Country-Wide Survey Reveals Splendid Prospects

For Fall Business in All Lines

"Basic conditions the country over are more promising for Fall than at any time since the war. Frozen credits have been thawed, excess stocks disposed of and production is under demand in many lines of staple commodities"—Atlantic Coast Merchant.

Construction contracts awarded in Canada as compiled by the MacLean Building Report Ltd., show the grand total for the year to date is far in excess of a year ago.

Crops, all wheat shows an increase of 20,110,000 bushels over final returns for 1921. Oats, Barley, Rye, Hay and Clover all show increases over last year.

The above facts show that Prosperity is already here, are you prepared to meet it?

It not, it is to your interest to let us supply you with your requirements.

From its inception A. D. Farrah & Co. has accepted responsibility for the quality of merchandise it sells. It is constantly searching for better materials and values. It spares no effort to market the very best of merchandise at the lowest possible prices for such quality goods.

Being centrally located, we can save you money on freight charges, we can serve you quickly. Our small overhead expenses and large turnover insure you lower prices on the following lines:

Palmer Brand Larrigans
Atlantic all wool Underwear
All wool Mackinaw Clothing.
Far-a-Head Sweaters
Shirts, Sox, Mitts,
Gloves, Boots

Can you drop in our store here or shall we tell our traveller to call?

NEWCASTLE WINS FIRST GAME 7-1; LOSES SECOND 4-1

Locals won afternoon game 7 to 1, while visitors take evening game 4 to 1.

Between six and seven hundred fans witnessed the ball game between the locals and the C. N. R. team of Moncton in the Farrell Field on Labor Day. It was the fastest and cleanest game seen in Newcastle for years and made those present feel as if they were watching a by-gone game in the days of old. The visitors were a snappy aggregation and put up a quality of baseball, but the locals were on their metal from start to finish and furnished a quality of support that it is difficult to equal. The weather was delightful and the game proved to be the great attraction of the holiday, the locals winning by the score of 7 to 1.

Wilson, the first man up for Moncton in the first inning was the only man who scored a run for the visitors throughout the whole game. In each inning thereafter, with the exception of the 5th and 8th, only three men came to bat when their side was retired.

In the 5th and 8th, four men were at bat but before any of them could score, their side was retired leaving a man on base in each inning, making in all only two men left on bases. The visitors had 5 errors chalked up against them and secured only 5 hits during the game. Downey pitched a good game, striking out 6 men, one man was hit by a ball pitched by him and he sent 3 to their base on balls. In the middle of the 8th with one man down and two runs having been scored, Lowerson relieved Downey and the next two men up were struck out, retiring the locals.

The locals put up their best game of the season and notwithstanding that they were handicapped by three of their players being absent from town, the quality of ball played by the team as a whole, was worthy of professionals. The in and outfield gave Craig excellent support, and no matter what went out, either fly or grounders, the fielders were Johnny on the spot and gobbled them up like hot cakes.

Melrose—at second played a star game and was responsible for the only double play of the game, which he put over in the 3rd, and immediately after picked up a hot one, throwing to first and retired the side.

Murray—played a good third and Jeffrey a first class first position and had no difficulty in fielding any and everything that came their way.

The locals scored their first run in the 2nd winning which was earned by Jeffrey. In the 3rd and 4th they failed to tally but in the 5th they started a merry-go-round and scored three runs, earned by W. Murray, Melrose and Jeffrey. In this inning, Melrose made a nice steal from 1st to 2nd and Murray scored on the throw to second, which was the beginning of the merry-go-round in this stanza, while the other two scores were made possible by a nice hit by Craig.

In the 6th MacMichael scored, making it five, while in the 7th they failed to tally. In the 8th MacMichael and McKenzie each scored making their total 7.

The locals proved superior at the bat and had 11 men left on bases, while their opponents only had 2. They secured 17 hits off Downey and only 3 minor errors were chalked up against them.

Craig—pitched a good game although, he had only two strike-outs to his credit, the fielding of the players making it unnecessary for him to pitch a strike-out game. He did not send a man to base on balls and was not guilty of hitting a man by a pitched ball.

The game was called at 3.30 o'clock and finished at 4.30, just one hour being necessary to complete the game which was one of the fastest games ever played in this community.

Greene umpired balls and strikes, while Watling of Chatham looked after the bases, each giving entire who attended the two games.

CHARGED WITH STABBING PRIEST AT ROGERSVILLE

John Sullivan Under Arrest at Newcastle on a Serious Charge—Slashed Father Timothy Augustine of the Trappist Order.

John Sullivan was arrested at Rogersville on Thursday and brought to Newcastle, charged with stabbing Rev. Fr. Timothy Augustine, a member of the Trappist Order. The stabbing took place in the cemetery Thursday morning, but nothing definite can be learned as to the cause of the attack on the priest.

It is reported that Sullivan's assault is the result of an old grudge, while another report alleges that the accused is mentally deranged. Father Augustine was stabbed in the face, the knife penetrating to the mouth and cutting the tongue. The wound is a severe one, but is not expected to prove serious. The accused's wife died in the Hotel Dieu hospital at Chatham about a year ago.

The arrest of Sullivan was made by Constable John Bastion.

Further particulars are that Father Augustine, who is the leader of the Trappist Order at Rogersville, was en route to the Post Office and while passing Sullivan, who was standing in front of the cemetery, the latter without a moment's notice jumped on the priest, knocked him to the ground and stabbed him in the face, the knife entering just below the cheek bone, inflicting a nasty wound about three inches long and badly lacerating the interior of the mouth. Had the blow been half an inch further up or down the result would have been fatal.

Spectators about thirty yards away rushed to the priest's assistance, while Sullivan, when he realized what he had done, went to his home where he was arrested later. When asked why he had committed the assault he remarked that he did not like him. Sullivan is held on the charge of attempting murder. He has always been a peaceable, law respecting citizen and was for years section foreman at Rogersville, but now retired. He is a native of Douglstown and a widower.

satisfaction to both players and fans.

The line-up was as follows:

Moncton
Wilson Left Field
G. Elliott Centre Field
Turner Right Field
R. Elliott Short Stop
Ramsay Second Base
Carroll Third Base
McAllister First Base
Delhaunt Center
Downey Pitcher
Lowerson Pitcher
Runs—1, Hits 5, Bases on balls off
Craig 3, Strike-outs by Downey 6, by
Lowerson 2, Errors 5.

Newcastle
MacMichael Left Field
McKenzie Catcher
McCabe Short Stop
W. Murray Third Base
Melrose Second Base
Jeffrey First Base
Craig Pitcher
Morris Right Field
C. Murray Center Field
Runs—7, Hits 17, Strike-outs by
Craig 2, Errors 3—Struck by pitched
ball 1.

In the evening a five inning game was played with the result that Moncton won by a 4 to 1 score. Lowerson pitched for the visitors, while Craig again performed for the locals on account of the absence of Ryder. The visitors secured their lead of 3 runs in the initial inning and scored their fourth tally in the 4th.

The locals played good ball, but while filling the bases on two occasions, which looked like good opportunities for them to tally a few runs, were unable to get a man over.

The visitors were recognized as good clean sports and took their defeat and victory gracefully, which pleased not only the members of the local team but also the many fans, who attended the two games.

LIVELY OPENING FOR ASSEMBLY IS PROMISED

Early arriving delegates to the third assembly of the League of Nations bring reports of pessimism throughout Europe, owing to the failure of the Genoa and Hague conferences and the London meeting of the Allied Premiers. They declare with one accord, that the time has come to speak out and call things by their right names, and fix responsibility for the increasing demoralization of Europe.

This promises, for this week, a lively opening for the assembly which will take up, first of all, a report on the activities of the Council, after which the Commission will be given an opportunity to raise and discuss every question within the scope of the League of Nations and the Council.

Lord Robert Cecil and other delegates, declare that the assembly is competent to discuss, and ought to discuss, every angle of the economic situation in Europe, including reparations, France, and perhaps Belgium, will plead that the assembly is incompetent to discuss this question, which is regulated by the Treaty, but certain delegates believe that nothing can prevent its discussion as it is so closely related to the economic situation.

During such interpellations the Council would be questioned and asked to explain itself on all short comings in the work of the League during the past year. Failure to do anything for Austria would it is pointed out, particularly furnish material for this kind of a debate.

The possibility of the presence of Premier Lloyd George largely increases the interest in the assembly proceedings. It is openly stated, by some of the delegates, that the British Prime Minister will take this opportunity for a strong effort to force action on the economic situation. Committees and sub-committees continue their efforts to agree on the text of the treaty for the reduction of armaments for submission to the assembly. They are taking as a basis, three propositions, the first, Lord Escher's, for the reduction of land armaments; second, Lord Robert Cecil's, for regional agreements guaranteeing the security of the signatories, and, third, the proposed extension of the Washington accords to naval armaments.

Lord Robert Cecil's plan is strongly favored as it is the first move to insure security, the lack of which is the most common pretext for maintaining armaments.

N. B. TO HAVE FUEL ADMINISTRATOR

St. John, N. B. Aug. 30—Coal dealers of the province, in conference with Hon. W. E. Foster, Premier of New Brunswick, here yesterday, decided that, in view of the situation in connection with the supply of anthracite coal, a fuel administrator should be appointed by the provincial government. The duties of this official would be more particularly to try to obtain New Brunswick's share of any anthracite coal which might be available, and to see that it is distributed equitably to the various dealers. It was not found necessary to take any action concerning soft coal supplies.

Representatives from provincial centres were present and after the meeting Premier Foster announced that the fuel administrator probably would be appointed by the provincial government at its meeting in this city on Thursday.

Daily aeroplane service between England and France has brought it out that more frogs and snails are consumed in London than in Paris. Wouldn't it be a queer quirk of Fate that if residents of the tight little Isle were to become known to Frenchmen as frog-eating Englishmen?
