#### Mount Cashel Concert.

The annual entertainment, in aid of Mount Cashel Orphanage, was held at he Casino, and was largely attended, amongst those present being His Excellency the Governor and Lady Davidson, Rt. Rev. Mgr. Roche, V. G., Admr., and several of the city clarence.

Again Mr. Rossley invited the various plants of the programme was a most enjoyable. The programme was a most enjoyable one, and included selections from the ohnson, Messrs. McCarthy, Cameron, tuggles, Hutton, Slattery, O'Neil and laster O'Leary. The Mount Cashel oys danced the Irish Jig and Highand Fling in their usual style, and were much applauded, while the gun exercises were gone through with creditable precision and skill. The orchestral selections by the C. C. C. Band, under Capt. Arthur Bulley, were pleasingly rendered and added much to the evening's entertainment.

### Help the Poor.

The entertainment which takes place at the Casino to-night should be largely patronized, since the object is a most deserving one. This city has already responded nobly to the calls of the Empire, in the sacrifice of men and money. Our troops, and our On Board s.s. Dominion, orave Allies, the Belgians, have be ovided for in a manner that has erited much favourable comment istress in the city, caused by lack of

AND HARD TIMES IN U. S.

From passengers who came from Rossley Theatres, East and West, were packed. Cinderella seems the lucky pantomime, for the large crowd enjoyed it more than ever last night. snow occurred at Brooklyn, N.Y., this day last week and as a result traffic was practically demoralized. We also hear that on account of the war there are thousands of people out of employment in the American cities and most of them can be seen going around the street in distress and Associations are being established for the relief of the distressed. The big snow blockade, as above referred to, gave a few day's work to how a few day's the high class of the large crowd enjoyed it more than ever last night. Jack Rossley, as Sister Jemima, was one long laugh. It's a great panto and the songs the best ever heard; the dances original, dainty and beautifully performed. The pictures, too, are fully up to the high class of perfection with the rest of the entertainment. While the music by Mr. A. Crocker and Mr. Jago is worth more s above referred to, gave a few day's work to hundreds of men. Altogether nes in the States are hard.

"OURS" IN THE WEST END.

Nothing too good for the West End and last night this unique little theare was positively packed all night, otwithstanding the other amuse ents, and concert in the T. A. Hall. The dainty little Aneta, child vocalist, who receives encores at each show, in her bugle song is well liked. We feel sure the next change will be even better; a great war song "The Same Old Flag," in character cos tume. The pictures are talked of becolored quills are used on cause there are many new and beau tiful specimens shown. Mr. Rossley has just made arrangements with the great Elliott firm whose pictures made such a sensation in Europe; different to anything ever seen here be fore. West End patrons don't forget
