vander last night announced that unless John A. McCall resigns the presidency of the New York Life Insurance and repays the money which the commissioners think has been improperly diverted from the trust fund for political purposes, he will immediately take steps to take away the company's charter in Missouri and stop the company from doing business in the state.
