RUNDLE PROPERTY BROUGHT ONLY \$68,000
In our last issue we printed an article taken from the St. John Globe, relative to the sale of the Rundle property, in which it was stated that

the property was sold for \$250,000. This statement was not correct, as the property was sold at Newcastle on Dec 19th by Mr George Gilbert, Master of the Supreme Court, and was bid in by Mr James Robinson of Millerton for the sum of \$68,000. This includes the mill, crown and freehold timber limits, steamboats, scows, etc. of J A Rundle & Co

PAID \$55 FOR TREATING
(Chatham World)
Jeremiah Handley was fined \$55 on Friday in the Police Court, for having treated Daniel Whelan to booze. He treated so generously as to make his friend drunk, and Daniel, when before the Police Magistrate, was compelled to reveal the source of his liquor supply. Mr Handley was required to tell whom he got the liquor from and gave the name of Joseph Jardine. Joseph will be asked to tell where he got it.

ABOUT PROHIBITION INSPECTORS
(Chatham Gazette)
In regard to a statement in a local newspaper that a bottle of liquor had been seized in a sick room and a conviction had been secured on such premises against the proprietor of the house in which it was found, the facts show that the newspaper reporter twisted the evidence rather severely to "get a shot" at some one. The inspector found two flasks of intoxicating liquor in the hotel, in a bedroom, but there was no one sick in the room and there was no moral indecency towards anyone, the woman in question coming into the room after the inspector had entered on his search. The authorities state absolutely there was no sick person in the room.

ANOTHER SIDE TO STORY
(Chatham Miramichi News)
A rumor has been current in town and has even appeared in print in a newspaper of another city that a young lady stenographer and a young man were dismissed from their positions with a Chatham firm because they voted for Hon John Morrissey. The rumor is entirely without foundation, for we have it upon the best of authority that the young lady left to take up a position obtained for her by her parents living in Montreal and that the firm offered her another position in their employ if the one in Montreal was not agreeable to her. The young man in question is still employed by the firm in the same capacity as before the election. It would seem only fair and just to all parties were reputable newspapers more careful to verify such rumors before putting them into print.

VENEREAL DISEASES MUST BE REPORTED
Regina, Sask, Jan 8.—Claiming that venereal diseases—namely syphilis, gonorrhoea and chancroid—are contagious and infectious, D. Seymour, Public Health Commissioner for the Province of Saskatchewan, acting under the provisions of the Public Health Act, announced that these diseases will in future require to be reported, and that those suffering therefrom must at once secure treatment and remain under the care of a physician continuously until a cure has been effected. The physician is required to report the case to the Commissioner of Public Health within three days of the patient's first visit, together with other information relating to the patient and the family, omitting however, to give the patient's name unless the patient fails to report to the medical attendant for 30 days when the name and address must be then sent to the Commissioner, who is empowered to take such steps as may be required to arrange for the treatment of the patient.

Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y.—"I have had nervous trouble all my life until I took Lydia E. Pinkham's Vegetable Compound for nerves and for female troubles and it straightened me out in good shape. I took the Compound when my ten year old daughter came and it helped me a lot. I have also had my oldest girl take it and it did her lots of good. I keep it in the house all the time and recommend it."—Mrs. DEWITT SINCEBAUGH, West Danby, N. Y.
