Steele, who have been overseas, were given a hearty welcome by their lodge and Sister Mrs. Foster of Sarnia, was among our visitors and made a few remarks. The following took part in the programme: W. Bro. Plumley presiding; Piano Trio—Misses Edna Mitchell, Hazel and Irene Plumley. Reading—Mr. Orser. Solo—Miss Clark. Reading—Miss Isa Nicol. Piano Duet—Misses Plumley. Song—Mr. Tunstall. Solo—Miss H. Plumley. Re-Reading—Mr. T. Swencker. Solo—Mrs. Dick. After which refreshments were served and the remainder of the evening spent in games and dancing.

**CANAL RUMORS**

The air is thick with rumors of changes on the working staff of the Welland Canal today. It may, however, be taken as settled that a returned soldier in the person of Capt. Hemphill of Ottawa, has been appointed to the vacant position of Paymaster. The other gossip is that all the locktenders and others appointed within the last two years, also those owning property in farms or otherwise, or of ascertained independent means, will be dispensed with and their places filled by returned soldiers of good characters and intelligence. This will be considered absolutely necessary as the work of lock and bridge tenders is too important to be left to those of careless habits. It is also rumored that changes will also occur in the Gate Yard and other repairing departments along the line of the canal.

**MANY HAPPY RETURNS**

Mr. Joshua Holmes, the popular carriage maker, William Steret, is receiving the congratulations of numerous friends to-day upon his having entered his 64th year. Except for the effects of an accident when hunting deer a number of years ago, Josh is as hearty and boyish as of yore, and enjoys good health, in fact, as he confesses he has had plenty of work but a fairly good time all his life and has but few regrets in his declining years, so the general expression is Long may he Wave.

The funeral of the late Mrs. Elizabeth Cornwall was held on Wednesday afternoon from the residence of her son-in-law, William F. Cline, 68 Henry Street to Victoria Lawn cemetery. Many old friends and relatives of the deceased accompanied the body to its last resting place. Rev. J. J. Liddy, assisted by Rev. Dr. Geo. Clark, conducted the service at the house and graveside and the pall bearers were: James Beattie, Randolph Eddy, John Wedge, John Kreamer, William Burgess and William Andrews. The many beautiful floral tributes on and around the casket bore silent testimony to the high esteem in which the deceased was held in the community.

The funeral of the late George McKune was held yesterday afternoon from his residence, Niagara Township to Victoria Lawn cemetery and was largely attended by sympathizing friends. Rev. Mr. Raymer of St. David's assisted by Rev. Mr. Todd of Niagara Falls officiated at the house and graveside. Mrs. Mack Black rendered a solo "One Sweetly Solemn Thought". The pallbearers were Messrs. W. J. Furringer, Ross, Stephenson, Wm. Steward, Andrew Henderson, L. H. Colard and M. Shoemaker. The floral offerings were extremely beautiful showing the high esteem in which the deceased was held.

The funeral of the late Donald L. Cruickshank was held from the family residence, 99 King St., yesterday afternoon to Victoria Lawn Cemetery. Rev. Dr. Ratcliffe assisted by Rev. L. W. Broughall conducted the service at the house and Rev. Dr. Ratcliffe officiated at the graveside. S. P. Courlay, John S. Wood, W. Manson, Joseph Hodgins, Charles A. Case, and Andrew Disher, acted as bearers. There were numerous floral tributes sent by friends of the deceased.

The right wing of the new platoon at the Fire Hall are undergoing their initial drill to-day, which consists of what is technically called nozzle twist ing.

The local Post Office employees are greatly pleased by the action of the Post Office Department in granting them a half-holiday on Saturdays. The directors of the St. Catharines Lawn Bowling Club met last night and awarded the contract for the building of the new club house to G. F. Monk. The building is to be ready for occupation by May 24th.

The Welland Ship Canal will open for navigation on Saturday morning at seven o'clock.

The annual meeting of The Niagara Peninsula Music Dealers' Association was held at the Welland House yesterday.

The following officers were elected for the ensuing year: W. B. Rollason of Welland, President; W. W. Webb, Manager of Mason & Risch Limited, St. Catharines, Secretary-Treasurer.

The Executive Committee consists of the following gentlemen: H. Cadle, Manager of Heintzman & Co.; Albert Blair; J. W. Glass; W. E. Wolfe, of Welland; Albert Gray and R. Holding, of Niagara Falls.

A splendid interest in the work of the Association has been taken by the members of the Trade and the various salesmen in the music industry during the year, and it is particularly fitting that the election should take place just at this time, as next week will be Canada's first national music week. Mr. Fullerton, editor of The Canadian Trades Journal was the guest of the Association and gave a splendid talk on items of special interest to the members of the Music Trade.
