A PROCLAMATION
BY HIS EXCELLENCY
GEORGE DUNDAS, Esquire,
Lieutenant Governor and Commander-in-Chief in and over Her Majesty's Island of Prince Edward, and the Territories thereto belonging, Chancellor, Vice Admiral, and ordinary of the same, &c., &c.
[S.]
GEORGE DUNDAS, Lieut. Governor.
WHEREAS, it appears that divers persons in certain parts of this Island have associated, or associated together, for the purpose of counselling, aiding and assisting one another in resisting the payment of certain Rates, which they became legally bound to pay, as Tenants, on certain Townships in this Island.
And whereas it has been brought to my notice that an Objection of the Law has recently been violently obstructed and prevented from discharging his duty by persons who have so combined as aforesaid. Now, I have thought fit to issue this my proclamation, warning all parties concerned in such unlawful combinations that in attempting to carry out such purposes, they do oppose themselves to Her Majesty and the Law.
And I do command and enjoin all such persons immediately to abstain from all such unlawful associations.
And I do further command and enjoin all Magistrates, Sheriffs, and other Ministers of the Law, and all Constables and Peace Officers, and all other loyal subjects of Her Majesty, to discourage, by every means in their power, such unlawful combination, and to give their prompt aid and assistance, when lawfully required, in opposing, preventing, and resisting all persons, whomsoever, who shall take part in any such unlawful combination, and in arresting and bringing to justice any such persons offending, or having offended as aforesaid.
Given under my hand and the Great Seal of this Island, at Charlottetown, in the said Island, this twenty-second day of March, in the year of our Lord one thousand eight hundred and sixty-five, and in the Twenty-fifth year of Her Majesty's reign.
By command,
W. H. POPE, Col. Secretary.

MOORE, 251 Broadway, New-York, Mass., Nov. 24, 1863. Dean Sir:—I have been afflicted many years with severe prostrating claps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small, but regular dose, feeling better by degrees, in a few days I was enabled to discontinue my bed, and in a few days I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters. Respectfully, JUDITH RUSSELL.
