**Prescription "A"**

**Cures indigestion and Dyspepsia in all its Forms.**

IT IS QUITE A DAILY occurrence to hear persons say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything. I have no heart to exert myself, and at times I care for nothing. I often have a pain in the pit of the stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden."

Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a bottle of **Dr. Stafford's Prescription A**. A sure cure for persons afflicted with stomach trouble. It can be obtained at

Which is the Blackest?

Among the most common and most contrary of eye ailments is that condition where lines or objects extending in some certain meridians are blurred and indistinct. Headaches, indigestion and many other bodily ailments follow in the wake of this astigmatic condition. We correct astigmatism in all its varied forms.

**TRY EACH EYE SEPARATELY**  
If any of the lines appear blacker than others, it denotes **Astigmatism**. Properly fitted glasses will make them all alike.
