## HAROLD WHEELER RECEIVES WOUND

### Shot by Companion at Campbellton While Examining Revolver.

### IN SERIOUS CONDITION

Campbellton, N. B., July 31—A shade of gloom was cast over the fire-stricken community this afternoon when it was learned that Harold Wheeler, a member of the local militia, and one of the town's most popular young men, had been the victim of a shooting accident as a result of which he is now in a precarious condition.

The accident occurred at noon and was caused by the discharge of a bullet from his own revolver while in the hands of a friend of his named Porsier. The latter was examining the revolver, which is an automatic one, when the discharge took place. The bullet passed through Wheeler's arm and entered his abdomen, rendering him unconscious. He was taken to the relief hospital where he is being attended by Drs. Pinault and Price.

This is the second serious accident to take place here since the day of the fire.

That the outside world is gradually being aroused to the seriousness of Campbellton's situation was made evident by the increased number of subscriptions received here on Saturday, more than \$3,000 being added to the relief fund. A pleasing feature in connection with it was the fact that the larger part of it came from upper Canadian cities, which up to a few days ago sent in little or no assistance.

## MANY CURES REPORTED AT SHRINES OF STE. ANNE

### Huge Procession in Chicago and Ste. Anne, Ill., Where Sacred Relics Were Secured from Canadian Shrine

Chicago, July 27—A procession of 2,000 pilgrims whose homes are scattered from ocean to ocean, among them some who came on crutches, in wheel chairs and by train, marked the close of the feast of Ste. Anne, which has been in progress for nine days at St. Anne's church.

Simultaneously occurred the procession of lighted candles and the end of the Novena at Ste. Anne, Ill., the only other shrine in the United States possessing the sacred relics. At the latter place nearly 5,000 persons marched in the procession. Many wonderful cures are reported at both shrines, the lame and the halt said they were made to walk; the paralyzed claimed they were restored; and the blind asserted they were made to see. Cures were announced at Ste. Anne and Chicago. Relics of Ste. Anne in the two American shrines were secured from the shrine of St. Anne de Beaupre, Canada. The pilgrimages are held annually and attract afflicted persons from nearly every state in the Union.

## CAMPBELLTON PEOPLE STILL IN DIRE NEED

### Purse Strings are Being Gradually Unloosed but Much More is Needed if Refugees are to Survive Rigors of Winter—Measles Threatened.

Campbellton, N. B., July 31—Public appeals for help from Campbellton are as last being answered with the generosity which the desperate situation deserve and at no time since the fire is assistance more urgent now that measles threaten to become epidemic among the children.

In the case of many of the children there is sickness of some kind owing to lack of proper accommodation during the wet weather last week.

The building committee is arranging to provide homes for the poor as rapidly as the cash contributions allow. An investigation shows that about six hundred destitute people will have to be

assisted in building houses and supplying food for the winter. Even if only \$100 is spent on each of these families from now until next spring, it would necessitate a sum of sixty thousand dollars, yet only \$45,000 had been contributed up to last Saturday when several large subscriptions were received. In order to provide the bare necessities of life to the population at last \$100,000 will be needed.

Sergeant Harold Wheeler of the local militia was accidentally wounded yesterday by a comrade handling an automatic revolver. The bullet wedged in the abdomen necessitating Wheeler's removal to the temporary hospital.

The series of special week night meetings for children will commence on Wednesday, Aug. 10th at 4 p. m. I., and sacred views, make an evening of interest and instruction. The account of the work among the children of Charlottetown is full of interest, seeing that the last meeting in that city was attended by about 500 children, the building being crowded to the doors. ## DR. CRIPPEN IN GRASP OF LAW

### World Wide Search for Alleged Wife Murderer Came to An End on Sunday. Nearly Collapsed.

Father Point, Que., July 31—All doubts as to whether "Rev. Mr. Robinson and son" on board the steamer Montrose were Dr. Crippen and Miss Leneve—Crippen, the London doctor who is wanted to answer the charge of murdering his wife; Miss Leneve, his stenographer—were set at rest this morning when Inspector Dew, of Scotland Yard, boarded the Montrose and immediately recognized the pair as the people he had been sent after. They were immediately arrested and kept on the boat as prisoners, continuing on to Quebec.

The Montrose arrived off Father Point this morning at 8.30 and was met by a pilot tug, on board of which were Inspector Dew with Chief McCarthy and ex-Chief Dennis, of the provincial police, all disguised in oil skins as pilots.

When they boarded the Montrose Dr. Crippen was walking the deck with Dr. Stuart, of the Montrose. Crippen appeared nervous, and enquired why so many pilots boarded the vessel. Dr. Stuart re-

plied that possibly they were pilots returning after a trip.

The three officers walked the deck until they had a good look at Crippen and Miss Leneve. As soon as Inspector Dew saw them he recognized the two, and gave a prearranged signal to his companions. Immediately Chief McCarthy and Denis moved over and arrested Crippen and Miss Leneve, and took them down to their cabin, where they are now held in charge of Inspector Dew.

### CRIPPEN NEAR COLLAPSED

Crippen was completely taken by surprise, and became deadly pale when the officers apprehended him, his agitation being such that he was wholly unable to speak. Miss Leneve was seized with hysterics and could not say a word as she was assisted below.

The whole drama was enacted within a few minutes, and as soon as it was over a whistle was blown from the Montrose to a steam tender lying by, which enabled the thirty or more press representatives from Great Britain, Canada and the United States to board the Montrose, with the regular pilot. The vessel at once proceeded with the prisoners and police to Quebec, where she is expected to arrive shortly after midnight and where Dr. Crippen and Miss Leneve will be landed for the necessary formalities for their return to face their trial in London.

### A GOOD APPLICANT

The object of his visit is in connection with the position of chief of police of this city. Mr. Crawford states that if there is to be a change in the position of chief of police here, he is an applicant for the position.—(Continued)

## FIRE LIMITS VERY NECESSARY

### Regulations For Buildings In Certain District Should be Made at Once.

### WANT PUBLIC PARK

The Campbellton town council and advisory board held a meeting Saturday afternoon, at which the question of having a fire limit established in the town was again brought up to discussion. F. M. Anderson, of the Shives Lumber Company, was present and urged upon the council the necessity of having such a law as this established. He assured them that unless some steps in this direction were taken an enormous increase in the insurance rates would follow. The council left the matter in the hands of a committee, who will report at the next meeting.

In addition to a fire limit, G. G. McKenzie, chairman of the relief committee, stated that as a protection against fire the council should purchase land in the centre of the town to be used as a public square. This was looked upon very favorably by the council, and it is now altogether likely that such a purchase will be made.

Mayor Murray informed the council that Premier Hazen, while on his last visit here, promised to supply the council, judges and lawyers of the town, as well, with the provincial statutes and acts of assembly.

Judge McLatchy left on Saturday evening for Ottawa, where tomorrow he will appear for immediate aid. In the course of his appeal, Judge McLatchy will take occasion to remind the dominion cabinet that Campbellton previous to the fire had been the third revenue producing town in the province, and as a result was worthy of assistance if only in the way of an investment.

Sackville, N. B., July 27—An event of unusual interest took place at residence of Rev. Thos. and Mrs. Marshall, at 10.30 o'clock this morning, when their second daughter, Hilda Mary, was united in marriage to Athol Wendall Seaman, of Nelson, B. C., son of J. D. Seaman, Charlottetown.
