

## "The Sick Man..." of Leatherhouse"

Being a modest little book which recounts the discovery, by Messrs. Footfriend and Proudfoot, of a certain party who lives in a fine house but is much in need of a bath.

Mr. Footfriend has left us a few copies free for quick distribution, to folks who are too poor to pay \$6.00 for a pair of \$3.00 shoes.

If you are qualified, please call, or write, and get one from—

Mr. R. E. Harris lost a valuable horse this week.

The residence occupied by Mr. S. R. Sleep, just west of the barber shop, has this week received a coat of paint. It has brightened up its appearance very much.

Dr. J. E. Mulloney's new office, which he is erecting on his lot just west of the residence of Rev. C. H. Martell, is rapidly nearing completion. The Doctor will probably get moved in in a week or two.

A reception was given on Friday evening of last week, in College Hall, by the combined Y. M. C. A., and W. C. T. U., of the University. We understand that the usual degree of enjoyment was had.

Notice Boys' Navy Sweaters just arrived at Borden's.

The forest trees are now in prime condition for the autumn trade. "Rainbow tints," "golden hues," "dusky foliage," etc., etc. "Let her go," ye long-haired fiends. "What can't be cured," the old adage says, "must be endured."

That bright little journal, the *Digby Telegram*, which about a year ago suspended publication, is again to hand. It is published every Wednesday and Saturday, and is as lively as ever. We wish its enterprising editor, Mr. McBride, every success.

Crystal Band of Hope of this town, which has not been holding meetings during the summer months, is about to resume work again. This afternoon, in Temperance Hall, the first meeting will be held. It is hoped there will be a full attendance of the members, and all those interested in this important work among the young.

The football match played on the Campus on Saturday morning last, between the Academy team and the Sophomores, resulted in a draw. The teams are well matched, and the game was an interesting one. No one was killed, and only one seriously injured, Mr. Elliott of the Sophomores, having his neck quite badly hurt.

The Acadia Dairy Co. is now doing a rushing business. Manager Logan informs us that double the quantity of milk is now being received daily at the creamery as was taken in last year. About 1400 pounds of butter per week is being made, which is in good demand. It is likely that the creamery will be unable to keep up with its orders in a short time.

Cheap, very Cheap.

Owing to several bad washouts on the D. A. railway between Bedford and Halifax the Monday morning's express did not reach Wolfville until about three o'clock. The morning train from Kentville did not reach Halifax until about 1 o'clock. Sunday's downpour did an immense amount of damage at Halifax and elsewhere. In this city the engineers have estimated that it will take \$30,000 to repair the damage.

I have just opened for fall and winter a large quantity of ladies' fall and winter dress suitings—in 64 high goods—in separate dress lengths, including Canadian and English, Scotch and German. WARNING!

TO PIANO AND ORGAN PURCHASERS!

THE great popularity of the "BELL" PIANOS and ORGANS has

created much jealousy among certain Piano dealers. Bear in mind

that the latest improvements are not owned by and cannot be secured from

any firm in Nova Scotia but the

Willis Piano and Organ Co.

Any other advertiser, therefore, who may claim in any way the agency for

the Bell Pianos, or Bell Organs, do so under false pretences, to attract at-

tention to goods sold in opposition to those renowned instruments.
