

Clothes Style Preferred

Intuition or Environment?

Men consult not only their own preference but often the opinion of others in purchasing their clothes.

That particular style of clothing which is preferred by one's own class of society is always an argument and an influencing factor in the choice.

So that one's own taste must always be influenced by environment.

In the Semi-ready Tailoring we study the important and the minute details of correct and cultured dress for men.

The Season's Fashions

The care with which we select our fabrics is another reason why we have always won the approval of men who admire cultured dress.

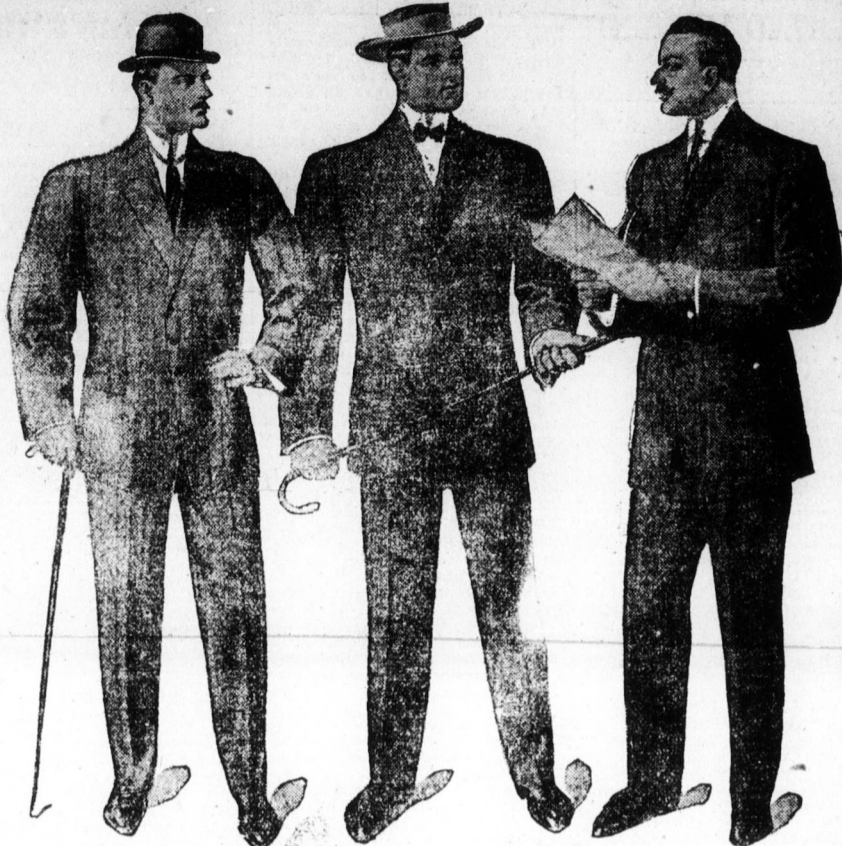

Among the mass of patterns shown, you will find the Semi-ready fabrics very smart indeed.

For business men we are showing some really new designs, personally selected by our resident buyer in England, and passed upon for approval by our designers.

Suits at \$25 and \$30 that bear the trade mark of distinction in style and in design.

THREE, FOUR AND FIVE BUTTON FASHIONS

With buttons closer together one feature of the new and correct styles in men's dress are here shown in three models taken from the Semi-ready wardrobes.

SHRUBB BEAT ST. YVES

Englishman Ran Good Race at N. Y.

Another Big Derby Under Way.

Meadows Beaten by John Marsh.

New York, April 25.—Alfred Shrubbs, of England, once more proved himself the great middle-distance runner in the business by defeating Henry St. Yves, of France, at the American League grounds last night.

The night was cold and windy, and this probably affected the runners as well as the attendance.

St. Yves was the first to appear on the track, but he preceded Shrubbs by only a moment.

Shrubbs finished the third mile in 15.52, the fourth in 20.56, and the five miles in 26.23.

In the second lap of the eighth mile Shrubbs once more got up to the Frenchman and ran at his heels.

Shrubbs finished the eighth mile in 43.12, the nine miles in 49.23, and the ten miles in 55.39.

Shrubbs, content to hold his established lead of two laps ran beside the Frenchman during the next three miles.

St. Yves sprinted again during the fourteenth mile, and for a brief time he drew away, but Shrubbs let out a link and soon caught him.

Shrubbs won at the classic distance of 26 miles 385 yards.

Most of the leading runners invited to compete are as follows: St. Yves, Longmont, Dorando, Shrubbs, Hayes, Maloney, Svamborg, White, Simpson and Carajal.

A great deal of interest was evinced in the race, following the victory of Meadows during the week, and the posting of the big stakes, and a good deal of money was wagered on the side.

At the tenth mile Marsh had a lead of 30 yards, which he increased to 75 yards in the next mile.

COMMENT AND GOSSIP

Billy Sherring was notified by telephone on Saturday night by Secretary Crowe, of the C. A. A. U., that the Executive Committee of that body had decided not to issue a card to him.

The following is from the Toronto Star of Saturday: "Will the C. A. A. U. please explain how amateur boxers and wrestlers can mingle in Hamilton tournament like they did last night?"

While the track at the H. J. C. is in fine shape, only a few gallopers are there to take advantage of it.

Toronto World: The late Charles H. Biggar held the world's record for many a day for the running broad jump.

The officers of the Hamilton Marathon A. C. are considering the advisability of joining the Federation.

The most valuable racing event ever given in this country is to be one of the attractions at Fort Erie during the summer meeting of next year.

Another game will be played next Saturday afternoon at the same place.

A writer in the New York Evening Sun comes pretty near the mark when he says: "The old breed of pugilists were more forthright; they went out of doors and battered each other's features with their bare hands.

"Now the professor of pugilism sits in his office and dictates to his secretary his words, not of defiance, but of business. If it shall be made sufficiently an object to him to break up the schedule of his dramatic engagements already made, he will consider the terms of a professional encounter which may be arranged in some comfortable indoor arena.

Buffalo, April 26.—According to private advices, the press dispatches were wrong in saying that Gotch threw Charley Olson, of St. Louis, at Marshalltown last Monday night.

Gotch has a busy schedule ahead of him. He has been wrestling in Iowa towns last week and it has been one continuous ovation.

The champion will start out again this week and will keep going for a time in anticipation of that match with Hackenschmidt.

On Tuesday night he will wrestle Dr. Heller in Kansas City; on May 3rd, Westgaard, in Des Moines; May 6th, Fred Beel, in Denver; then jumps to Portland, Spokane and Salt Lake City for local men, winding up at the Utah capital on May 20th.

He will then return to his home at Humboldt, shortly after will visit Buffalo and in the fall take up training for the Hack match in Melbourne, Australia, in January.

He probably will leave for Australia in November, stopping at Honolulu and other points.

PRINCESS ATTENDED BOUTS. London, April 26.—English society has not been shocked because the Princess of Wales, with the Prince and her two sons, Prince David and Prince Edward, spent an hour the other night watching half a dozen hotly contested bouts between the best scrappers in the Second Life Guards and the Irish Guards.

The fights occurred in the riding school of the Life Guards, at Windsor Castle.

WATTS GONE WEST.

Brantford Loses Another Good Ball Toss.

Brantford, April 26.—(Special.)—All Watts, one of the best known local ball players, packed his belongings here yesterday and hid himself to Brandon, Man., where he will join the wheat city aggregation in the Prairie League as a pitcher.

Watts came here from London two years ago, and his pitching won the championship for Verity's in 1907.

His sponges gave him a handsome travelling bag as a token of farewell. Watts makes the third local player to leave this spring, Jimmy Bradley having gone to McKeesport in the Interstate League, and Cancelli to Erie, Pa.

The Verity's hope to secure a minor league twirler of some repute to take Watts' place. Manager Bond, of that club, was at the station on Saturday night with a contract ready for Ernie Memory, of Hamilton, but the latter did not turn up.

Dabby Shea has arrived here from Peterboro to play with the G. S. & M. outfit.

teams collided in their second struggle on Saturday. This time the Maple Leafs were forced through the narrow end of the horn, though McGinley, who worked at the delivery country for seven innings, had the honor of making the first home run in the Eastern League this season.

The verdict was 3 to 1. McGinley made his four furlong drive in the second inning, a clean wallop over the left field fence, and he it known that that will not be in the immediate vicinity of the home plate. It looked for a time that the homer would spell another defeat for Newark, especially after Kelley's men had smothered the locals in the third inning, when the bases were filled with only one out.
